BITES and PINES

ASSHOLE OF THE MONTH

The anal sphincters have an inside and an outside, each clearly separated from the other. One face of the butt ring can be wiped temporarily clean in conformance with society's dictates; the other face is constantly pressed into whatever stinking nuggets the rectum may push against it. But make no mistake—both facets of every fecal valve are smeared by the very filth that they, together, launch into the world.

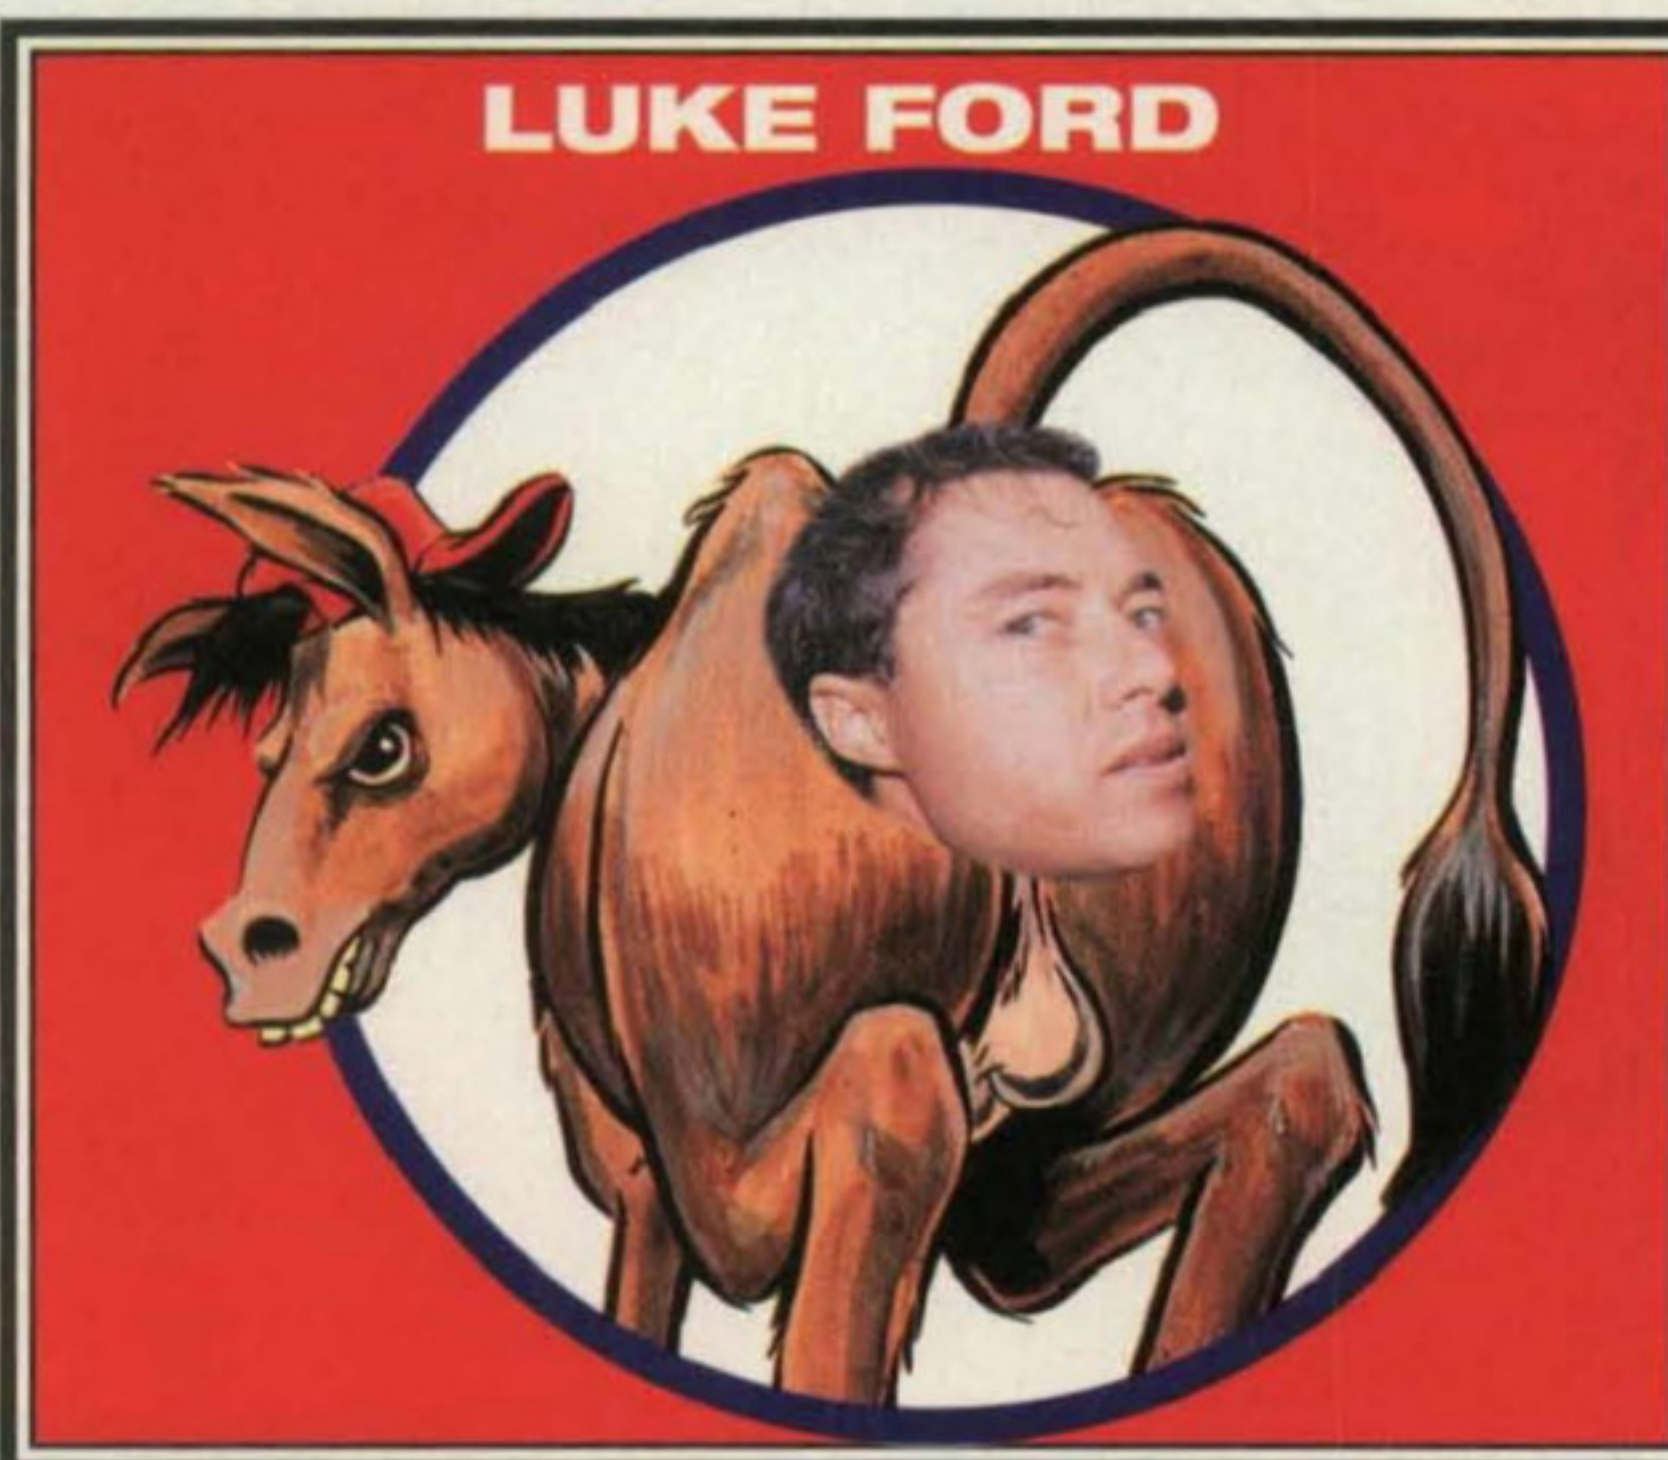

The same self-soiling duality that fouls the inner and outer anus slimes each side of Luke Ford's split personality. Luke Ford is a man who shits from two faces, and he is HUSTLER's Holiday '99 Asshole of the Month.

Luke Ford has been described as the Matt Drudge of the porn industry. Like Drudge, Ford runs a Web site that delights in smearing the private lives of public figures. But Ford's personal attacks on "porners," and his proud disdain for facts, make Drudge read like a reporter for the *Christian Science Monitor*.

Ford actively solicits malicious dirt on performers and producers in the XXX world, bragging: "I will print it without worrying about fairness, truth or accuracy."

Aside from unsubstantiated accusations, Ford publishes his own blend of largely inaccurate industry news bites and outright lies. Among Ford's dispatches are untrue assertions that the Vivid girls have AIDS, that Larry Flynt pays Mob kickbacks, and that FBI agents had arrested "leading members of the American porn industry for antitrust violations."

After threats of litigation, Ford labeled some of his character assassi-

nations as "parody" and "satire." He believes that his readers are sophisticated enough to sort his deliberate bullshit from his inadvertent errors.

Judging from the feedback of Luke's fans, their level of sophistication is akin to that of the bumbling editor who accepted Ford's 1,000-page manuscript chronicling smut cinema and published it as a 252-page book.

Publisher's Weekly regretted that Luke's tome attained "neither coherence nor climax.... Most disturbing of all, Ford doesn't appear to be especially well-informed on his topic."

One of the book's typical false facts is that, "Though many porn girls do have sex with dogs, few permit photos of their escapades."

Ford claims to have had sex with

more than one blue-screen actress, a behavior he condemns: "I view all forms of sexual expression outside of marriage as sinful. Porn is anti-God. Censorship is one legitimate response to pornography. I would not shed many tears if the porn industry was carted off to jail."

Luke, a converted Jew, wants nothing more than to "get married to a nice Jewish girl and lead a monogamous Judaic life. I'm tired of tawdry blowjobs from porn stars."

Luke can explain the extreme lack of integration of his attitudes and actions: He boasts of being "a twisted multiple-personality person."

Luke's father, a Seventh Day Adventist preacher, believes that his son is "mentally unstable" because

of a head injury. Ford's sister blames Luke's "lack of insight and balance" on "glandular fever." Her 33-year-old brother "is not the boy he used to be." She finds the aging child's current activities "heartbreaking."

Who else is disturbed by Ford's behavior? How about the more than 300 porn people whose real names he published? Marc Star, brother of television producer Darren Star (*Melrose Place*, *Sex and the City*), allegedly punched Ford in the stomach, outraged that Ford had dug up a four-year-old *New York Post* story as the basis for accusing Darren of being responsible for a girl who overdosed in a New York City hotel room.

Does Darren Star have a connection to XXX? No more so than John F. Kennedy Jr., who, according to Luke's site, was a notorious homosexual.

"I create the hatred for me," Luke has said. "My problems are not in porn, but in myself."

Responding to animosity real and imagined, Ford posted photos of himself fondling a revolver. The gun owner, who admits, "I get therapy once or twice a week for 90 minutes a session," holds the pistol against his nose, gazing off as if he sees Jodie Foster falling in love with him.

"Luke passionately believes in self-defense," writes the madman, "and he will kill to protect himself."

If his Web site is any indication, Luke's notion of self-defense fits a sane man's definition of an unprovoked ambush. Luke Ford, both of him, is likely to end his days confined to an institution; the tragedy is who the dual Asshole might take out before he is removed.

Sheriff Joseph Arpaio: Boss of all jails in Arizona's Maricopa County, Arpaio has denied coffee and cigarettes to prisoners, housed inmates in tents, and sent female prisoners in chain gangs out to cut weeds. "Jail means punishment," proclaims Arpaio. In his pursuit of being designated America's toughest sheriff, the

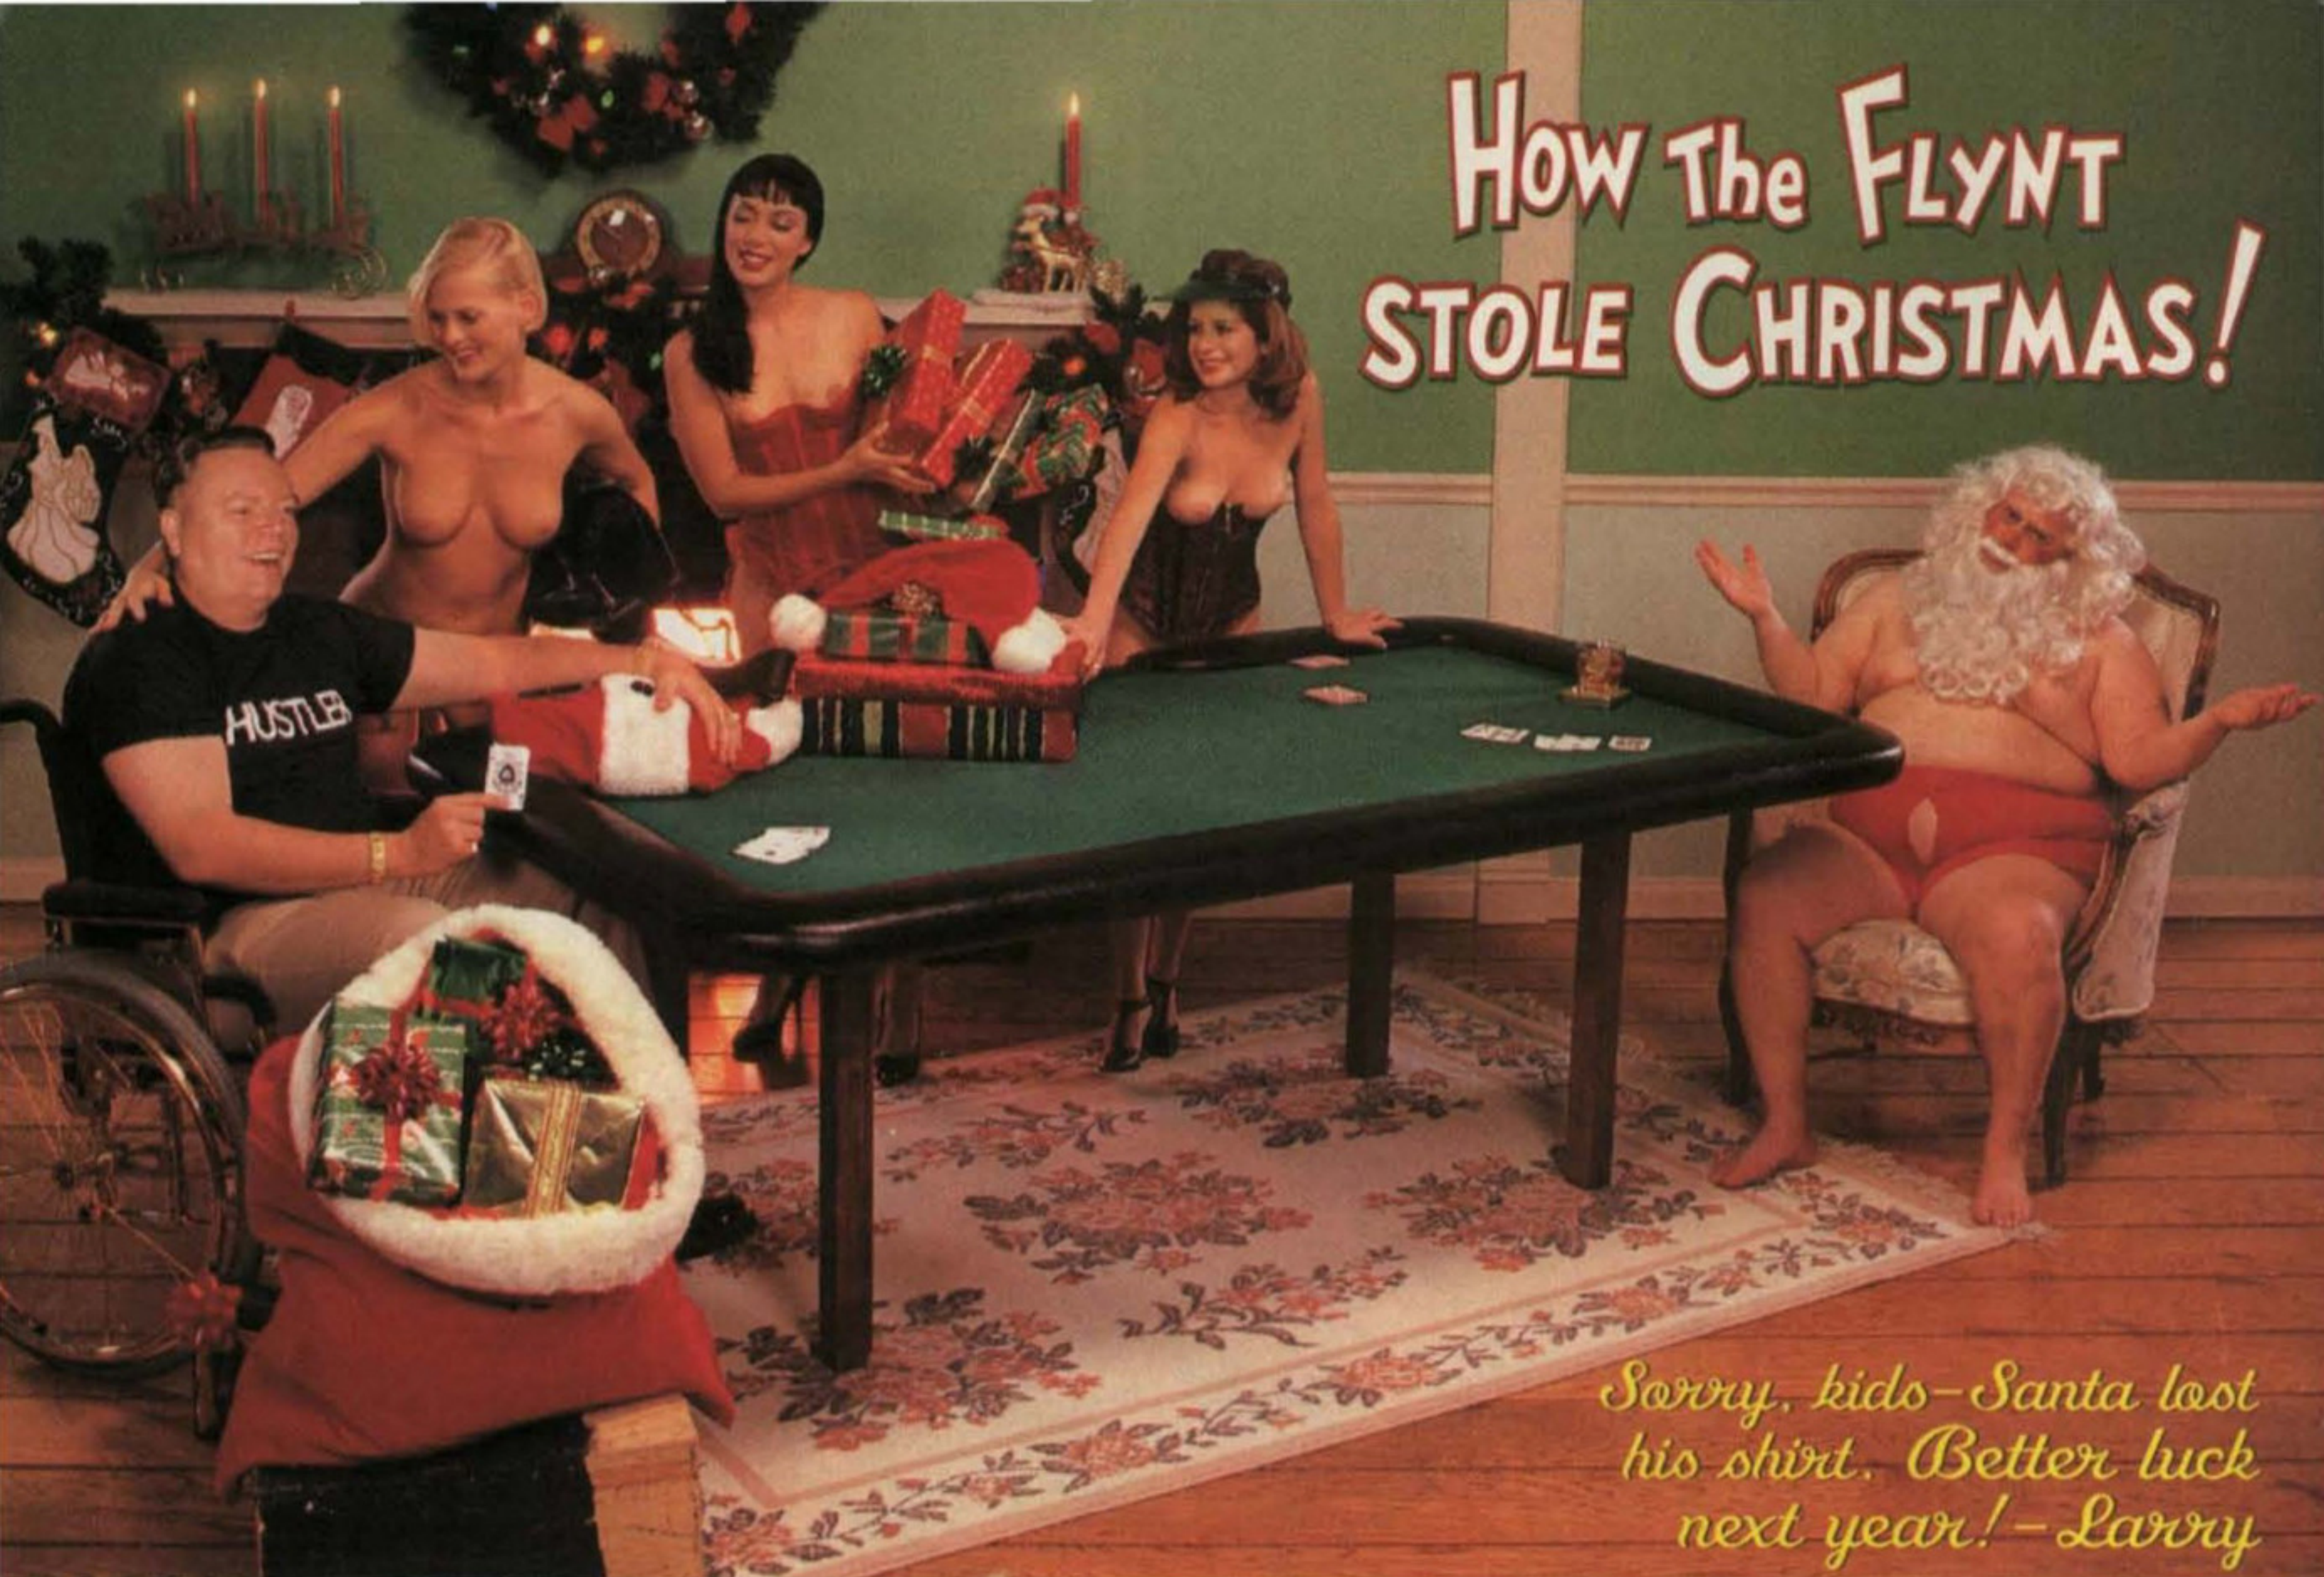

FARTS IN THE WIND

turnkey has banned all nude pictures from his jail system, earning the designation Asshole.

Newt Gingrich: As first uncovered in April 1999's FLYNT REPORT, pudgy family-values champion Newt Gingrich was keeping a secret during Bill Clinton's Monica scandal. Newt's secret is 33-year-

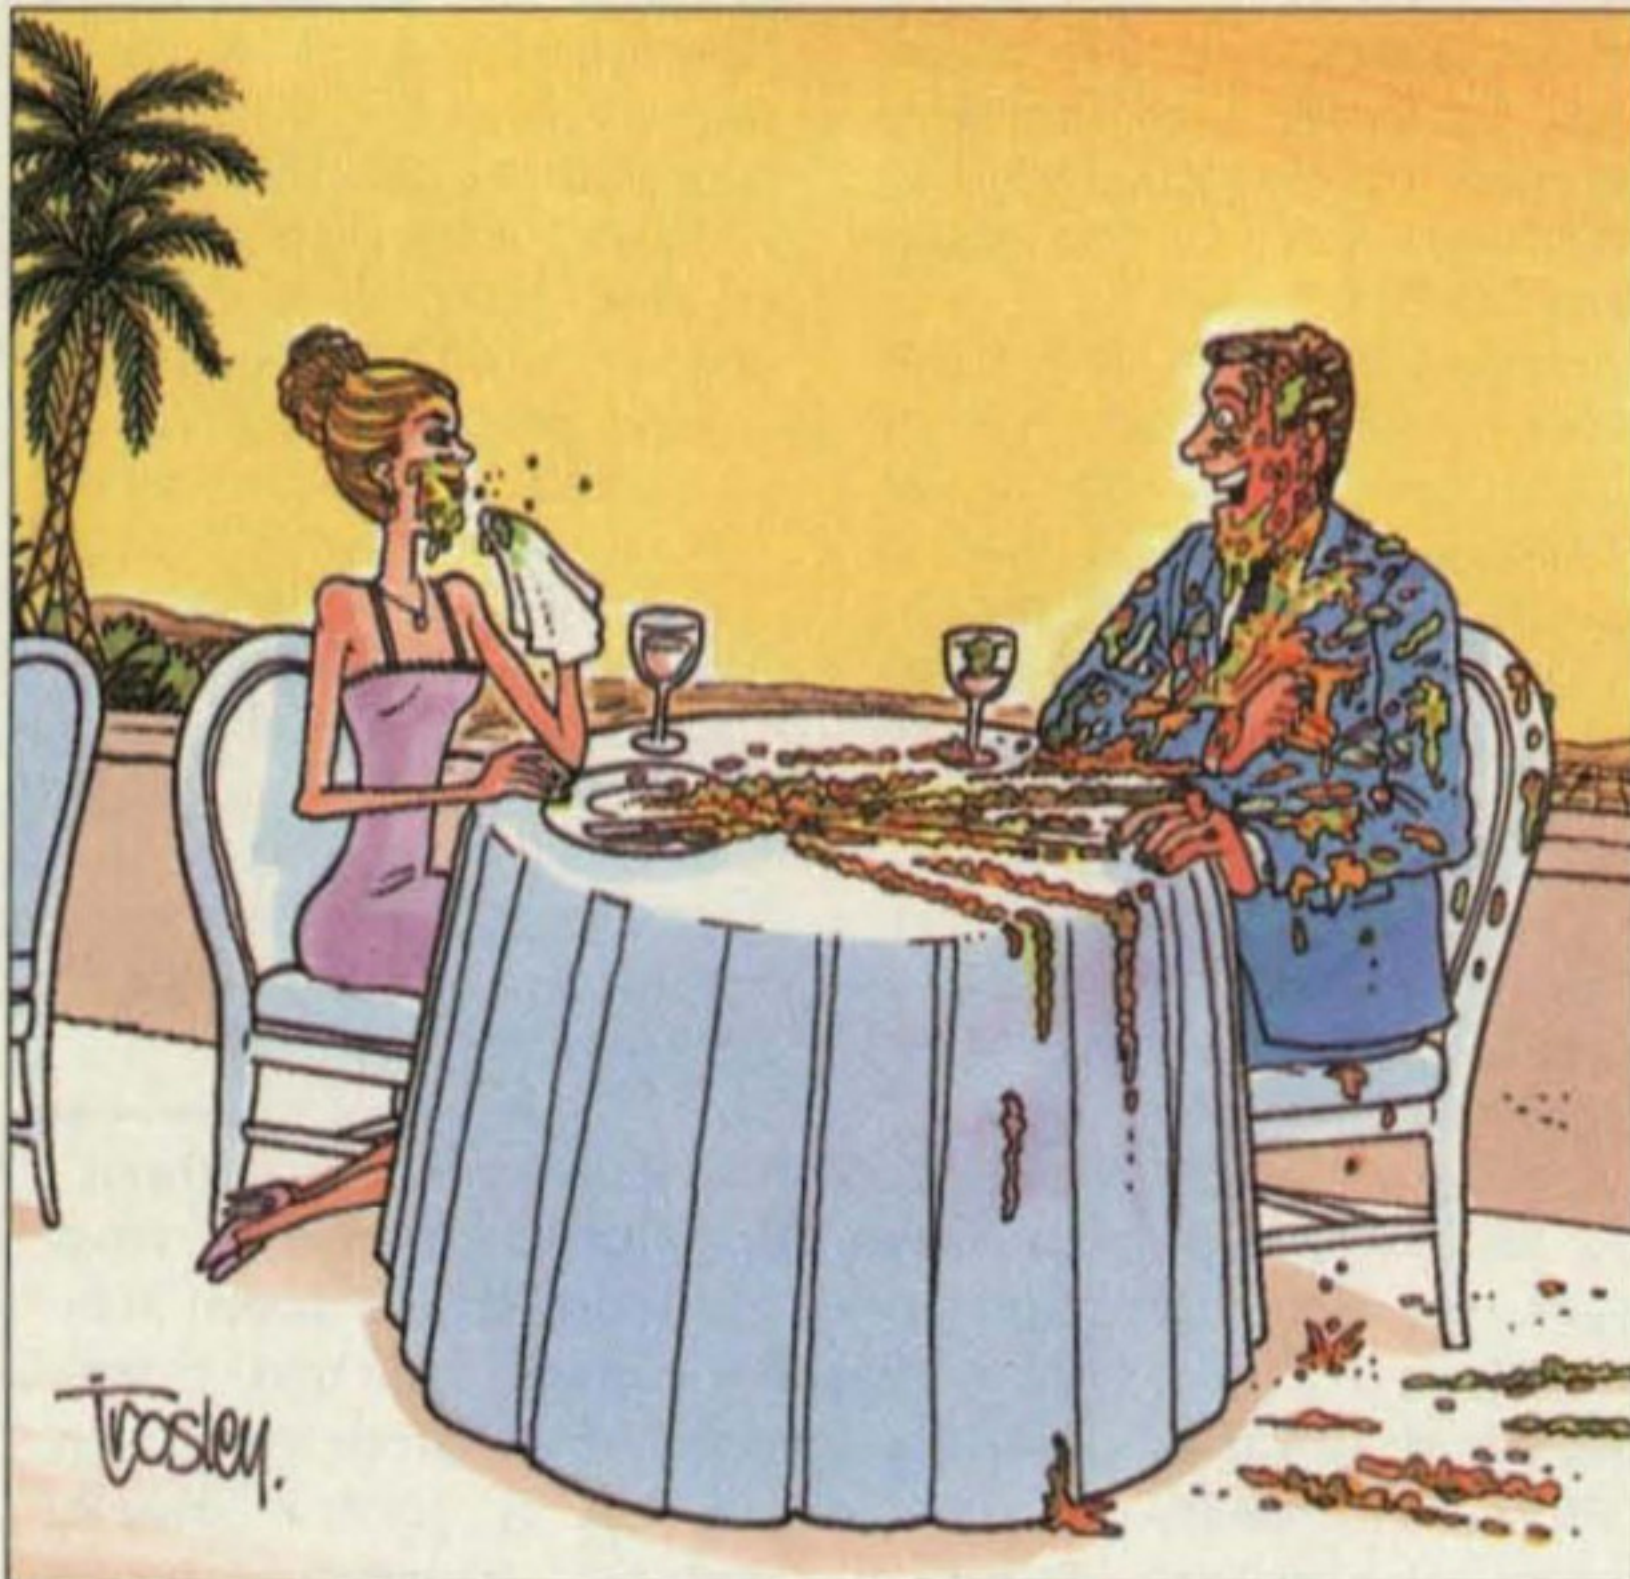

old Callista Bisek, who, disregarding Gingrich's marriage and age (56), has emerged from her Washington closet as the combative moralist's girlfriend. In three years as a junior clerk, Bisek's salary jumped from \$36,000 to \$55,000. Do we detect Newt's hand, or has he simply revealed more Asshole?

PORN From the PAST

Penthouse's Bob Guccione was never rumored to have fucked Bea Arthur, which makes this photo difficult to explain.

Robert P., of Greenville, California, scalps \$150 for this numb skull and dumb belle. Forward your wad-wringing classics to HUSTLER's "Porn From the Past," 8484 Wilshire Boulevard, Suite 900, Beverly Hills, CA 90211. Include a self-addressed, stamped envelope if you want the material returned.

FINGER THE SLIT OF THE NEW MILLENNIUM! CHOOSE FROM...

HUSTLER's 1999 **Beaver Hunt** Grand Prize Finalists

It wasn't millennium fever, but Beaver fever that drove HUSTLER readers wild this year. Why would the spectacle of seeing the 9s line up on humanity's odometer lessen our most basic, hard-wired urge for furburger? 1999's *Beaver Hunt* will go down in history as mankind's most extensive search for hot crotch pockets. Through a process more drawn out than swallowing anal beads,

this bumper crop of cooch was distilled into a heady liquor of four finalists.

Now's your chance to root out the last Beaver of the millennium: Make one of these packable squacks the Grand Clam of 1999. The lucky Grand Prize Winner will travel to a glamour capital for an extensive HUSTLER photo shoot and a \$5,000 award!

VOTE FOR ONE:

☐ **Christy**

(Beaver Hunt Finalist #1, "Premiere Minx," March 1999)

The gents of Birmingham, Alabama, have taken to calling themselves the Hard of Dixie since 19-year-old Christy came out a scant year ago, in BARELY LEGAL's *Corky's Clubhouse*. Will this curvy Southern belle wring herself dry in a HUSTLER pictorial? Vote for her tight tunnel and see.

☐ **Debbie**

(Beaver Hunt Finalist #2, "Second to None," April 1999)

Sun-ripened and ready to peel, Debbie's April romp on an inflatable couch had readers gasping for air. The 23-year-old Miami native would like to share her fantasy of an exotic desert island with you, but she needs \$5,000 and a HUSTLER photographer to make herself understood.

☐ **Mia**

(Beaver Hunt Finalist #3, "Three to Get Sweaty," August 1999)

A 30-year-old painter who dances and plays music, Mia's honeypot oozes refinement. Her cowboy boots won the attention of trick riders everywhere; will the thought of bucking her searing hole help this Omaha artist draw a big paycheck?

☐ **Jenny**

(Beaver Hunt Finalist #4, "Stroke of Four," December 1999)

A respectably fuckable 20, Jenny fingered herself open in her December poolside layout. With your vote, this sunny honey from So Cal could spend extra hours in front of the camera-dude, airing out her bodacious, SPFed snatch. Catch a whiff, and you're sittin' on top of the world.

HUSTLER's Guide to Christmas Gifts for Jews

YULETIDE CHEER FOR THE YID ON YOUR LIST

A: Keep your Hebraic friends' extreme extremities from freezing with Septumagic's fleecy Nose Mitten. Supersized for the Sons of Abraham, it plays a warming rendition of "Oy Vey in a Manger" with every gust of nasal breeze. Old Jake Frost won't know who fleeced him. Price: \$67.55.

B: Yarmultech's INRI 2000 yarmulke slaps some Christmas spirit onto that shylock's skull, where it's needed most. Santa or Rudolph adorns this thoughtful keepsake (\$42.50). The Christ Almighty nativity set (about \$200) hangs the newborn Savior up where your favorite money changers can keep an eye on Him.

C: Little Sadie Homemaker's eyes will well up at the sight of the He-B Bake Oven. The classic European design fires the soul. Your favorite junior Jewess can bake cookies, Kikes and pies in just seconds. You don't need to spend much on her gift this "O, Holy Night"; He-B Bake's O-holy cost is under \$20.

D: The Dildel (Doc Jewison's Winter Catalog, \$49.99) combines the traditional Semitic dreidel toy with a seasonally appropriate dildo. An extravagant seven rotational speeds hurry down a Hebrette's chimney with care. Watch out though—once she tries the Dildel, she may develop an aversion to pork sword.

E: Yid kids will be too busy to hock the holly once they see the Baby Jesus Fun Kit. It's from Heavenly Peace, the first name in Christ-killing activity toys. Look, Ma—no Handel's "Messiah"! Price: \$35.

F: Imagine the look on Hymie's face when he sees that some unknown neighbor remembered Hanukkah, the Festival of Lights. Kluxer and Company's Lawn Menorah (\$250) can be doused with gasoline and lit in seconds. Perfect for Secret Santas.

Jackie: Hot Gash

I am a 23-year-old male, and I've had a subscription to HUSTLER for years. I'm really looking forward to seeing your new HUSTLER HARDCORE XXX. I have just received the November '99 issue of HUSTLER, and I'm still stunned by the sheer beauty of your covergirl. Jackie (*Jackie: Hot Flash*, November 1999) is the hottest burnout chick on the planet—she rocks! I like the real thing, not fake tits, and Jackie's got 'em. I also love your *Beaver Hunt* section. Devon (*Beaver Hunt*, August 1999) is one of the hottest girls I've ever seen in there. My only wish is that you make *Beaver Hunt* longer. Have you ever thought of having an X-rated *Beaver Hunt*? —C. P. Aurora, Indiana

At 23, how many years could you possibly have had a HUSTLER subscription? Five? In any event, you are right about Jackie. Many people have written in praise of her natural breasts and tough yet sweet appearance. Makes you want to fuck her, doesn't it? As for an X-rated *Beaver Hunt*, if more people sent in snapshots of themselves fucking, maybe we'd consider doing it. Till then, keep enjoying the endless *Beaver Hunt* pussy sea. The waves of neighborhood gash will keep on crashing onshore month after month after month.

Cheri Bomb

I write in praise of Cheri (*Cheri: Humiliation Academy*, July 1998). This beautiful, young lady was the reason I spent 12 months trying to obtain a back issue so I could truly appreciate her in all her glory. Her flowing hair splaying across her pillow as she frigs herself is a vision of carnal desire. Cheri's piercing eyes and pouting lips combine to form heaven on Earth. The French manicure was a nice, kinky touch as well. I'd love to handcuff her to the bed, blindfold her, and kiss, lick and nibble her all over. What I wouldn't give to lie beside her with her legs around my waist while I rode her to kingdom come. I'd remove the blindfold so she could gaze deep into my eyes, then free her hands so she could pull

me further inside her. Thanks for an impressive layout and a great magazine. HUSTLER is unequalled over here (unfortunately, it is also illegal!). If at any time you are able to sort out some distribution to the United Kingdom, I'd start a subscription post haste. —P. T. London, England

Navy Squeal

I have always been a big fan of your magazine, and I must say that I have never

Jackie: Hot Flash

been so turned on as I was by the April '99 issue. When I happened across Gia (*Gia: Portrait of a Lonely Lady*, April 1999), I almost came in my pants. Lady Gia is the most beautiful woman your magazine has ever published. When I saw the picture with her legs spread in the air, and her big cock and luscious ass, I went wild and could not stop playing with myself. She is an absolute dream come true. I don't even recall reading the rest of the magazine; I was so stunned by Gia's incredible figure. I would more than just "accept her for what she is." I would suck her big cock and lick her gorgeous ass for days. Don't get me wrong; I would never suck just any cock; it would have to be the cock of Lady Gia. Do you plan on featuring Gia in a future pictorial? I certainly hope so! Thank you so much for the best HUSTLER pictorial ever. Keep up the good work. —J. B. U. S. Navy

Glad to be of service, cocksucker.

Pussy Skin

About three months ago, I sent an E-mail requesting more pictures showing pussy skin pulling slightly out of a vagina as the dude pulls his dick out in your couples pictorials. Some time later, I was checking out the April '99 issue and was amazed that you had honored my request (*Dirk and Kitty: Choad Warrior*, April 1999). Dirk's dick yanks the skin out of his girl-

Thanks. It's nice to see that aficionados appreciate the attention to detail that HUSTLER tries to deliver to faithful readers such as yourself.

Give Readers a Shot

How about giving the subscribers a shot at appearing in HUSTLER with one of the girls? I always think, *What a lucky son of a bitch* when I see the men in HUSTLER couple pictorials. I say to myself, *How come him and not me?* How are the men chosen for these photo-sets? Do they just walk in from off the street? Why don't you have a lottery where HUSTLER readers send in a postcard and win a chance to be the lucky SOB? —T. A.
London, Ontario, Canada

You have an intriguing idea, but do you realize what you're asking for? You don't really want to see your fat, hairy boss fucking a hot HUSTLER Honey, do you? Your selfish motives could very well open up a Pandora's box of beastly manhood that could scare away our die-hard readership. We couldn't just invite any old HUSTLER reader to model for America's Magazine sight unseen; we'd have to request photos. How would you enjoy opening letters with naked pictures of your neighborhood grocery clerk inside? Think about it.

Doggy, NO!

You ran an article in your August 1999 issue describing a Chessie Moore movie, *Oh, Lucky Dog!*, where Ms. Moore has sex with a dog (*Illegal Porn: Teasing the Law With Abomination Erotica*). You say that this video was produced by Bazaar Video. Since that time, my company, Bizarre Video, has been inundated with phone calls from people seeking this tape. I would like to clarify that my company, Bizarre Video, of Brooklyn, New York, which puts out fetish and light bondage movies, has nothing, *not one thing*, to do with bestiality, or with lactation or urination, for that matter. I don't know who Bazaar Video is, but they're not us. I want to clear up this confusion because I don't want to be associated with bestiality, which, to me, is not the art of fetish. HUSTLER readers looking for mud

wrestling movies, big boobs or cross-dressing tapes can give me a call, but, please—no doggy types!

Take My Wife...Please!

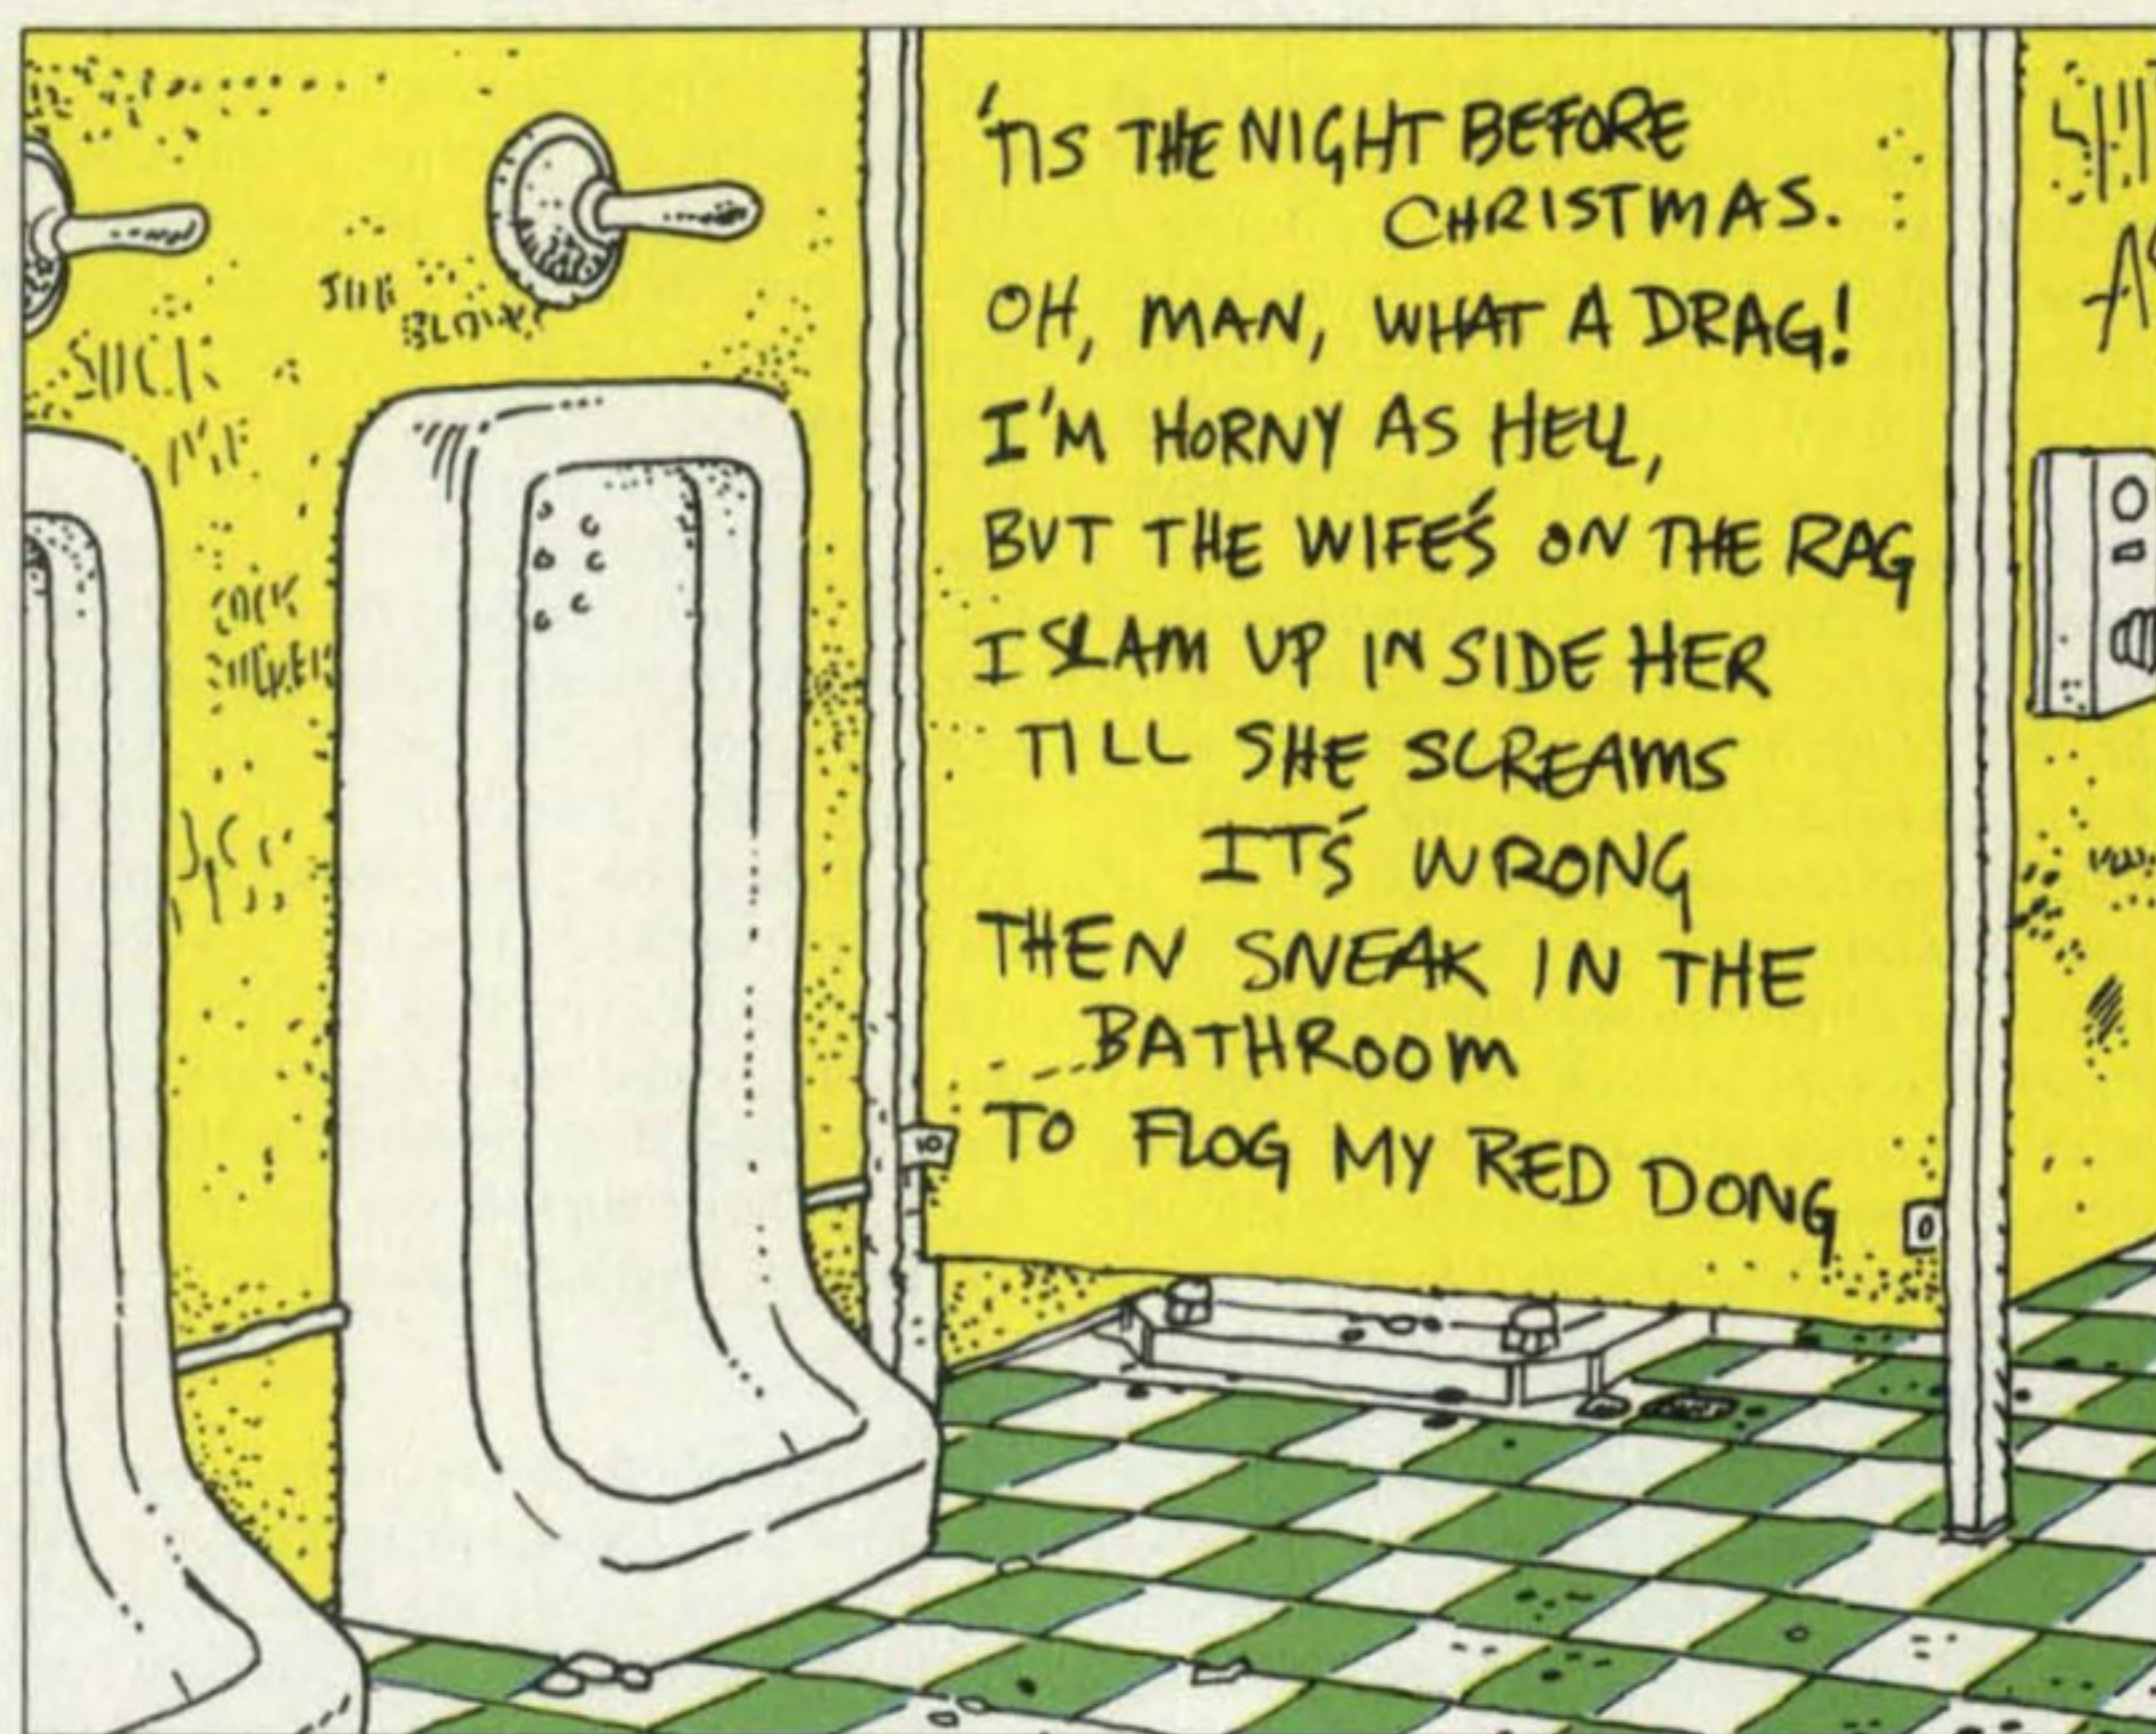

I am a 27-year-old, married male who is a regular reader of HUSTLER. I especially enjoy *Beaver Hunt*. It is so nice to see ordinary, everyday women posing nude for amateur photos. Don't get me wrong; I like to see professional pussy also. Primped and prepped with makeup and hair done perfectly on a photo-set is lovely; especially with the clear pictures taken by the HUSTLER team of photographers. But it is fun to wonder if the cashier at the convenience store, the teller at the bank or the waitress at your favorite restaurant has a body like a HUSTLER Honey under her uniform. I, for one, can't wait to see if girls from my neck of the woods have sent in pictures to HUSTLER's *Beaver Hunt*. Who judges the photos you receive and decides which ones will go to print? Is there a certain look or style the editors look for? Are there certain criteria the model must meet? Does she have to have certain measurements? I am asking because my wife and I would like to send in her photos to share

with other readers. I am very proud to show off my wife. She is 26 years old, 5-10, 150 pounds, blond hair, brown eyes, nice tits and a tan. Although my wife wants to do this, she believes her photos will not be picked to go to print in *Beaver Hunt*, and it will all be for nothing. The reason my wife is hesitant is because she thinks she is a little overweight and believes all the models you choose are chosen because they are thin. I will be the first to tell you that my wife is not skinny, but she is far from fat. The reason I am writing you is to save her the embarrassment, and to keep her from being hurt if her photos were not printed in *Beaver Hunt* for this reason. Please explain your judging criteria and reassure me on this matter.

Beauty takes many forms. The Beaver Hunt submissions we receive show girls next door in a variety of shapes, sizes, ages, races, attitudes and styles. The editorial staff selects these submissions. There are three basic things we look for: 1) Does the photo show beaver? 2) Can we see her face? 3) Does she exhibit personality? There have been plenty of skinny ladies whose photos were passed over for warm, Rubenesque beauties. You

Dear SLUT

JEANNA FINE TELLS THE
FUCKING TRUTH

This month in her regular column, porn legend Jeanna Fine responds to readers seeking erotic enlightenment. She invites you to drop her a line and join her on the fearless quest for the fucking truth.

SALAD SHOOTER

I am a prison inmate, and I'm constantly surrounded by some of the most fucked-up, sexually deviant scoundrels on Earth. This one dude apparently assaulted a young girl sexually with a pair of scissors, and we took to calling him Edward Scissor Hands. Not too long ago, I witnessed this individual having inappropriate sexual relations with a carrot. He was plunging the carrot in and out of his ass while giving himself the reach-around. After that, my friends and I nicknamed him the Salad Shooter. Is there a name for people with a food fetish? Does it evolve from being a messy baby? Could a sexually molested male child grow up to be a child molester with a food fetish? —S. F.

Thomaston, Maine

I seriously doubt that Mr. Salad Shooter has a food fetish. I suspect that the carrot he shoved up his ass was simply the only dildo-shaped object available to him, and he was too shy to ask you or one of your buddies to provide him with the real thing. It's a real shame that he didn't use sharp scissors to fuck himself—that is what he truly deserves. Mr. S. S. was probably molested as a child. It's a common and well-documented fact that adult sex offenders often reenact their abuse with new victims, thus perpetuating a vicious and sad cycle of abuse. Of course this isn't an excuse; the Salad Shooter should still be punished. You can shove a baseball bat up his ass for me, although he might like that. A better punishment might be keeping all dick-shaped objects away from his vegetable-loving ass.

TOO BIG TO FIT

I always thought that having a mule dick was great, but I'm starting to think otherwise. My cock is 11 inches long and ridiculously thick. My balls are like extra-large eggs. I can't have sex with my girlfriend very often because my cock is so big, it hurts her. It's hard to walk around with my girlfriend because people stare at my bulge; their interest is painfully obvious. Sometimes other women hit on me because they notice my package. There's nothing I can do to disguise it. My last girlfriend loved my big dick and sucked it every chance she could. I could even fuck her for a while, but then it would start to hurt her, and I'd have to stop. I'm starting to think that having a large cock is not worth the hassle. Is there anything I can do? —M. D.
via Internet

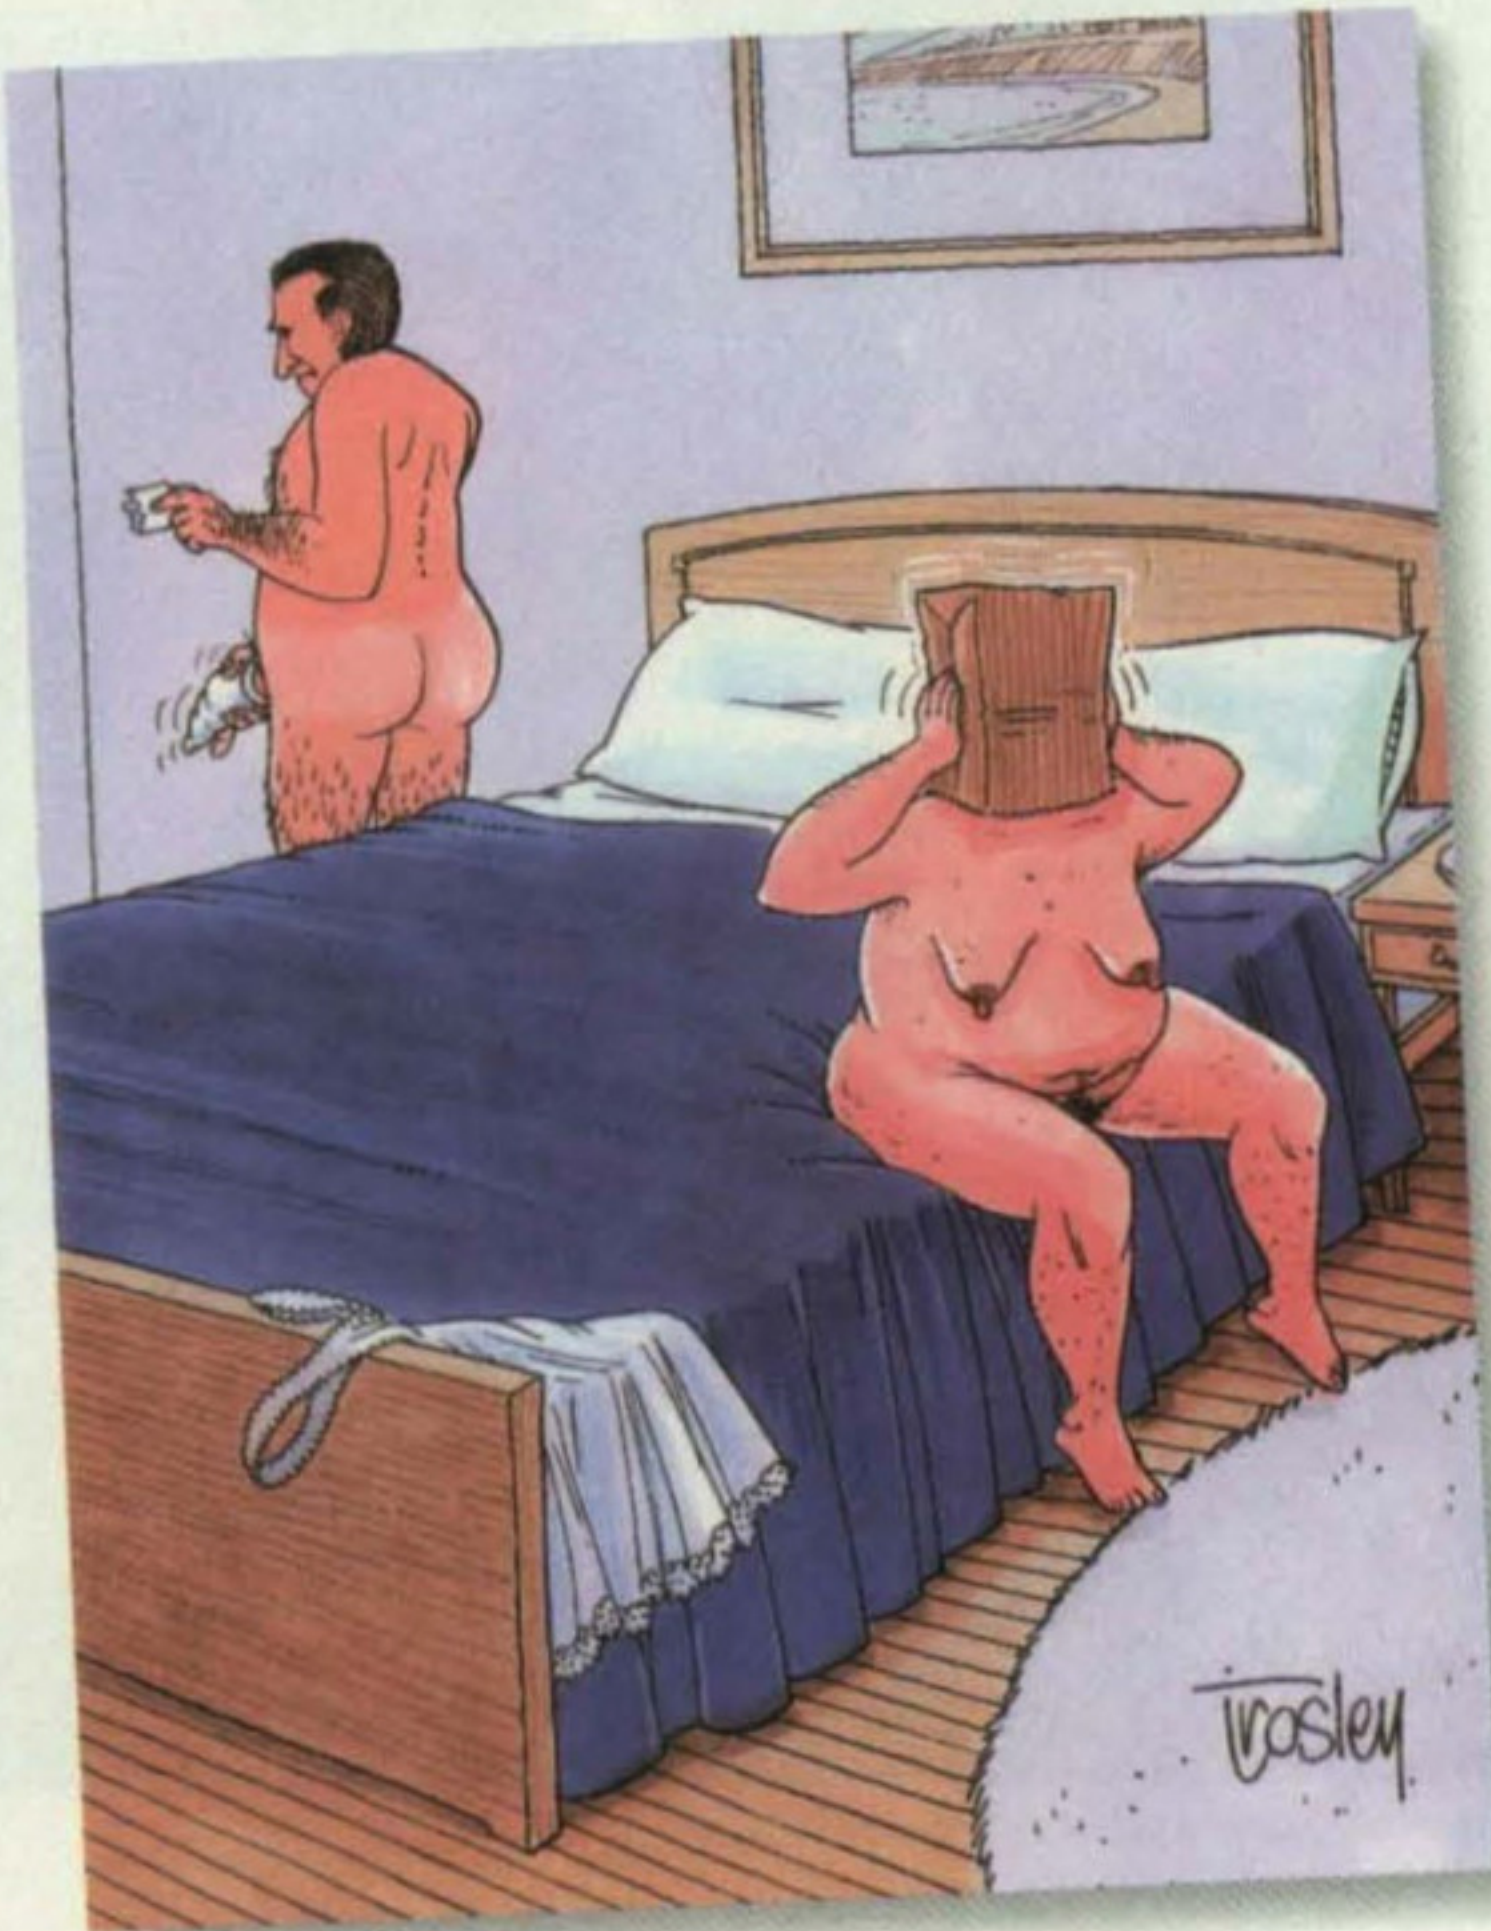

Unfortunately for you, there is no such thing as dick-reduction surgery for men. Having such a big dick, you already know that you have to be sensitive and cautious with your choice of sexual positions. You can't ram it home, even if you really want to, or you might pierce your

lover's guts, bruise her cervix or even perform a violent tonsillectomy from below. Use lots of lubrication and try gentle motions in your lovemaking. If she still becomes sore, you can always finish off with mutual masturbation. There are many ways of overcoming physical liabilities. Part of sex is exploring all of the possibilities. There are a lot of women out there who would beg for a cock of your size, but, upon being faced with such a reality, might scream for mercy. I once made a bet that I could deep-throat a certain famous, all-star basketball player. Upon inspecting his package, I realized that I wasn't a snake. There was no way I could possibly get this guy down. He suggested we fuck, and I told him, "If my mouth can't go around it, I ain't fuckin' it." Several months after meeting this guy, I saw that he got married to, of all things, a very petite young lady. I was baffled and mystified as to how this poor thing was actually going to have sex with this monster. It was then that I was told this saying: Big woman, big hole; little woman, all hole. Apparently, petite girls are able to stretch to

HUSTLER'S PINK AND SILVER 25TH-ANNIVERSARY PARTY

Where do you celebrate an intimate gathering of your 1,000 best friends and two dozen nude dancers? If you're Larry Flynt, you park your Gulfstream jet on the street and turn a huge air hangar into the biggest, most elegant adult club since woman first crawled up from the primordial ooze and began taking off her clothes.

The cavernous Million Air Hangar could barely contain HUSTLER's Silver Anniversary party this past July. Attendees dined, drank and drooled as an enormous stage overflowed with exotic dancers and live '70s music. The celebrity-dotted assemblage of jet-fueled revelers marked HUSTLER's first quarter century with the sincerest form of flattery: When the hangar's one-night stint as a bacchanalian circus was finally over, the crowd had not thinned. Almost all of the partygoers stayed for the entire bash.

The HUSTLER staff plans to spend the next 25 years recuperating.

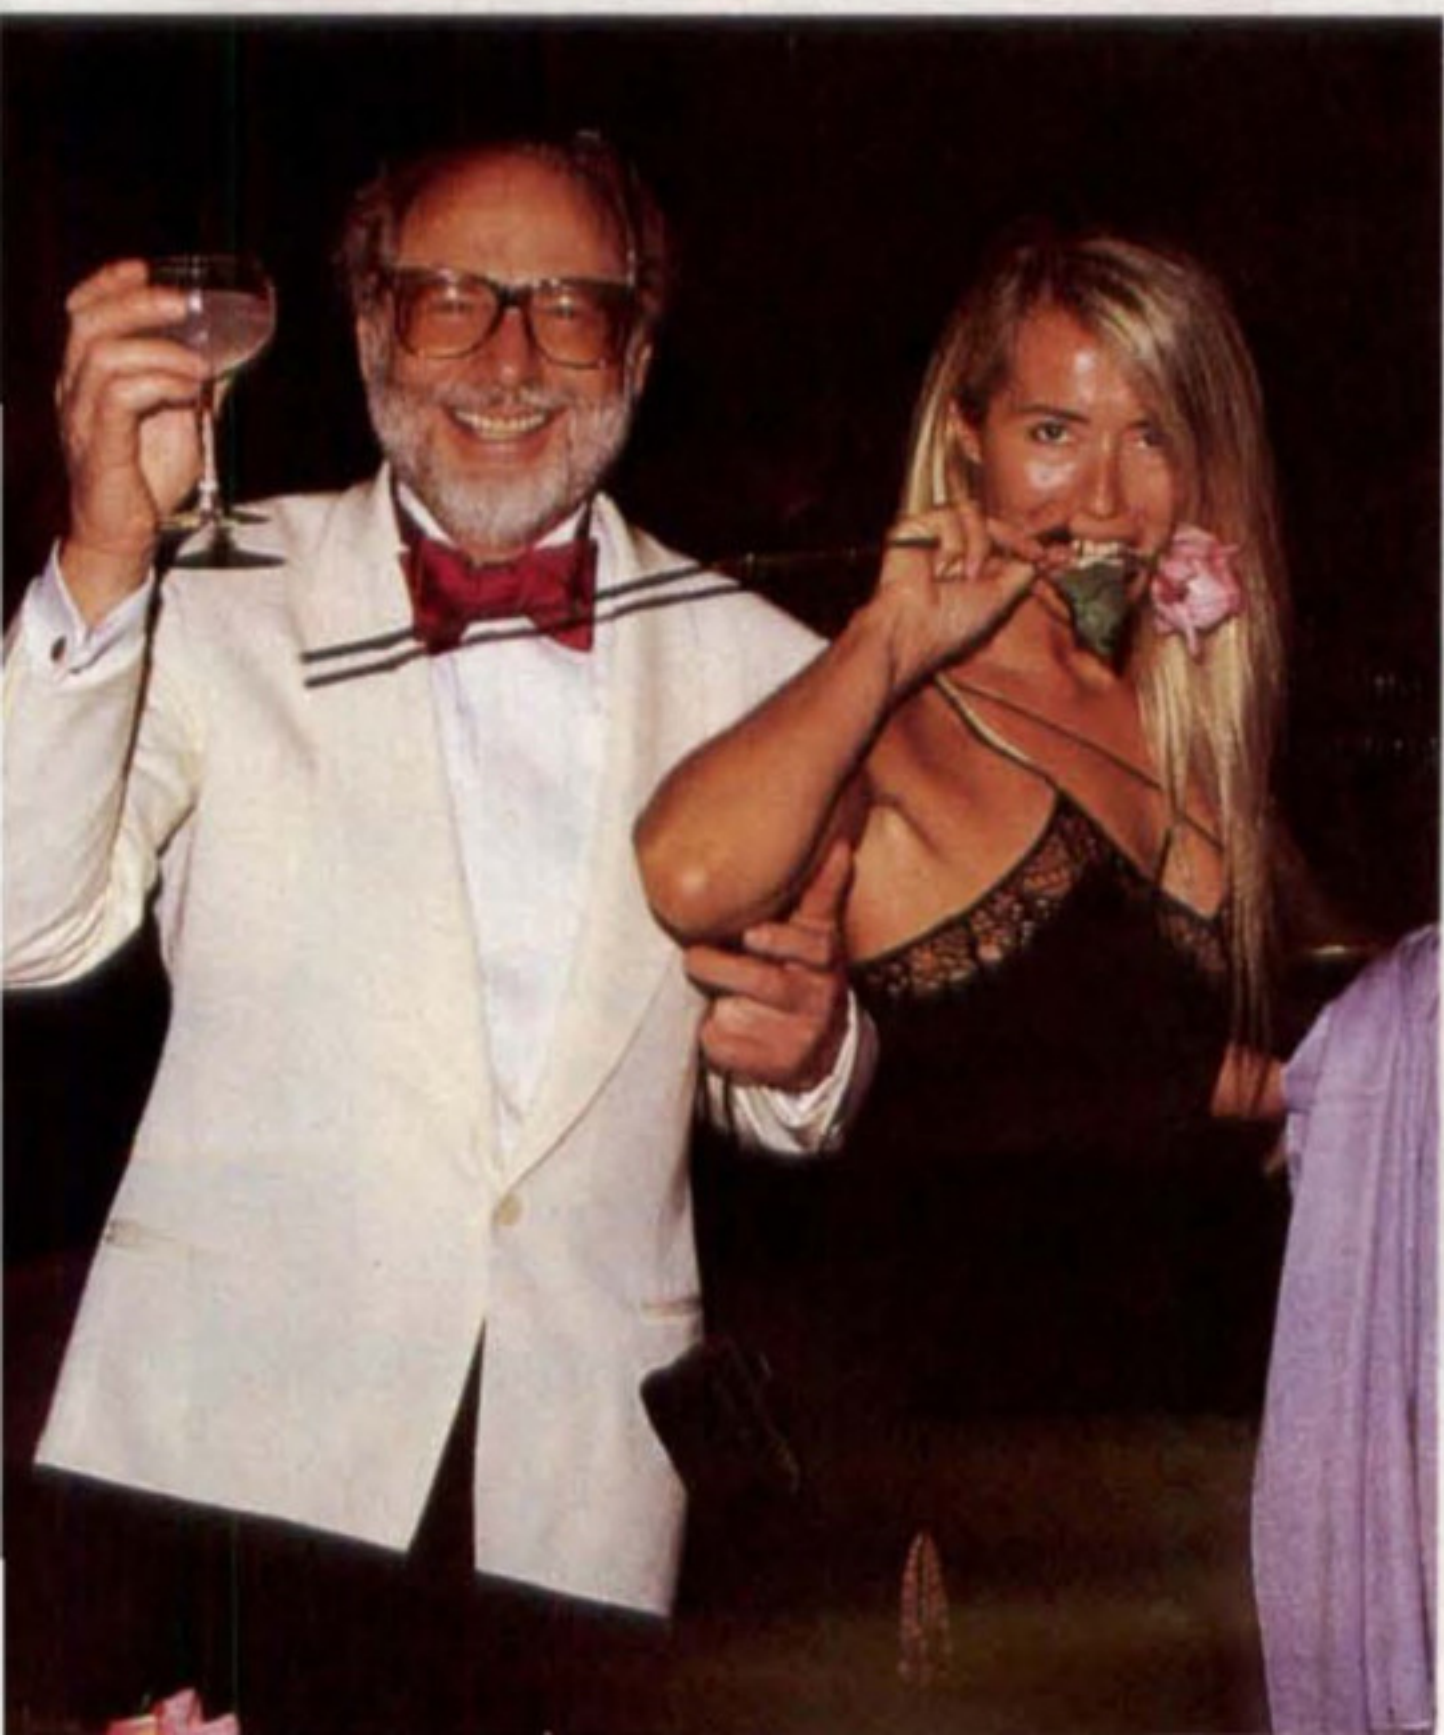

Carousers mistake the entertainment for a sushi bar.

Nothing says "Happy Anniversary" like whipped cream.

HUSTLER'S BUSTY BEAUTIES Editor Morgen Hagen and busty Whitney West join a butterfly in congratulating Mr. Flynt.

Dear Slut

ungodly, limitless proportions. If you love the woman that you're with and want to be with her forever, I'm sure you will find a way around your uncomfortable situation. To make your package less obvious, I suggest you try bikini briefs and baggy pants. Baggy pants are in style these days, so you're in luck. If you wear boxer shorts, your shit's gonna swing; that's just the way it is.

When I'm on the road as a featured dancer, I often hear men whine and complain that their dicks aren't big enough. These guys are convinced that chicks just love massive cocks. I often tell them that having a dick that's too huge to fit is a bigger problem. Just because a guy has a really big cock doesn't automatically make him a great lover. Many men with huge dicks—and I don't mean to say that you think this way—but a lot of well-endowed men depend upon the size of their dicks to do the job and forget that there's much more to the show. Let this be a lesson to all the men out there who have small dicks. Bigger is not better.

HOW TO BAG A BABE?

My boyfriend and I read HUSTLER regularly, and your column is our favorite feature. I think you are really neat, and pretty too. Your advice is great and always interesting. We are extremely open-minded and have fun acting out our fantasies. I have never been as comfortable with anyone else as I am with my boyfriend. I'm not embarrassed to tell him anything. You know you are over the jitters when your boyfriend is in the shower and you can come in and take a dump. My man's favorite fantasy is watching two women together, and I'd love to make that fantasy happen for him someday. I would need to find a willing partner whom I could trust. I am turned on by other women, but the closest encounter I've ever experienced was a lap dance at the local boob bar. My boyfriend and I go at least once a month, eat some food and share a beer. I'd really like to bag a babe for my ol' man, but I just don't know how.

—D. P.
via Internet

You're heading in the right direction. The safest thing you can do is ingratiate yourself with the dancers at your local titty venue. Find your favorite dancer and introduce yourself. As illegal as this may sound, if you offer to "make it worth her while" in a discreet manner, she might meet you later on for some no-strings-attached fun. Of course, no club

will allow dancers to leave between shows; so be aware that your liaison will have to take place on her off time. Part of the allure and excitement of a threesome is the hunt. So happy hunting, and wrap it up—safe sex is a must—and let me know how it goes.

WANNA BE YOUR DOG

I would love to be dominated by a porn goddess, but I have no money. There are other ways I think I could be useful. I could clean house or bathe a porn goddess. If she wishes, she could make me her dog, and I would follow her around like a puppy. To service a porn queen would complete my mission in life. Until I find my perfect porn beauty, could you tell me how I might have powerful sex with a willing woman?

—R. M.
Sioux Falls, South Dakota

I myself have met men of all shapes and sizes who want nothing more than to clean my bathroom with a toothbrush, help me move, and beg me to smack them in front of the mirrored closet doors so they could witness their humiliation. This is always fun. I know firsthand that it is a tough, scary world out there for singles. It's hard to find a part-

ner. I suggest you find an inexpensive hobby and introduce yourself to a woman with the same hobby. The grocery store is a great place to meet ladies. Find the one looking for the biggest cucumber and ask if she'd mind spanking you on the behind with it. That would be a guaranteed icebreaker, but she might clobber you over the head. As for your desire to be with a porn goddess, I say this: No money, no honey. You can have sex with just about any famous porn star at the Moonlight Bunnyranch in Nevada, but it'll cost ya. I'm even considering signing on for a stint. Most porn goddesses have ads in the sex rags with their Moonlight Bunnyranch schedules. Sunset Thomas has done it. So have Teri Wiegler and Alicia Rio. Remember, porn-goddess flings cost big bucks; so save your pennies. Nobody rides for free.

WIDOW'S PIECE

PHOTOGRAPHY BY CLIVE McLEAN

Linsay greets the news of her husband's death with shock, mostly because she hadn't been married.

"With heartfelt condolences, ma'am," Tristen solemnly intones, extending a fruit basket intended for the grieving family next door.

"There must be some mist—" Eyeing the hard-bodied deliveryman, Linsay catches herself mid-sentence. Bemoaning the loss of her fictional spouse, Linsay leads Tristen to the bedroom. She unwraps his package and savors its sweet contents.

"You're taking your loss surprisingly well," Tristen groans, driving his groin gourd deep into Linsay's mourning womb.

"I'm in the acceptance stage," Linsay grunts, "so give me everything you've got."

FEEDBACK

(continued from page 13)

sound like a nice guy who wants to spare his wife unnecessary grief. Keep in mind that most women are obsessed about their weight. What they don't seem to understand is that men, by and large, couldn't care less—as long as we're gettin' some. Rest assured that it is not in the interest of *HUSTLER* to make fun of our readers, or their wives or girlfriends. We have a wonderful research woman who asks the *Beaver Hunt* contestants how they want their names to appear, where they live, etc. That's what the model release/entry form is for. On that form, we ask what the lady does for a living, what her hobbies are, and what sexual fantasies she might have. That stuff is real. If you believe your wife is hot, by all means, send in some pictures and prove it. If the pictures follow the aforementioned steps 1, 2 and 3, and there's room in the magazine (remember, we receive many submissions from around the world every month), your wife will join the *Beaver Hunt* elite.

Midwest Fetish Fiends

In the August 1999 issue of *HUSTLER*, you ran an article entitled *Illegal Porn*. I found this article to be very interesting, as it covered most of the fetishes that I am into and like. My wife and I are avid video renters, but we cannot find this type of fetish porn on our local video-store shelves. My wife would also like for me to act out these scenes with her, but she wants to see them on video first so we can see what is actually physically possible. Our burning interests include: fisting and using foreign objects (the bigger the better) for pussy and anal penetration, vaginal and anal examinations with plastic speculums, douching, enemas, tampons, menstruation, female ejaculation (squirters), pissing and shitting (scatology). Any information you may have regarding fetish porn would be greatly appreciated.

Bob Barr: High Yellow?

First, I would like to congratulate you on your recent successes in the courts and in the media. We here in the State of Georgia appreciate Mr. Flynt's devotion to the truth and his quest to stop the hypocrisy of

our political leaders that runs unchecked. My friends and I wonder what possibly motivates our own Representative Bob Barr. We are people of color. Many of us have had, and still have, some relatives who have tried to pass as white men and women in order to reap the benefits and privileges American society offers to those who are nonblack. Based on his erratic behavior, which is similar to that exhibited by our own family members, we have come to the conclusion that Mr. Barr is "passing." Would you, Mr. Flynt, like to investigate his family tree and quench our thirst for the answer? If so, we would truly appreciate it. Thank you for your time and, most importantly, your ability to

uncover the truth.

—Your Friends and Customers of Color

Does Bob Barr have something to hide, besides the fact that the antiabortionist aborted one of his own? Only his mammy knows for sure.

HOT LETTERS

CANDY CANE

I just had the greatest sexual experience of my life—and I did it all by myself! I felt so proud that I grabbed my computer and started writing this letter while still spread-eagled, nude and sweaty on the bed. Other women who read *HUSTLER* will want to pay close attention to my seasonally sensual discovery.

A young black boy knocked at my door this morning. He was selling candy canes for charity. Despite the fact that I detest sweets, I do have a taste for chocolate; so I talked up the teenage stud for nearly an hour, doing my best to lure him into the bedroom. All my efforts failed. I couldn't believe that my 22-year-old ass, firm breasts and long, blond hair had failed to snag a buck for the very first time. Then my eyes managed to leave his groin and travel all the way up to his T-shirt, which read, GAAYO: THE GAY AFRICAN-AMERICAN YOUTH ORGANIZATION. Boy, did I feel like a dumb, white-trash cunt! I threw my clothes back on and tried to figure out what to do with five boxes of tooth-rotting candy canes.

That's when a strange thought occurred to me: I wondered if the dusky dick-smoker had shoved the sugary treats up his ass. A preliminary sniff didn't turn up any evidence. None of the cellophane showed telltale brown. I unwrapped a single cane and took a lick. It didn't taste like the inside of a black man's rectum...and I ought to know. Somewhat disappointed, I tossed aside the candies and broke out my favorite black dildo. At

least I could have that turd burglar's ebony sword poking the deepest, wettest recesses of my imagination.

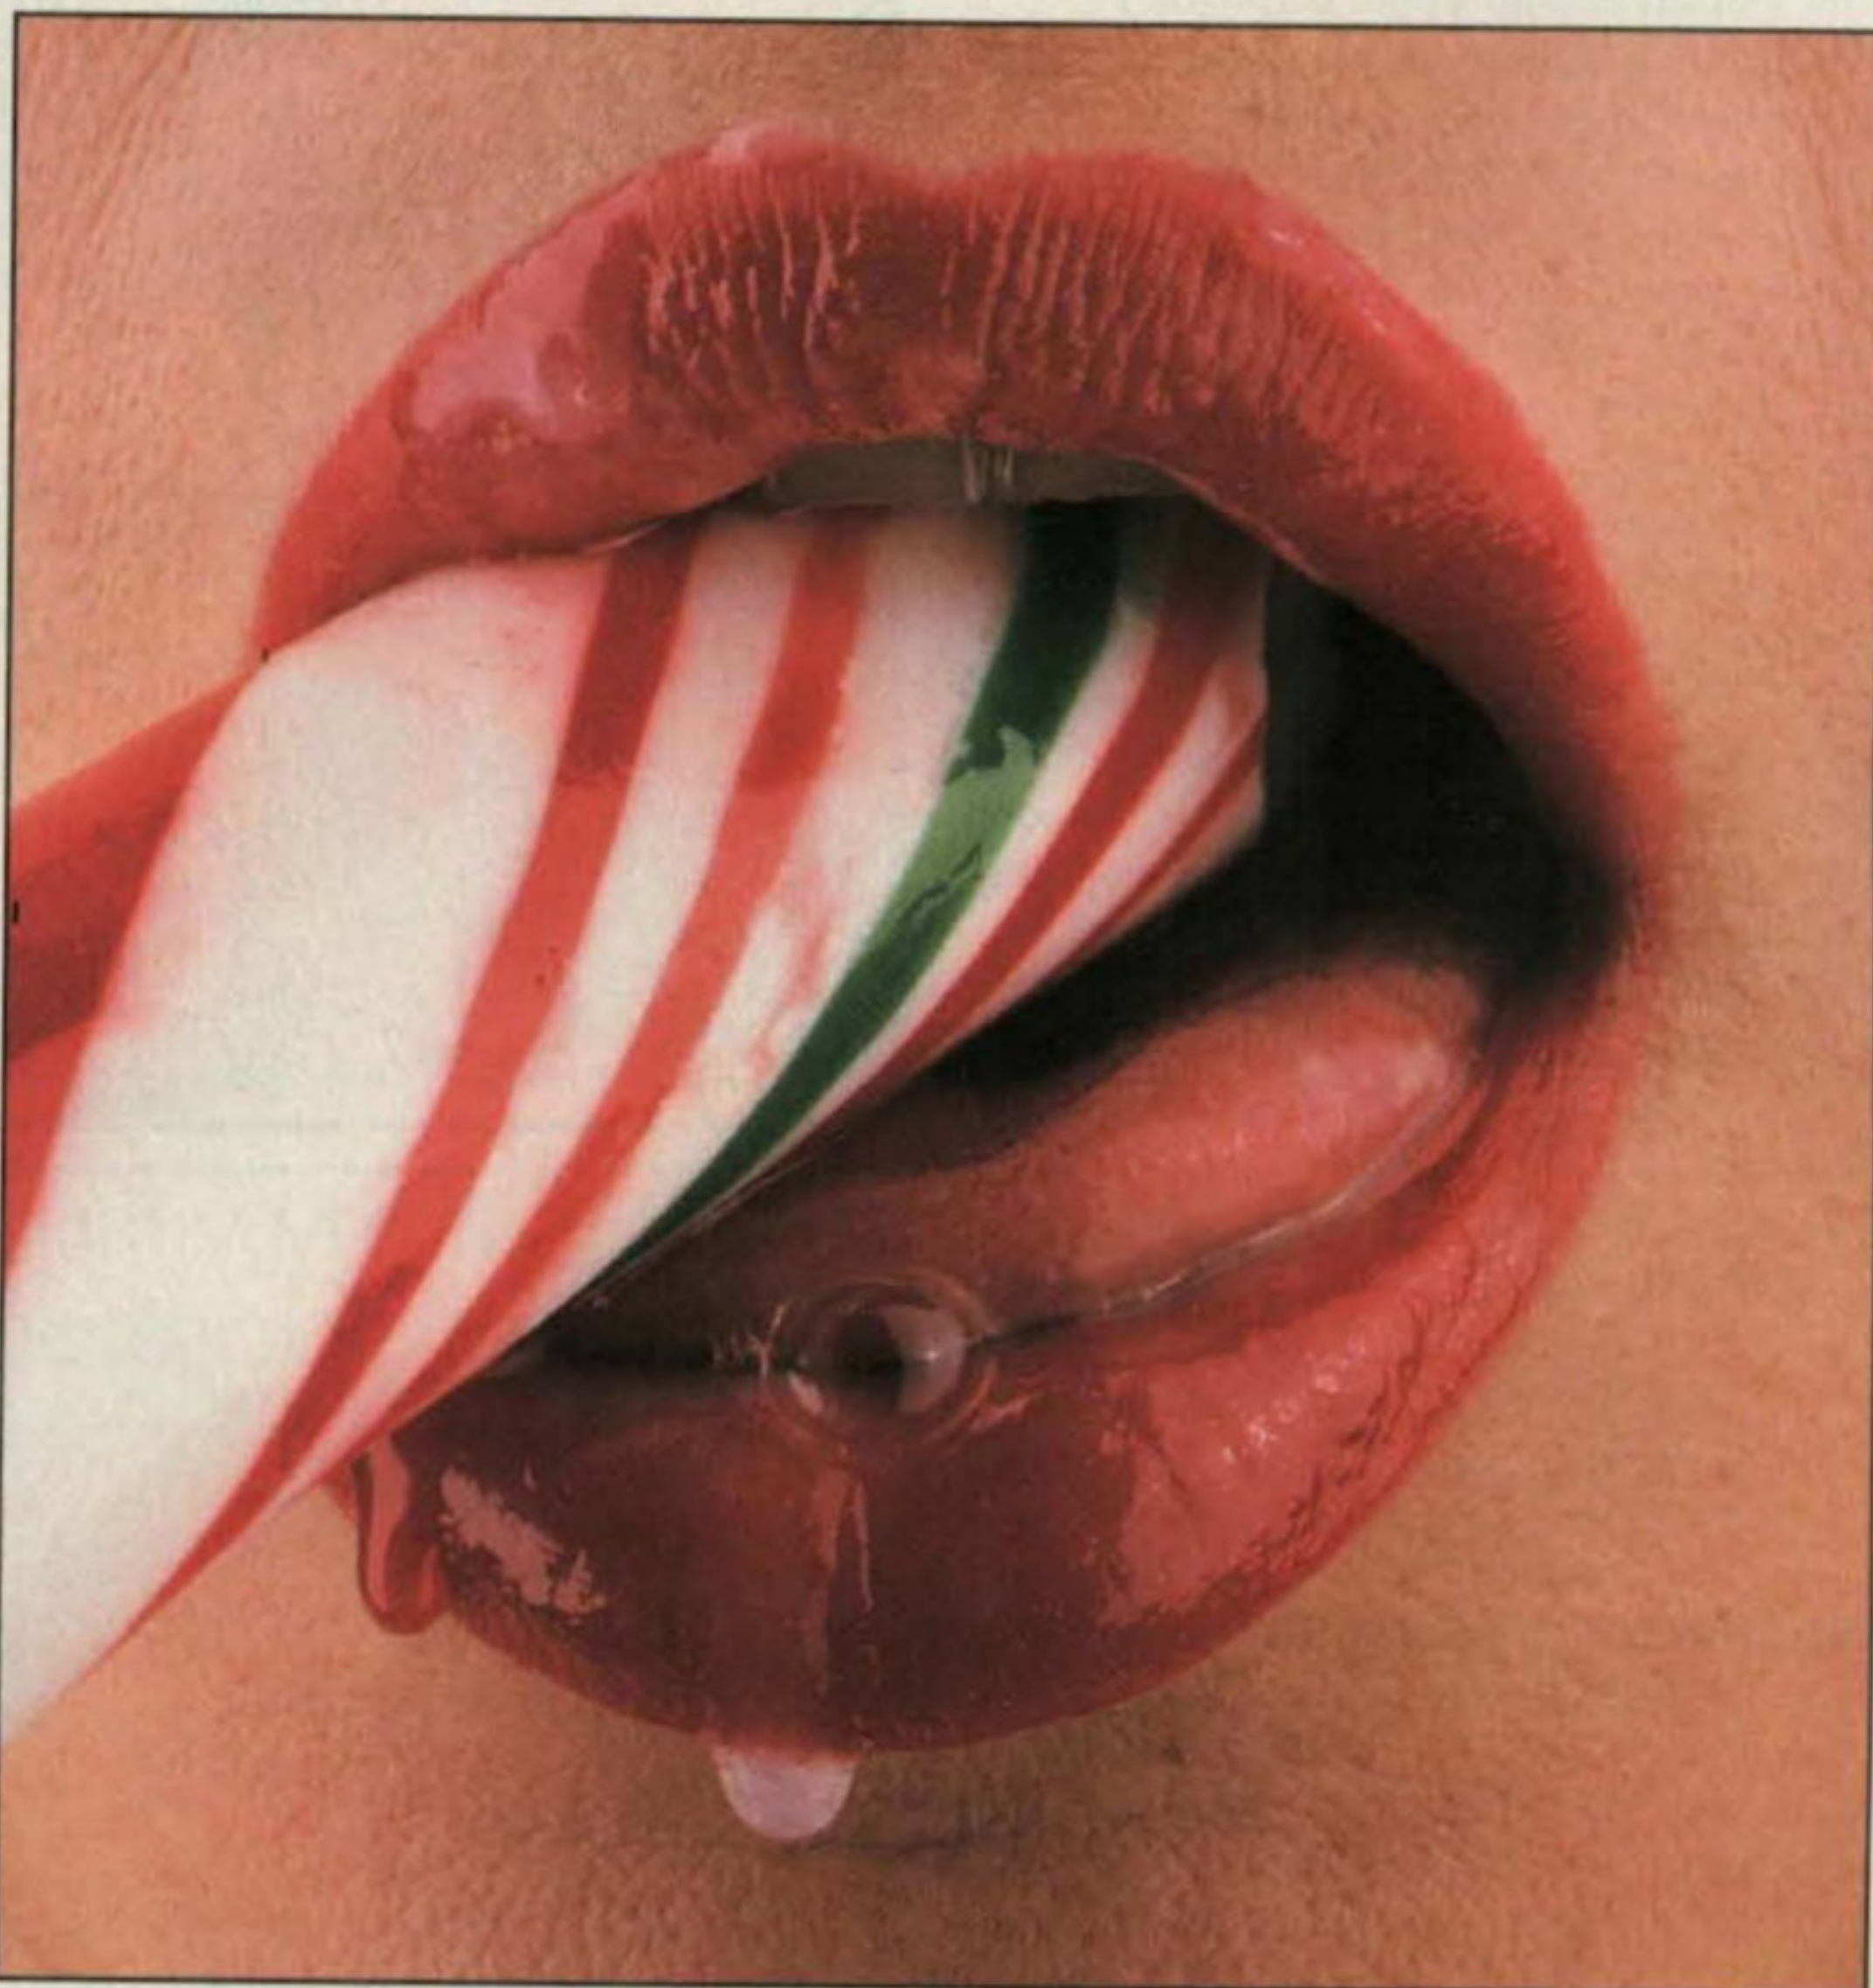

I kicked back on the bed, wearing nothing but my white bra and a pair of black heels. The shoes make me feel sexy, and they're good for kicking my dog off the bed. He was undoubtedly hiding in the closet; Junior doesn't like Negroes. I turned the dildo's speed control to the fastest setting and let the tip hum against my clit.

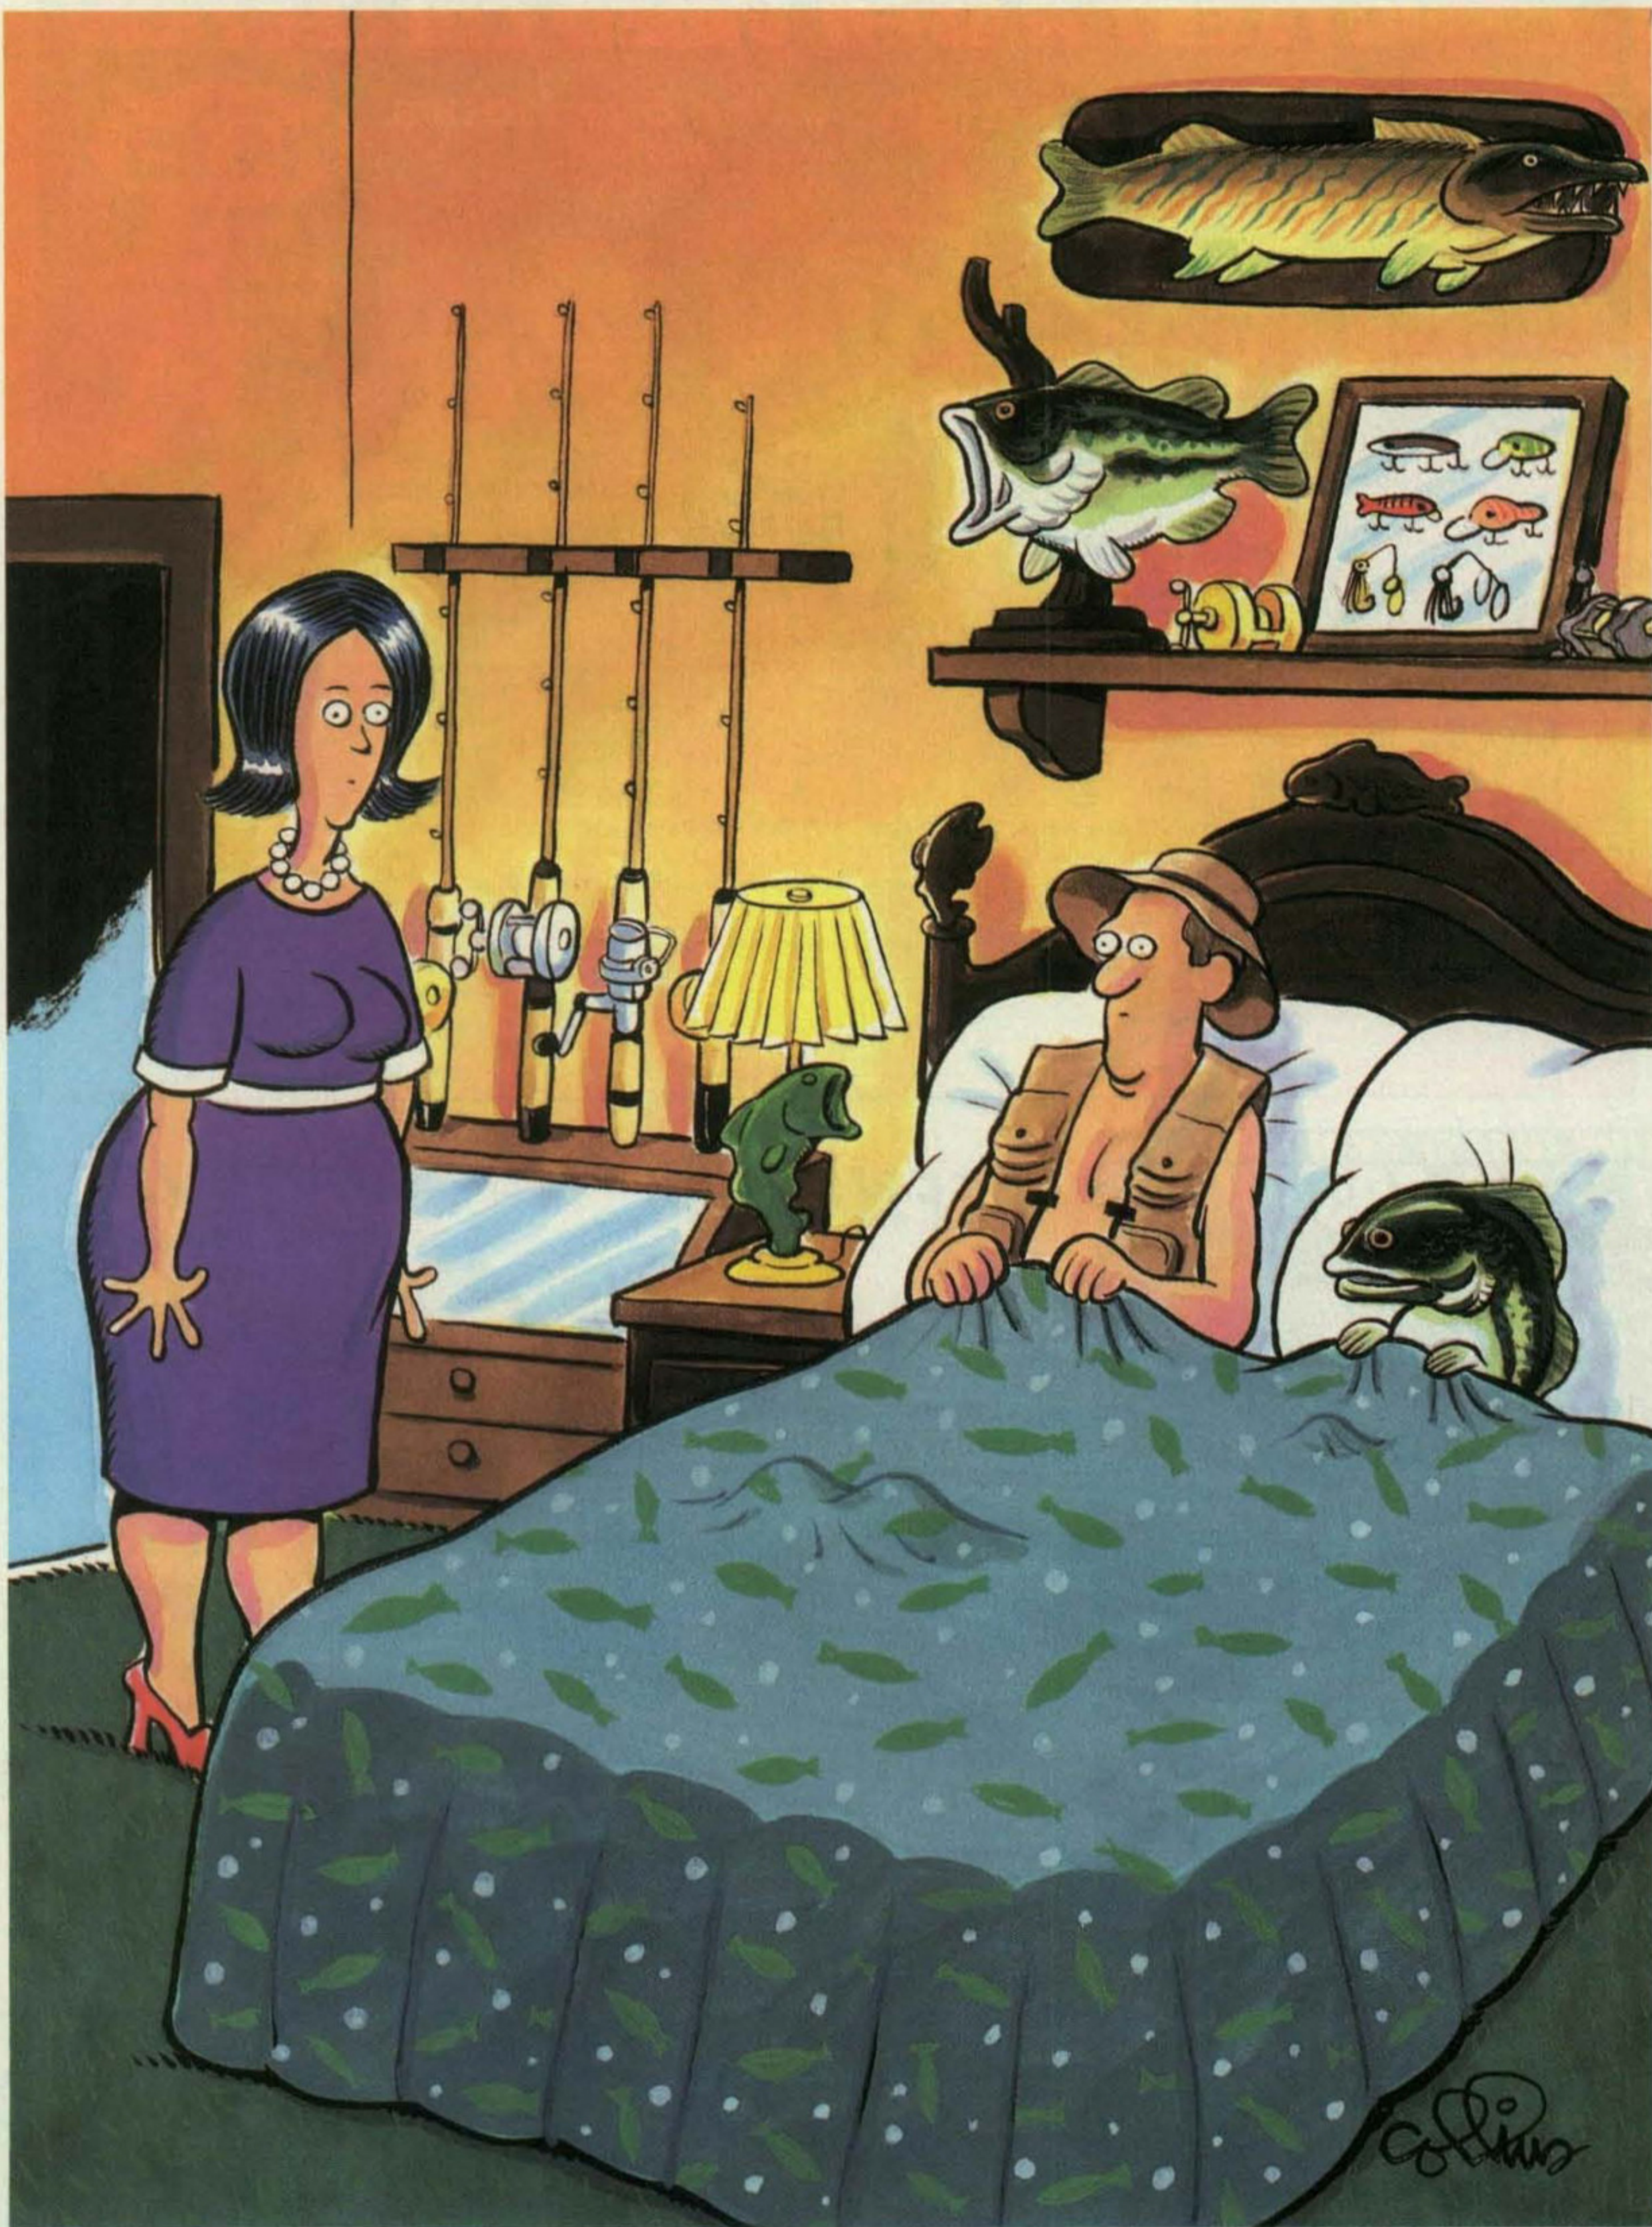

Something was missing. I enjoyed envisioning myself as the center of an all-black gang-bang, covered in jizz and bruises. My gash was dripping with excitement; yet I needed more stimulation. My eyes darted around the room;

should I watch a porn tape, or switch to *Montel*? I saw the lonely candy cane I had licked and left to dry. The shaft was still glistening with my spit. I reached for the sugar stick, rubbed the length against my moist love lips and felt my cunny gush.

Initially, I was a little concerned about the ramifications of sliding junk food in and out of my womb. I mean, I've tried cucumbers and sausages, but those were natural. What if the candy cane's red dye caused irritation? I twirled the hooked end around my love button; the curves hung perfectly against my nubbin, causing a twitch of climax. After a deep breath to prolong the orgasm, I stabbed myself with the tip.

EDITED BY TIM KENNEALLY

Trial by Copulation

FULLY ERECT

Directed by James Avalon;
starring Syren, Gwen Summers, Phyllisha Anne,
Tina Thomas, Dee, Inari Vachs, Katie Gold, Azlea Antistia,
Temptress, Herschel Savage, Mark Davis,
Ian Daniels, Anthony Crane, Chris Cannon and Rob.
Videocassette: Metro/Cal Vista.

Trial by Copulation isn't terribly original; its storyline is lifted from the Franz Kafka novel *The Trial*. Writer/director James Avalon does, however, craft a compellingly eerie, dystopian fuck flick that chills all bones but one. Someone must have been telling lies about Mr. H. (Herschel Savage), because police twats Phyllisha Anne and Gwen Summers storm into his apartment and subdue him. The pair enforce an odd form of martial law, pounding their succulent asses on Savage's beef baton before issuing him a postcoital summons to appear in court. As Savage tries vainly to find out what he's done wrong, the film successfully gratifies viewer groins. Deckerd out in preteen ribbons and frills, Katie Gold and Inari Vachs taunt Savage with drool-laden sapphism. Dusky enchantress Dee accepts a pair of turgid crotch rockets in her gleaming nether regions. Finally, a queer bartender tips Savage off: He's the victim of a massive female conspiracy to subjugate men with vague, baseless accusations. *Whoa!* Suddenly, this fantastical tale rings all too real. At film's end, Savage is sentenced to death, but *Trial by Copulation's* salaciousness earns a winning verdict.

—Shane Andalou

TRIAL BY COPULATION: Summers and Anne give Savage head.

TRIAL BY COPULATION: Cannon nails Temptress.

TRIAL BY COPULATION: Syren, schlong.

Professor Hartley uncovers the basics.

School of Hard Cocks

Nina Hartley Coaches

Tomorrow's Woodsmen

The money. The glory. The endless supply of prick-ready cooze. To the typical jerkoff, becoming a professional screen stud is a career aspiration that ranks right up there with astronaut and President of the United States. Who among us hasn't watched some Neanderthal tear into a prime piece of ass on video and thought, *I could do that, if I only knew how to get into the business?*

Of course, in today's highly specialized job market, training is crucial. To that end, approximately 140 people are gathered in a Santa Monica, California, hotel conference room to attend How to Break Into Adult Video, hosted by XXX veteran Nina Hartley and sponsored by the Learning Annex, an adult-education entity that has also presented such seminars as Meditation Made Easy and Winning at Casino Gambling. For the sum of \$39 (\$34 for Annex members), the crowd of porn hopefuls has come to hear Hartley explain the ins and outs of making it in the jizz biz.

The class is, predictably, overwhelmingly male. (Approximate number of women in attendance: three. Approximate number of women in attendance you'd ever want to see in a porn video: zero.) Among the mostly middle-aged students, rat's-nest toupees and Jabba-like expanses of lard are prominent.

Hartley begins by wishing the assemblage "a happy journey," immediately imbuing the seminar with the same "I'm okay, you're okay" fuzziness that plagues her line of sex-instruction videos. For the next three hours, the middle-aged porn queen dispenses invaluable advice on cracking the porn market. Do your homework by watch-

ing a lot of pornography. Start out by making a few homegrown efforts, she counsels, so you can work through your own inhibitions (and objectively evaluate your carnal camera presence). And, above all, fuck from the heart.

"You can affect people's lives directly on the gut level. If sexuality is your message, this is your medium," Hartley waxes McLuhanian. For those who can rise to the challenge, Hartley points out, notoriety and a tidy \$200 per ejaculation can be yours.

But first, one must rise to the challenge. After warning the blue-screen aspirants of possible family alienation and unscrupulous business practices, Hartley snaps into drill-sergeant mode, rattling off a litany of job-related hazards, including trying to fuck "while someone has the lights shoved under your leg, burning the hair on your scrotum.

"Get ten of your best friends together in a circle, take off your clothes, and masturbate to erection and ejaculation within 20 minutes while they point and laugh at you," Hartley suggests. "If you can do that, you are just strange enough to be a porno stud."

A curious pupil raises his hand. "Do you think you should tell them before you do it?"

In the end, though, encouragement is the order of the evening, and the students depart with the assurance that "anyone in this room could be making a pornographic movie within two weeks." No matter what one's disposition, Professor Hartley promises them, "Everything has a market."

If there's a market for paunchy, over-the-hill mooks with ill-fitting rugs, the Class of '99 should do just fine.

Southern Comfort

THREE-QUARTERS
ERECT

Directed by Jerome Tanner;
starring Julie Meadows, Shasta, Inari Vachs,
Gina Ryder, Anastasia, Maya Divine,
Cheyne Collins, Nick East, Jack Hammer,
Brick Majors and Carter Ward.
Videocassette: Legend.

Southern Comfort offers a lap-stiffening example of an under-explored porn subgenre: the salami western. Julie Meadows must marry black-hatted stranger Nick East if she wishes to inherit the Southern Comfort resort ranch. Initially wary, the reluctant newlyweds discover by film's end that—*aww*—they actually love each other. What might have been yet another addition to the slag heap of couples-oriented tripe is salvaged by several scorching ruttings. Blond, young and svelte, Meadows exudes a bunny-faced adorability that's only enhanced by the insertion of East's fleshy carrot into her drool-slathered yap. *Southern Comfort's* supporting cast of raunch hands is equally engaging. Inari Vachs forces Brick Majors to chow on her snapper at gunpoint before the two engage in a gymnastic threesome with blond minx Anastasia. Bucking as if astride a mechanical bull, Gina Ryder flails wildly on Cheyne Collins's turgid wand. *Southern Comfort* goes down easy. —S.A.

Sky's Slumber Party 7

ONE-QUARTER
ERECT

Directed by Shane;
starring Inari Vachs, Cheyenne Silver,
McKayla Shore, Sky, Deja Blue,
Violet Love, Blair Segal and Tara.
Videocassette: Odyssey Group Video.

The title of this video may be *Sky's Slumber Party 7*, but its premise was pioneered by Shane, who helmed this effort in addition to "discovering" its title cunt. The premise: Assemble a bunch of jizz-biz sirens, put them in a schlong-free setting, and watch the wacky, gynocentric bonding

ensue. The problem: Does anyone really give a fuck about how these whores spend their time when not serving as sperm spit-toons? Led by peroxide-tressed, silicone-stuffed alpha slut Sky, the girls of *Sky's Slumber Party 7* engage in all manner of frolicsome carnality. They play pool-side pitch-and-catch with dildos. They glide down Slip 'n' Slides face-first into each other's crotches. Above all, they giggle incessantly and emit porpoiselike shrieks, coming across like sorority sisters at a school for profoundly retarded adults. In short, they annoy, negating any eroticism broached by their communal clam-slapping. *Sky's Slumber Party 7* puts hard-ons to sleep.

Rebecca Lord's Pure Sex

THREE-QUARTERS
ERECT

Directed by Francois Clousot and Rebecca Lord;
starring Rebecca Lord, Coralie, Suze,
Olivia Del Rio, Jessica Darlin, Tara Foster,
Dee, John Decker, Michael J. Coxx,
Vince Vouyer and Earl Slate.
Videocassette: Synthetic.

Given her blue-screen career, it's doubtful that anything about French tart Rebecca Lord remains pure. Nor is *Rebecca Lord's Pure Sex* the wall-to-wall bangathon that its title implies. Instead, the wiry Gallic ginch strolls the streets and quizzes passersby about their sexual habits, providing a thematic lead-in to several luckily steamy scenes. Fat-mammed redhead Suze's plain looks are belied by her bout with Vince Vouyer and Michael J. Coxx. Vouyer goes in through the out door as Suze stuffs her yap with Coxx's root, her appetite for choad unfettered by Vouyer's crap-hatch assault. Olive-skinned sexpot Olivia Del Rio gives manic lip service to John Decker's orbs before catching a fusillade of ball gunk in her black mane. Saucy Aussie Tara Foster is a worthy addition to the meow mix, pounding her snizz on Vouyer's hips as his lap hammer flails away in her soggy trench. *Rebecca Lord's Pure Sex* is impure in all the right ways. —S.A.

SOUTHERN COMFORT:
Meadows swings on a schwanz.

SKY'S SLUMBER PARTY 7: Violet's tongue sticks to frozen snapper.

PURE SEX: Decker dicks Del Rio.

EXTREME BRAZIL: Gringo spears South American snizz.

Extreme Brazil Volume 1

THREE-QUARTERS
ERECT

Directed by Rob Black and Tom Byron; starring Sharon Stoned, Olive Oynk, Mary Cone, Hedna Hoor, Missy Joker, Suzy Sume, Bertha Bugg, Irene Cooze, Smokey, Zira, Bigass, Lizzie Borden, Jasmin St. Claire, Luciano, Earl Slate, Van Damage, Tom Byron and Rob Black. Videocassette: Extreme Associates.

"We're missionaries," claims Extreme Associates honcho Rob Black midway through *Extreme Brazil Volume 1*. "We're providing fuckin' money and prosperity to the Brazilian people." Actually, Black and his cohorts are more like camcorder-wielding Vikings, plundering Brazil's resources of native cooze with brutal force. Not that the marauded gaggle of rain-forest scrunt are complaining; for one, they can't speak English. Secondly, they give as good as they get, seething with feral intensity as the itinerant woodsmen tear into their exotic quims and turd hatches. The language barrier actually provides some of *Extreme Brazil's* more winning moments. The uncomprehending look on one savage cunt's face as Luciano barks, "Get on this dick, you whore!" is priceless, as is the pre-pop-shot moment when she points to her tongue and pleads, "Aqui!" *Extreme Brazil 1* is a winner in any language. —S.A.

Sugardaddy 19

HALF
ERECT

Directed by Dave Cummings; starring Lauryl Canyon, BJ Lixx, Maren Beautte, Sammy Wood, Gidget Smiles, Brooke Hunter, Kitty Rayne, Dick Nasty, Don Hollywood and Dave Cummings.

Videocassette: Dave Cummings Productions.

Dave Cummings: American hero or sideshow curiosity? Damn near 60 years old, Cummings has chosen to ride out his golden years as a professional swordsman, slamming his aged groin sword into girls young enough to be his granddaughters. One could rightfully maintain that Cummings shouldn't allow advancing age to keep him from getting his wrinkle-etched groove on. One could also argue that Cummings has no right to inflict his geezerly ruttings on the public. To Cummings's credit, *Sugardaddy 19's* menagerie of vixens is eye-pleasing. Just-past-jailbait coquettes BJ Lixx and Sammy Wood are a delight to watch as they pound their apple-cheeked faces on Cummings's tumescent staff. It's when the angle widens to reveal the shiny-pated Cummings hovering over them, covered with white body hair like a priapic yeti, that the horror ensues. Creepy like a drunken uncle's roving hug, *Sugardaddy 19* should consider retirement. —S.A.

SUGARDADDY 19: Future AARP spokesman Cummings with Wood.

Little Bit o' Sole

Footjob Videos Gain
a Toehold on the Market

Some jerkoffs prefer to beat around the bush, while others would rather dive in feetfirst. For the latter category of onanist, the current XXX market abounds with video options.

Foot fetishism is currently among the most popular sexual aberrations among the porn-buying public, going toe-to-toe with bondage videos on the sales charts. Amid the flood of foot-tease and foot-worship fare, a more hard-core adjunct is emerging: the footjob tape.

Recently issued efforts such as Fit to Be Tied Productions' *Tootsies & the Foot Job* and FM Concepts Inc.'s *FJ* series capture the fancy footwork of numerous lovelies as they deftly work turgid wands to climax with their arches, toes and soles. While director Mark Archer's *Barefoot Confidential* series combines pedcentric carnality with more conventional sex acts, most of the offerings present the foot as the sole sexual focus.

"We get hundreds of letters from guys who say a female foot on his erection feels better than having it in her pussy," notes Michelle Alice Kelly, proprietor of Alice's Foot Videos. "Some men enjoy a woman's control of his penis during foot sex and are submissive. Others simply love the excitement of seeing a pretty woman's toes bringing him to an explosive conclusion."

Introduced to the joys of foot-fucking by an ex-boyfriend, Kelly has since issued ten hours' worth of arch-humping footage, along with tamer tease material (send \$1 and a signed statement that you're over 21 to MK, P.O. Box 954, Rockville, MD 20848 for a catalog). Kelly, who has put her own feet to use in her footjob videos, has been "amazed" by the public response to her product, despite the funguslike stigma that clings to the stinky fetish.

"Many [men] are ashamed of their preference for pretty female feet," the footjob maven laments. "Even I was taught as a little girl that my feet are dirty and smell bad."

Even more amazing, notes Kelly, is the variety of preferences within the footjob microniche. While romantic viewers prefer a gentle glide of the toes, some sadists in the foot crowd get their kicks from a good, swift kick to the shaft. In the end, Kelly figures that there's only one criterion by which to judge a successful footjob.

"I would say that a good footjob," she theorizes, "is one that results in a man squirting his cum on a lady's feet."

(*Tootsies & the Foot Job* can be ordered at www.sotight.com; contact FM Concepts Inc. at P.O. Box 780, North Hollywood, CA 91603.)

Sex Therapy

THREE-QUARTERS
ERECT

Directed by Pierre Woodman;
starring Veronica Stark, Diana,
Suzan Nielsen, My Lee, Mony, Justine,
Melanie, Agness Grimaldi, Magdalena,
Elvira, Cecile, Dino Toscani, Bob Terminator,
James Brossman, Philippe Soine, Mario,
Scoki, Roby, Karl Ben, Leslie Gipsy and Attila.
Videocassette: Private Gold.

Patients check into a psychiatric sex hospital seeking a cure for their sexual dysfunction in *Sex Therapy*. This dubbed German import depicts psychotic nymphos jerking back and forth and foaming at the mouth while the good doctor uses his probing bratwurst to realign their sexual abnormalities. One by one, gorgeous European psychobitches come clean with their depravity. A buxom blonde with cute bangs shares this dark secret with the group: She'll fuck anything that moves. We see her in action as four soccer jocks dispense with her boyfriend and fill the Aryan lass airtight with uncut schnitzel. The psychosexual liaisons are cut short when a psychopath masquerading as a patient murders the loony maidens one after another. Madness, mystery and murder ensue as a promising psycho-orgy descends into a kinky sexual thriller. As a result, *Sex Therapy* turns into a bloody mess.

Gettin' Wet: Ladies First

HALF
ERECT

Directed by Bud Lee;
starring Taylor Moore, Barrett Moore,
Anita Cannibal, Alexandra Silk, Ruby,
Tye and Lea.
Videocassette: Adam & Eve.

Jerry Hall lookalike Taylor Moore is engaged to be married. Her girlfriends fear that they will be left by the wayside after the big event. In *Gettin' Wet: Ladies First*, Moore devotes herself entirely to her lady friends for one last lesbian fling. Blond, tanned and naturally voluptuous, Moore is charming and likable.

More importantly, she's fuckable, and her snatch is pliable enough to accommodate Anita Cannibal's fist. Writhing and contorting, Moore gives back as much as she receives, bumping gash with Cannibal into the wee hours. By day, the rest of the girls come out of hiding. Together, they skinny-dip, jet-ski and dive from rocky, majestic cliffs. Back on the boat, the female divers land in equally breathtaking muffs. Two girls combine fists to plunge eight fingers into one stretched-to-capacity womb. "Is lesbian sex cheating on your man, or just getting more out of life?" Taylor ponders. Who cares? *Gettin' Wet: Ladies First* is good, dirty fun.

Mr. Marcus' Neighborhood #6

HALF
ERECT

Directed by Mr. Marcus;
starring Pebbles, Mariah, Chocolate, Ms. Jada,
Diana Devoe, Vanessa Dash and Mr. Marcus.
Videocassette: Vivid.

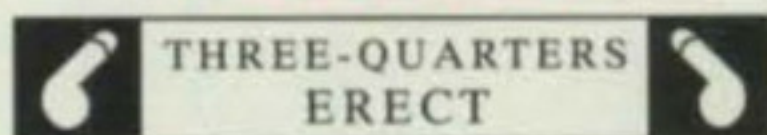

"The theme for '99 is: Don't player hate; participate," proclaims Mr. Marcus in *Mr. Marcus' Neighborhood #6*. Mr. Marcus proves that he's down with community issues by gettin' anal in the 'hood. In between ass-fucks, our host asserts his ego. "You ain't gonna see any dude but me in this muthafucka, just me; so deal with it, muthafuckas. Ya know what I'm sayin'?" Check out this bitch I fucked; she's tight." Chocolate is the aforementioned bitch, whose missing chunk of back meat is presumably the result of a disagreement with her pimp. Diana Devoe, however, is an exceptional black booty. The 20-year-old was apparently sent over by her boyfriend because she wanted Mr. Marcus to break in her dung-hole. Devoe takes to cornholing like a duck to water, jiggling her ass like a water buffalo in heat. Mr. Marcus promises to share even more conquests in the future. "If I see you, and I like you, I will fuck you," he threatens. Can you say *megalomaniac*? I knew you could.

—D. P.

SEX THERAPY: Diana receives cock treatment.

Sex Safari

Directed by Brad Armstrong; starring Stephanie Swift, Jill Kelly, Inari Vachs, Jessica Jewel, Mia Smiles, Sterling, Brad Armstrong, Mickey G., Randy Spears, Eric Price, Alec Metro, Chris Cannon, Evan Stone and Erik Everhard. Videocassette: Wicked Pictures.

Sex Safari chronicles Stephanie Swift's travels to the four corners of the globe in her search for the finest sexual specimens the world has to offer. The first leg of her journey takes place in Africa, where mankind began and where Tarzanian hair farmer Evan Stone ends up in her glistening snatch. Their Harlequin-pretty waterfall screw ends with Stone tugging his dork while Swift wriggles her gash across its tip, coaxing a dribble of manly fluid onto her perky mams. Next stop, Spain, where the heat of a bullfight sets the stage for animalistic love with a matador. Jill Kelly joins the pair, and the toreador enjoys the female charms of a brunette and a blonde at the same time. Kelly spreads Swift's ass, and the matador spears the brunette's rosebud. *Olé!* The costumed fantasies continue as Swift flits from one continent to another. Palace guards in England, pussy-licking geishas in Japan—Swift samples them all. *Sex Safari* is corny, but worth hunting down.

—D. P.

GETTIN' WET: Quim quintet enjoys a clitty-titty gang-bang.

MR. MARCUS' NEIGHBORHOOD #6: Ms. Jada and Vanessa Dash, tails from the 'hood.

SEX SAFARI: How many sluts does it take to screw a matador? Swift and Kelly do Armstrong.

TOTALLY LIMP

Directed by Jim Holliday; starring Jill Kelly, Shayla LaVeaux, Felecia, Sydnee Steele, Shelby Myne, Katie Gold, Coral Sands, Sindee Coxx, Solveigh, Randi Rage, Taylor Moore, Tina Thomas, Cheyenne Sexton, Wendy Daniels, Gemini, Renee LaRue, Randi Storm, Fiero, Tawny, Blondie Anderson, Deja Blue, Judy Moon, McKenna Blair, Shamiqwa, Tex Sexton, Michelle, Cassie, Herschel Savage, Mark Davis, Ian Daniels, Pat Myne, William Margold and Clay Hyde. Videocassette: VCA Platinum Plus.

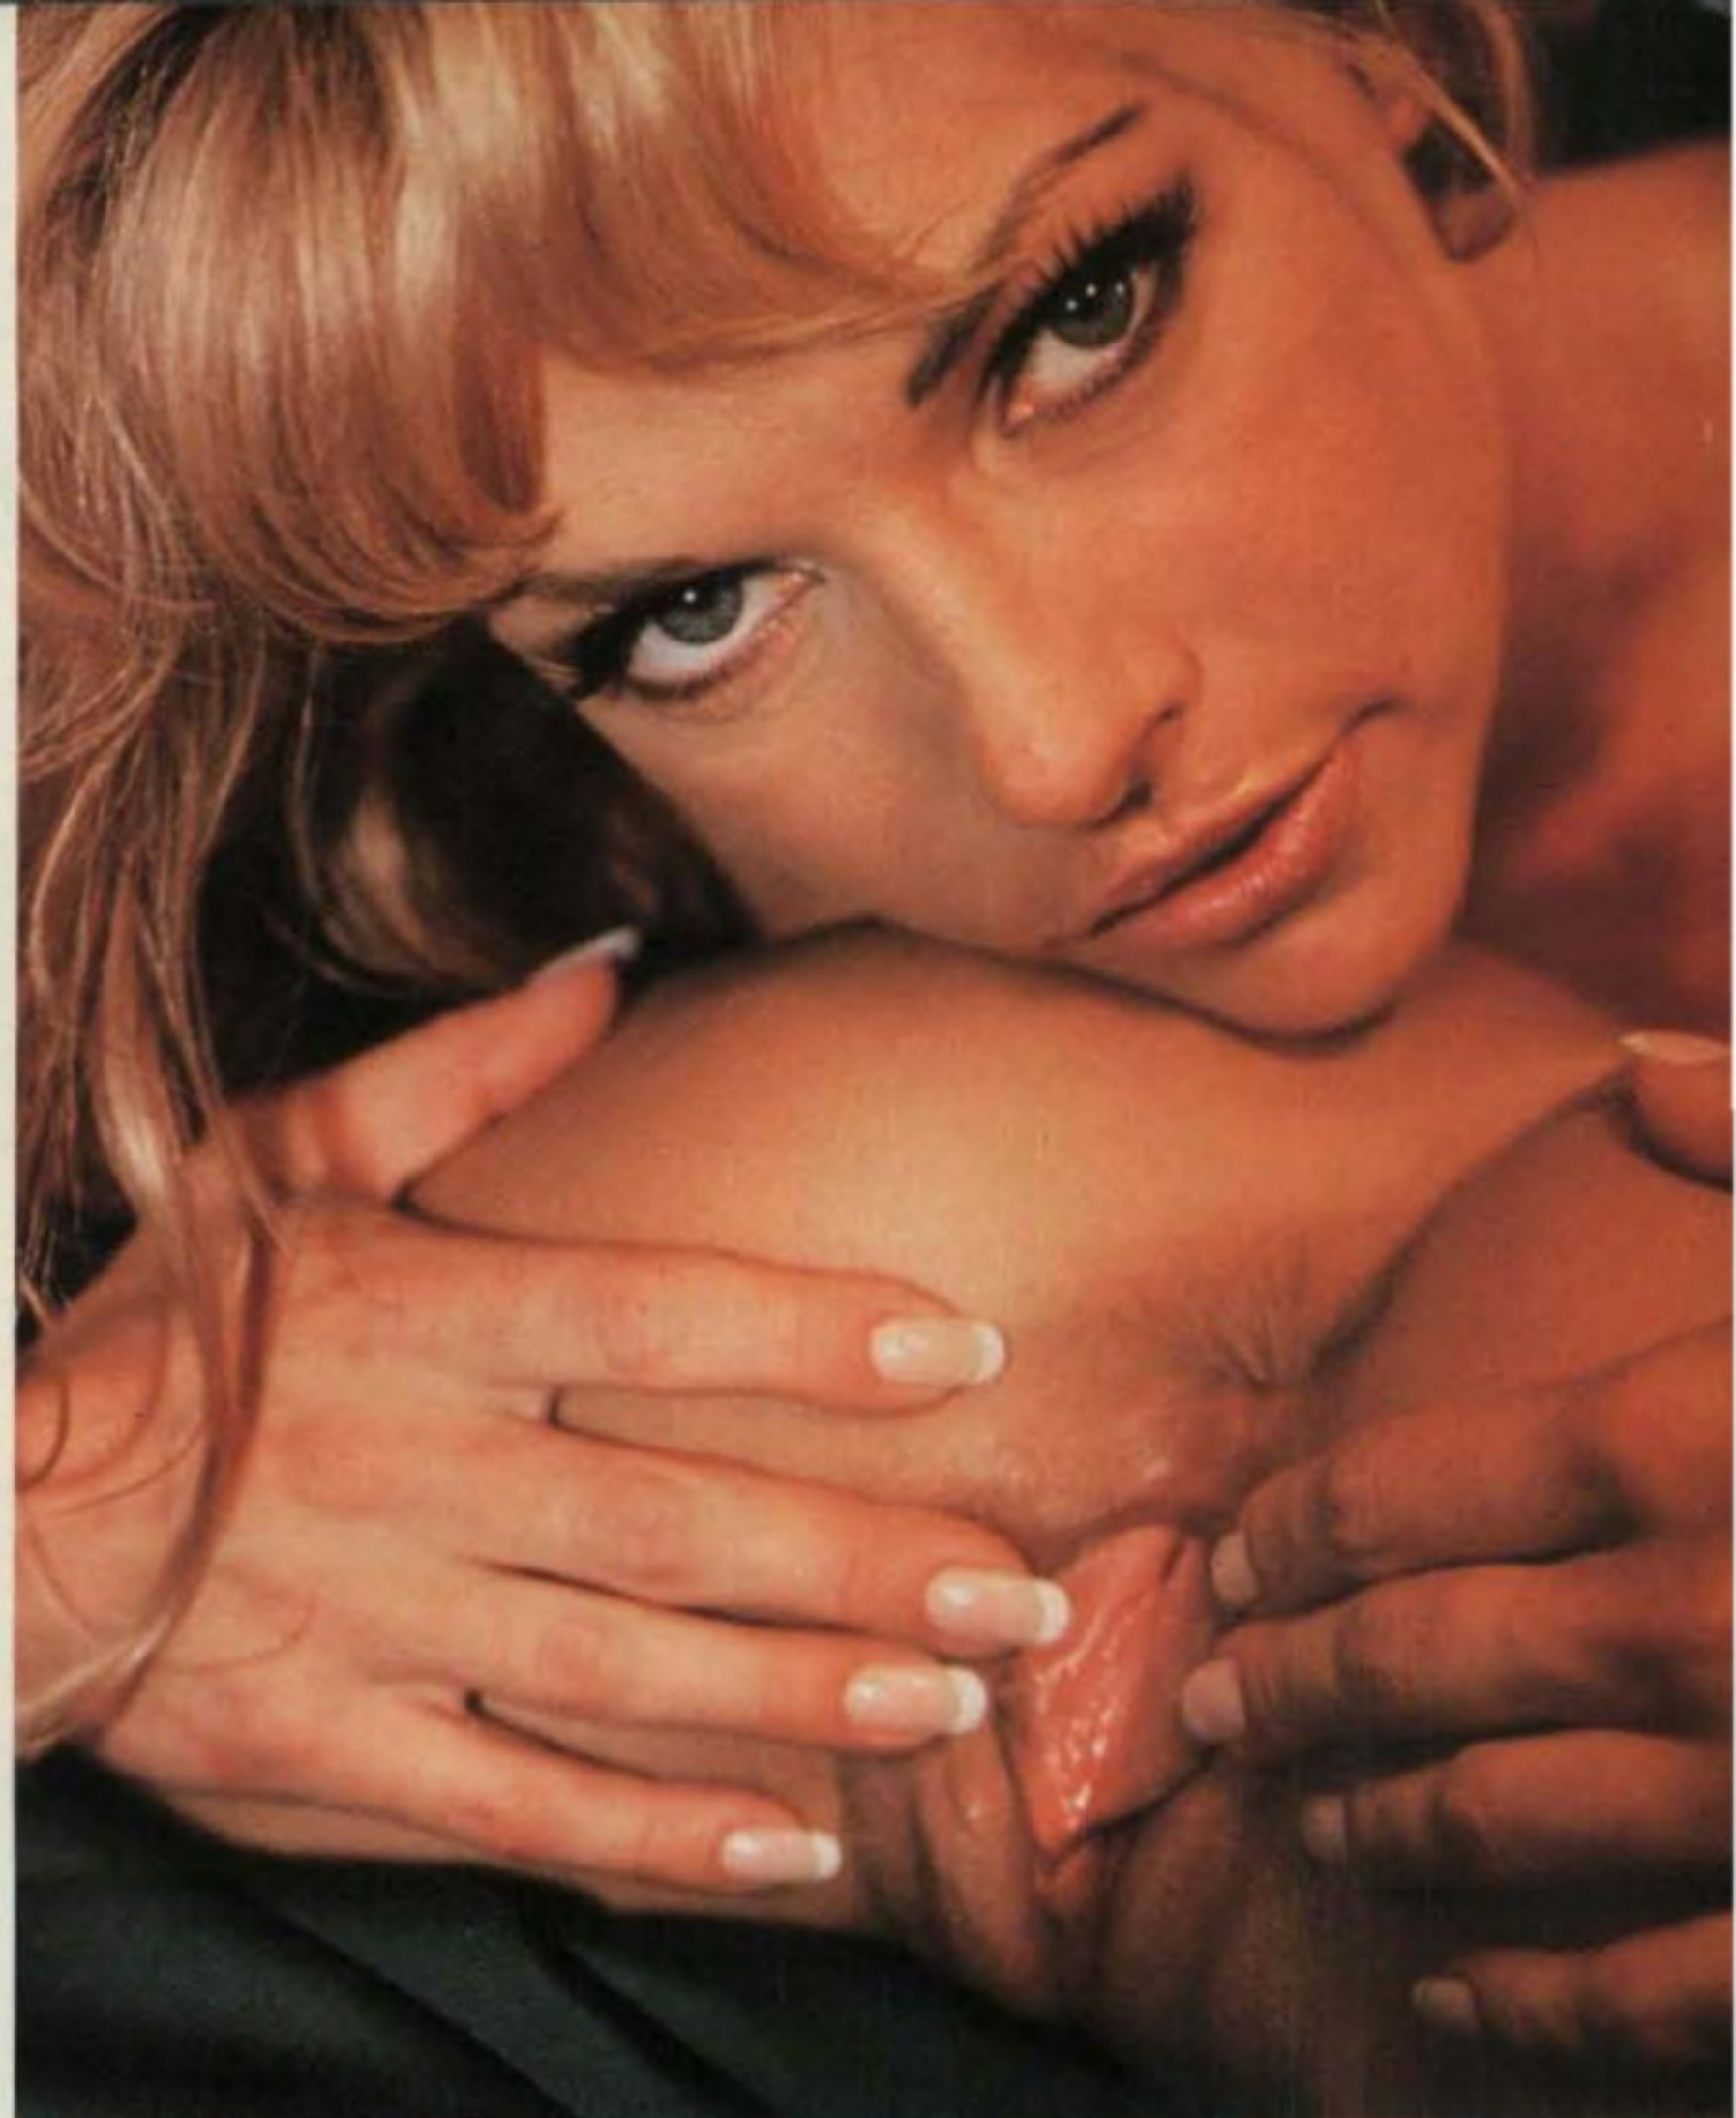

In *Eye Candy Refocused*, self-proclaimed porn historian Jim Holliday rallies the troops for a rock 'n' roll porn epic created to satisfy his own nostalgic wet dream. Cutesy gimmicks pollute scene after scene in Holliday's beach-blanket-bimbo, mid-'60s *fromage*. The Del Shannonesque yips of the theme song pierce eardrums. As if obnoxious retro-pop retreads weren't enough to scare away semierrections, Holliday forces the barrel of porn strippers to recite lines for his tedious plot, which approximates a community-theater improvisation of *Grease* performed by strippers in some dude's backyard. "Wacky" camera angles document a hay-haired silicone bimbo fellating a hot dog, while sweeping pans capture poolside, snaggle-toothed harlots bored out of their miniscule minds. How stupid is this video? Shelby Myne plays a chick called "Spellcheck," so named because she spells out the various forms of fornication in the middle of each act. "I love to suck your dick, S-U-C-K." *Eye Candy Refocused* b-l-o-w-s. —D. P.

who unite to pound their booty on stiff sir-loin. Twenty-four-year-old Alicia heads the pack. She's a girl-next-door type from Atlanta, Georgia, who confides that she entered the porn field for its educational rewards. "I want to learn everything that I can and use my new skills in my private life," she states. Alicia is paired with Cinnabunz, a scary, black street urchin with major curves and a dusky booty that will live on long after she's dead. A serious anal freak, Cinnabunz teaches Alicia's

ass its sought-after lesson, pouncing on her puckered bung like a starving tigress. A white boy happens along and enters the sopping gashfest. Alicia and Cinnabunz join together and offer love to his honkie schlong. He accepts their fealty and nobly returns it. Newcomer Sissy is a natural-blond beauty from Detroit. This wide-eyed charmer makes the rest of the cast look like last week's pastrami sandwich, revealing *Cumback Pussy 19*'s overall mediocrity. —D. P.

Hot Letters

(continued from page 30)

I turned the hook upside down. The candy pricked my shitter; I pulled it out, gave a quick suck for anal lubrication and reinserted both ends with a newfound fucking fervor.

"Ohhhh, yeah," I sighed, loving the way that the pencil-thin intruder tickled my insides. Quickly, I grabbed the buzzing dildo, adding a little electric stimulation to the cane's plunges. The two-pronged assault made my head spin. I withdrew the stocking stuffer, which had already dissolved into a pure, white rod; not my favorite color for a prong, but I wasn't complaining. I was sucking my own juices off the cane, savoring the flavor that faggot was too stupid to appreciate.

My new best friend returned to my womanly parts with a slight twist. I turned the hook upside down, allowing my snizz and bunghole to be violated at the same time. The candy pricked my shitter; I pulled it out, gave a quick suck for anal lubrication and reinserted both ends with a newfound fucking fervor.

"Yes," I caterwauled. "So fucking good...ass and pussy at the same time...." I came in a violent fit of spasms, thrashing upon the bed and screaming loud enough to evoke a howl from Junior.

I diddled myself a few more times, but finally had to rest; the candy cane had dissolved to almost nothing. Here I sit, my quim burning and sugar-coated. I'm glad I could share this warm holiday moment with HUSTLER. Now I'm going to take off my heels and find out if Junior likes sweets.

ELF LOVE

Wow—my gig as a department-store Santa fucking rocks! I never thought I'd be so glad that I put on 50 pounds this year! Without the accumulation of goopy, undulating fat around my midsection, I wouldn't have been approved by the management at Maltin's...and I wouldn't have so many hot moms asking to sit on my lap. It's like I'm being paid to receive lap dances. Some of the kids are pretty fine too. Just kidding! (Actually, I'm not, but Mr. Maltin is a HUSTLER reader.)

Last week, this gorgeous, thirtyish blonde was in line with her equally bodacious sister and a brat who could have belonged to either of them; I'm not sure. All I know is how lucky that little fucker was as an infant. Both of these ladies sported major-league melons. I was ready to throw on a diaper and beg for a feeding. Instead, I rushed through the other four demon seeds in line and sprouted a monstrous North Pole in my pants as the sisters approached.

"Ho, ho, ho," I choked, staring down the blonde's low-cut top for a clear view of her braless nipples. The boob meat was

pale and creamy, but the nerps were almost chocolate. I wondered if the spouts supplied her suckling with chocolate milk.

"Bring this good little boy to sit on Santa's lap." The younger of the slutty siblings muttered, "Not with that freakish growth in your crotch, Santa." Embarrassed, I shifted in my cheap velvet throne. No parents had ever called me on my tendency to provide the kids with a little extra holiday cheer. Luckily, the mammary-blessed sisters weren't looking to call the rent-a-cops; instead, they both hopped onto my lap at the same time.

"Santa, baby," the blonde exhaled into my ear. "That lump of coal is just for my stocking, right?" She pulled my head close to her swelling jugs. My spectacles steamed up. Her little sister slipped her hand down the back of my red pants and squeezed my left butt cheek. When the elf behind the camera finally snapped our picture, I was ready to squirt all over the Winter Wonderland display for a truly white Christmas.

Tragically, I didn't get the chance. The girls hopped off as quickly as they had arrived. They giggled and dragged their bawling toddler straight out the door. I could relate to that kid; the vile cunts neglected me too, and my cock wanted to cry salty, goopy tears. If only I could be the

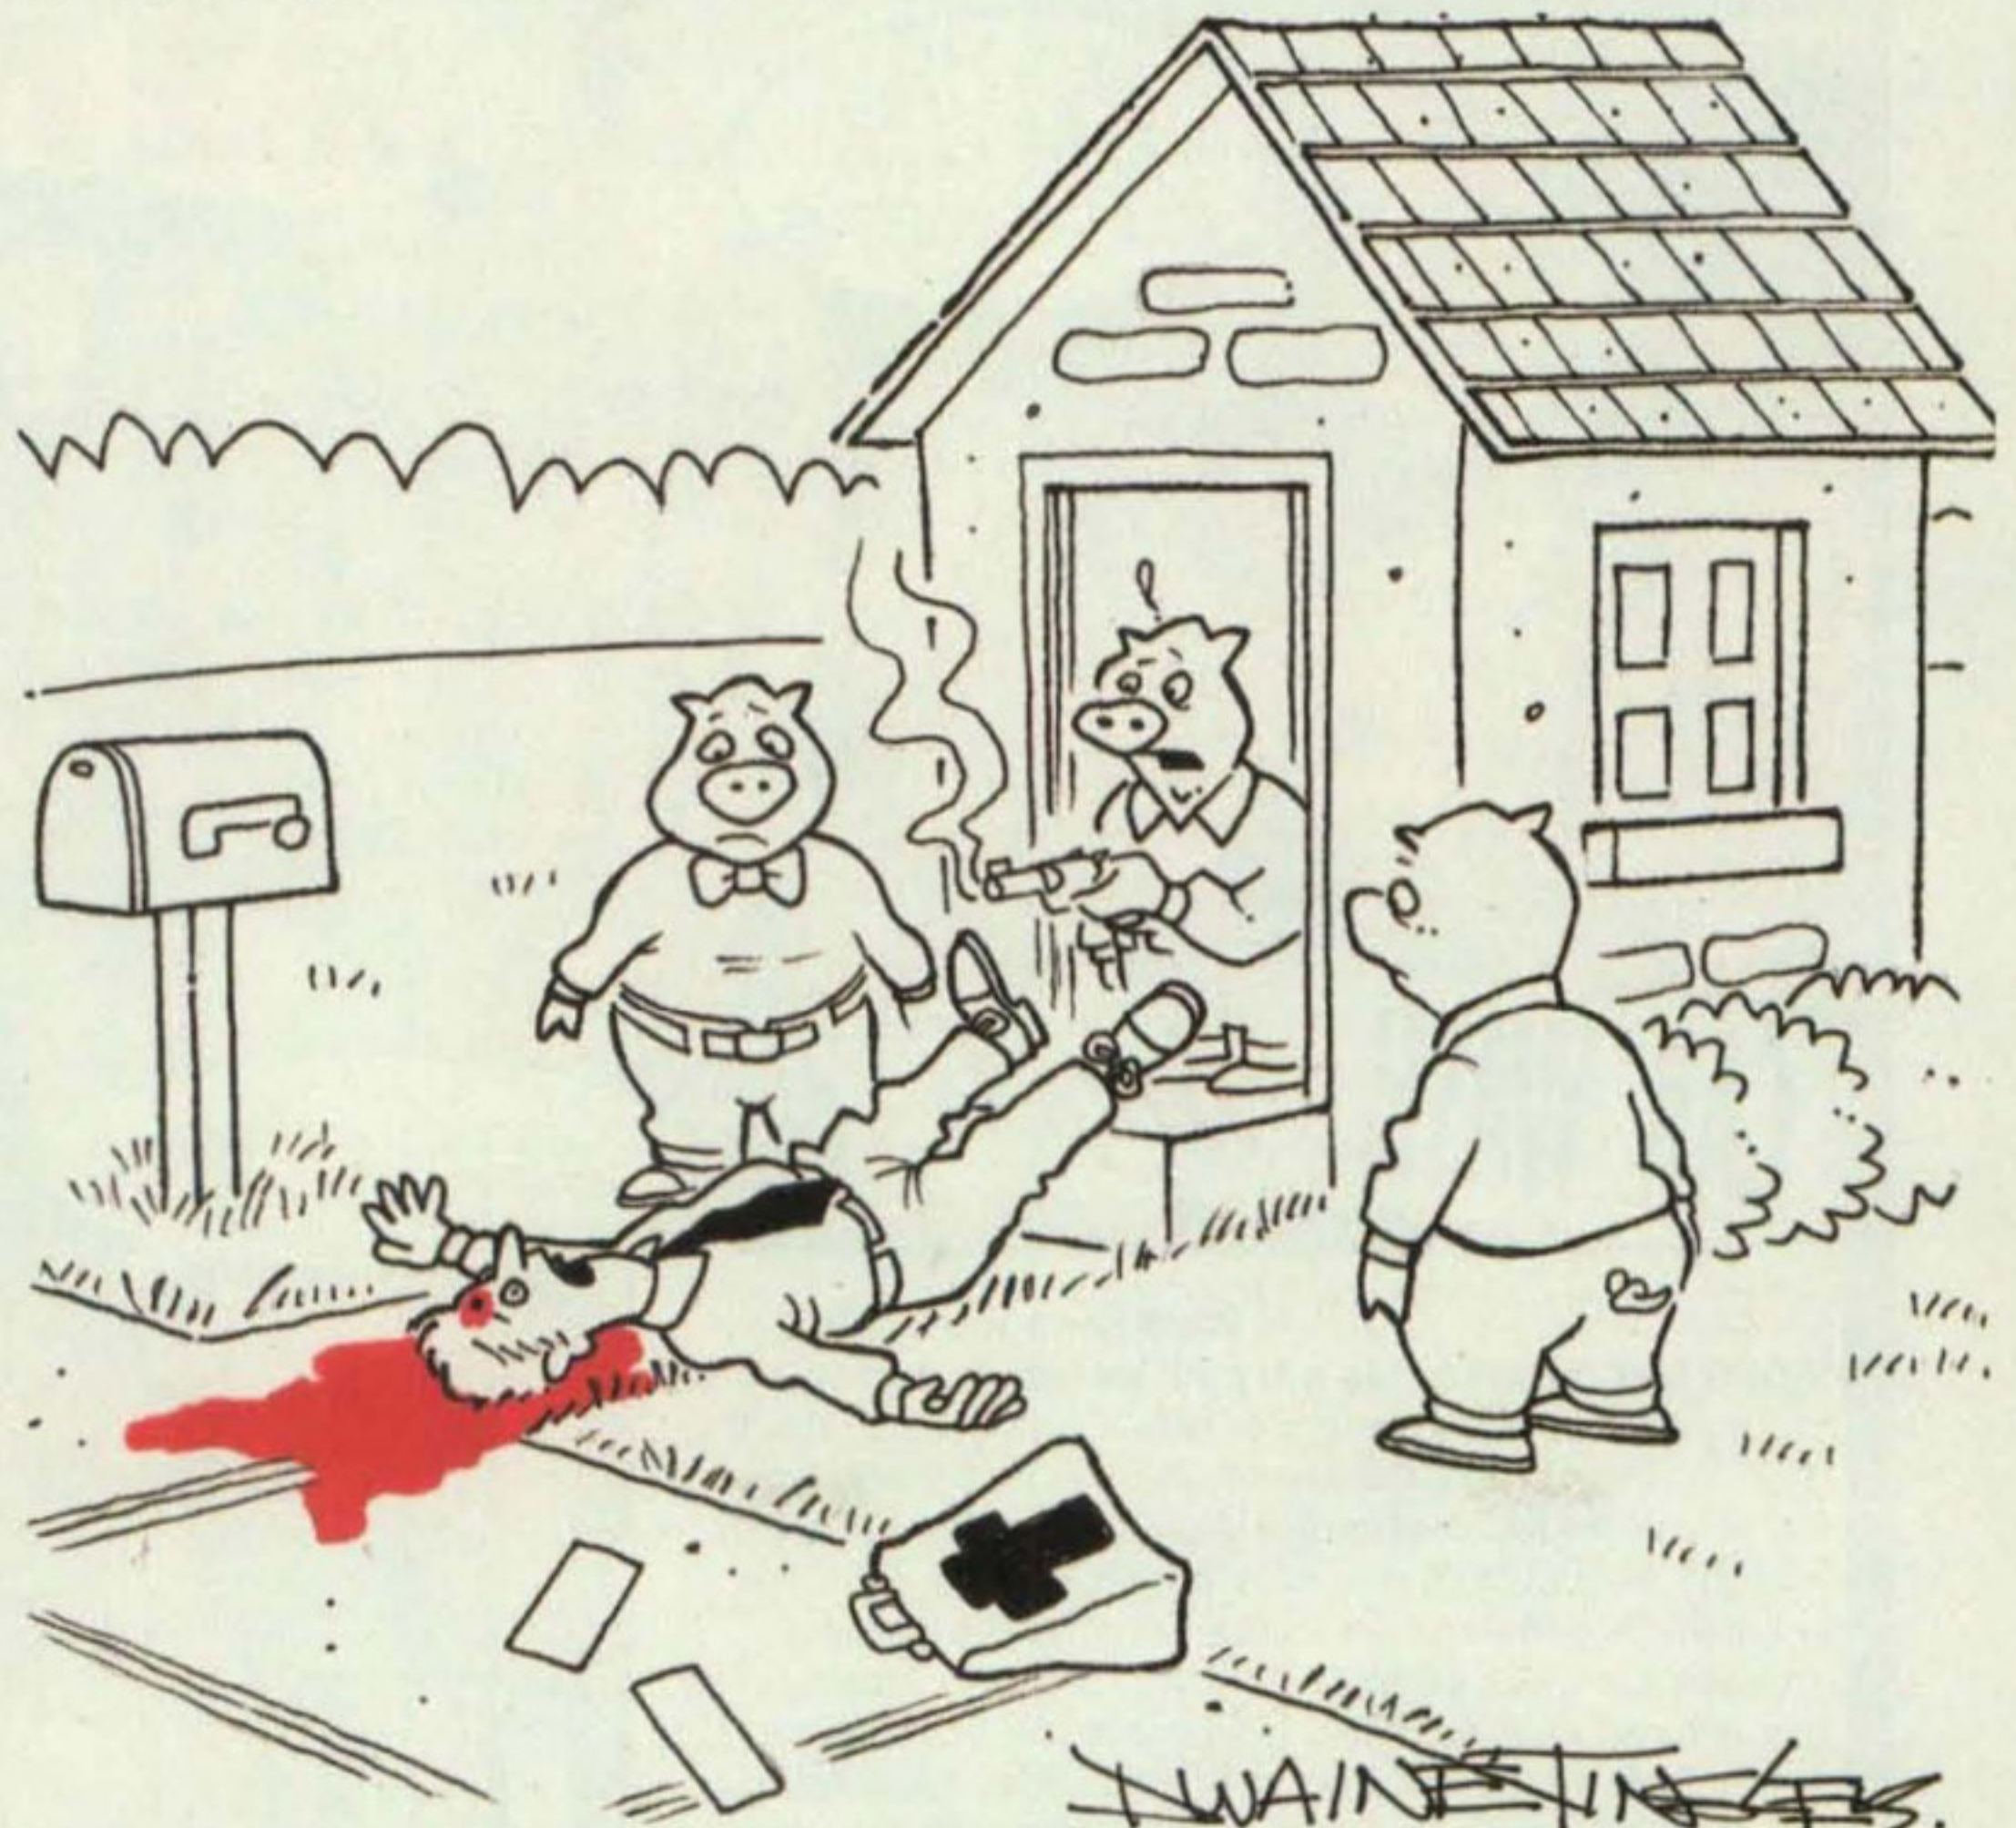

real Santa for just one night...I would slide down their chimney and viciously assault both whores in their sleep. Just kidding!

My depression at quitting time, however, was no joke. I was tired and suffering from the worst blueballs of my life. A few of the kids had peed on me, and I wasn't even able to enjoy it. Something about those two teasing snatches really got under my beard. I contemplated whacking off in the changing room, but settled for hanging up my red long johns and downing the fifth of vodka I kept hidden in my boot.

And what should appear to my glazed-over eyes but the elf who snaps my picture all day. She's a friendly, chestnut-haired dwarf named Tina, although everyone calls her Tiny. Tiny and I had worked together long enough that she felt no discomfort in shedding her green-felt outfit and standing before me stark naked. At least, I think she was standing.

She squeaked, "Mind giving me a slug?" I thought the sympathetic little creature had sensed my bad mood and was inviting me to punch her in the face. Then she gestured toward my half-empty bottle, and my heart sank again.

"Son of a fucking bitch, Tiny," I mumbled as I watched her chug the cheap hooch. "You've got pretty big tits for a

I felt more timid and unsure of myself fucking a midget than a full-sized woman. I wanted a blowjob, but I didn't want to plop my dong down her throat and be responsible for a choking death.

midget." Of course, the round, floppy hooters could only be considered sizable on her less-than-four-foot frame, but the lethal cocktail of vodka and backed-up spunk was clouding my brain. I checked out her miniature, hairless pussy and nice, tight ass, momentarily forgetting that the entire package could fit in my glove compartment. Tiny was the type of shrimp whose physical attributes were proportional, not deformed and bowlegged; I could never remember if that made her a dwarf or a midget. Frankly, I didn't give a shit. She possessed the essential hole-and-heartbeat combination, and her face resembled Jennifer Love Hewitt's. More importantly, so did her chest.

She slurred, "Funny you should mention my big boobs. I was going to comment on your horse cock. Every time I tried to photograph one of those fucking kids, your johnson would bob up and block the shot." Tiny stumbled as she attempted to pull on her Osh Kosh panties, and I realized the pint-sized pussy was stone-cold drunk. Alcohol must travel pretty fast through her miniscule but booming system. Unsure what the fuck I could possibly be thinking, I stopped her from donning the underwear. Then I lifted the silky fabric to my nose and took a whiff.

Not bad, I thought. There was an all-too-brief, terrifying moment of clarity when I realized I would probably regret fucking a midget. I could simply ask to borrow the panties for masturbatory purposes and be just as happy. Stubby fingers tugged at my zipper and freed my staggering erection. My throbbing johnson looked absolutely awesome in Tiny's hand, which could not fully grasp the circumference. I surrendered to her scaled-down charms, fascinated by the sight of her struggling to yank my crank.

Believe it or not, I felt more timid and unsure of myself fucking a midget than I ever did with a full-sized woman. I wanted a blowjob, but I didn't want to plop my dong down her throat and be responsible for a choking death. Tiny had no such reservations about cocksucking; she opened her mouth as wide as possible and wrapped her lips around my purple head. Forcing the length down her esophagus was difficult, but quite pleasurable. She hocked up a gallon of saliva on my shaft and gulped past the tip. I was impressed by the willing orifice's tightness. On most chicks, the mouth is the biggest hole! Yes, I grabbed the back of Tiny's head to see if I could feel my pride banging the back of her skull; although I didn't detect any knocking, I did force her to swallow six inches.

Proportionately, that's like my ex-girlfriend swallowing 19 inches of dick, which I figured out on my calculator that night.

Tiny popped her head off my genitals and gasped, "Stick your finger up my twat." I hadn't considered the fact that my middle finger would be like the average guy's prick to this sexy pip-squeak. *Wow!* If Tiny and I started dating, I could just give her the finger when I inevitably grew tired of our sex life! In a lot of ways, Tiny is the perfect woman—except for the fact that she's a fucking midget, and I would never want to be seen in public with her. I crammed my knuckles up her sopping flue, and she screamed bloody murder. The way her vage so palpably stretched at my intrusion was an incredible turn-on. I had to squeeze my good thing into her small package.

"Urrrghh," I grunted, ramming my tool past Tiny's labes. She was flat on her back, digging her fingernails into my shoulders. I had tired of the sensitive approach and decided to really let the bitch have the full Kris Kringle. My hips thrust forward; a sound like a cat being backed over in the driveway tore from Tiny's throat. I rammed again. This time, Tiny balled her hands into little fists, punching at my chest and begging for mercy. The whole display was so cute!

I pulled out of Tiny's clam and was unsurprised when she begged for more. The only way I would agree was if I could be on the bottom. I wanted to see her scale my heights like a mountain climber. Tiny told me she didn't like to be on top, because she could slip and impale herself. I refused to provide any more cunt-stuffing until Tiny relented.

"It hurts," she cried, accepting the tip into her honeypot. I lifted my head to see if Tiny was squatting correctly for maximum penetration; the midget's feet weren't even touching the ground! She was literally perched atop my manhood, wiggling her cute butt in order to ingest more inches. Risking internal damage is the sign of a truly horny whore. I lent two helping hands, which I placed on her shoulders. The added force didn't seem to have any effect. Suddenly, Tiny screeched and slid all the way down my pole in one swoop! I think we were both shocked by the unexpected drop, because I came instantly.

"Fuck," I howled, unable to stem the tide of scuz spraying from my hose. "Fuck! Fuck! Fuck!" Admittedly, I was cursing so much because I was disappointed that I couldn't hold out until I had tried fucking her asshole.

Electro-Cock Therapy

MEGAWATTS OF FUN WITH SEXUAL ELECTRICITY

BY TAKASUKO LEWIS • ILLUSTRATION BY GREY GINTHER

A limousine pulls up to an elegant town house in the Georgetown section of Washington, D.C. A well-dressed man emerges from the car and pushes the ground-floor buzzer.

"It's Puddles," the suit says into the intercom. "I've been a very bad dog."

The front door clicks open, and the willowy man scurries inside. Mistress Diana, a heavy-set, blond dominatrix, greets him brusquely.

"Strip, bitch."

Nude except for a studded dog collar, Puddles scampers on his hands and knees, panting like a puppy. With a furtive glance at his mistress, he lifts his leg and urinates on the floor.

"Bad dog," Mistress Diana booms. She shoves the submissive's face in the pool of piss. "No!"

Puddles paws at the beefy dom's boots and snuffles for forgiveness, but she kicks him away.

"The cock-and-ball torture board will teach you to behave," Mistress Diana says. "Flogging is too fucking good for you."

Soon, Puddles is on his back on a padded table; his arms are pinned to his sides with nylon rope. Mistress Diana tightens the wing nuts on a Lucite board that sandwiches her slave's penis and testicles between adjustable plastic panels. Red and black wires lead from the cruel-looking device to a pair of multichannel signal generators. Puddles squirms and strains against the ropes.

"You're going to have to beg me for forgiveness," the dominatrix says, and twists the dials on the power boxes. Electricity crackles through the wires and zaps Puddles's dick and balls. The wiry masochist grinds his hips and meets the jolts with twitches of his pelvis.

"You like that?" Mistress Diana asks. "You won't like what's next."

The dominatrix twists the screws on the testicle panels a half turn tighter and cranks up the juice coming from the control boxes. Pulses of current flow from contact points on the torture board into Puddles's genitals.

Finally, with her client whimpering with pain, Mistress Diana cuts the juice and frees her slave. Puddles, a shuddering, sweaty heap, expresses his gratitude with coos of pleasure and a wad of crisp bills.

Electricity has been used for sexual stimulation since the alternating current was in its infancy. The basic electric vibrator was helping women eliminate the need for husbands and boyfriends as long ago as the 1870s.

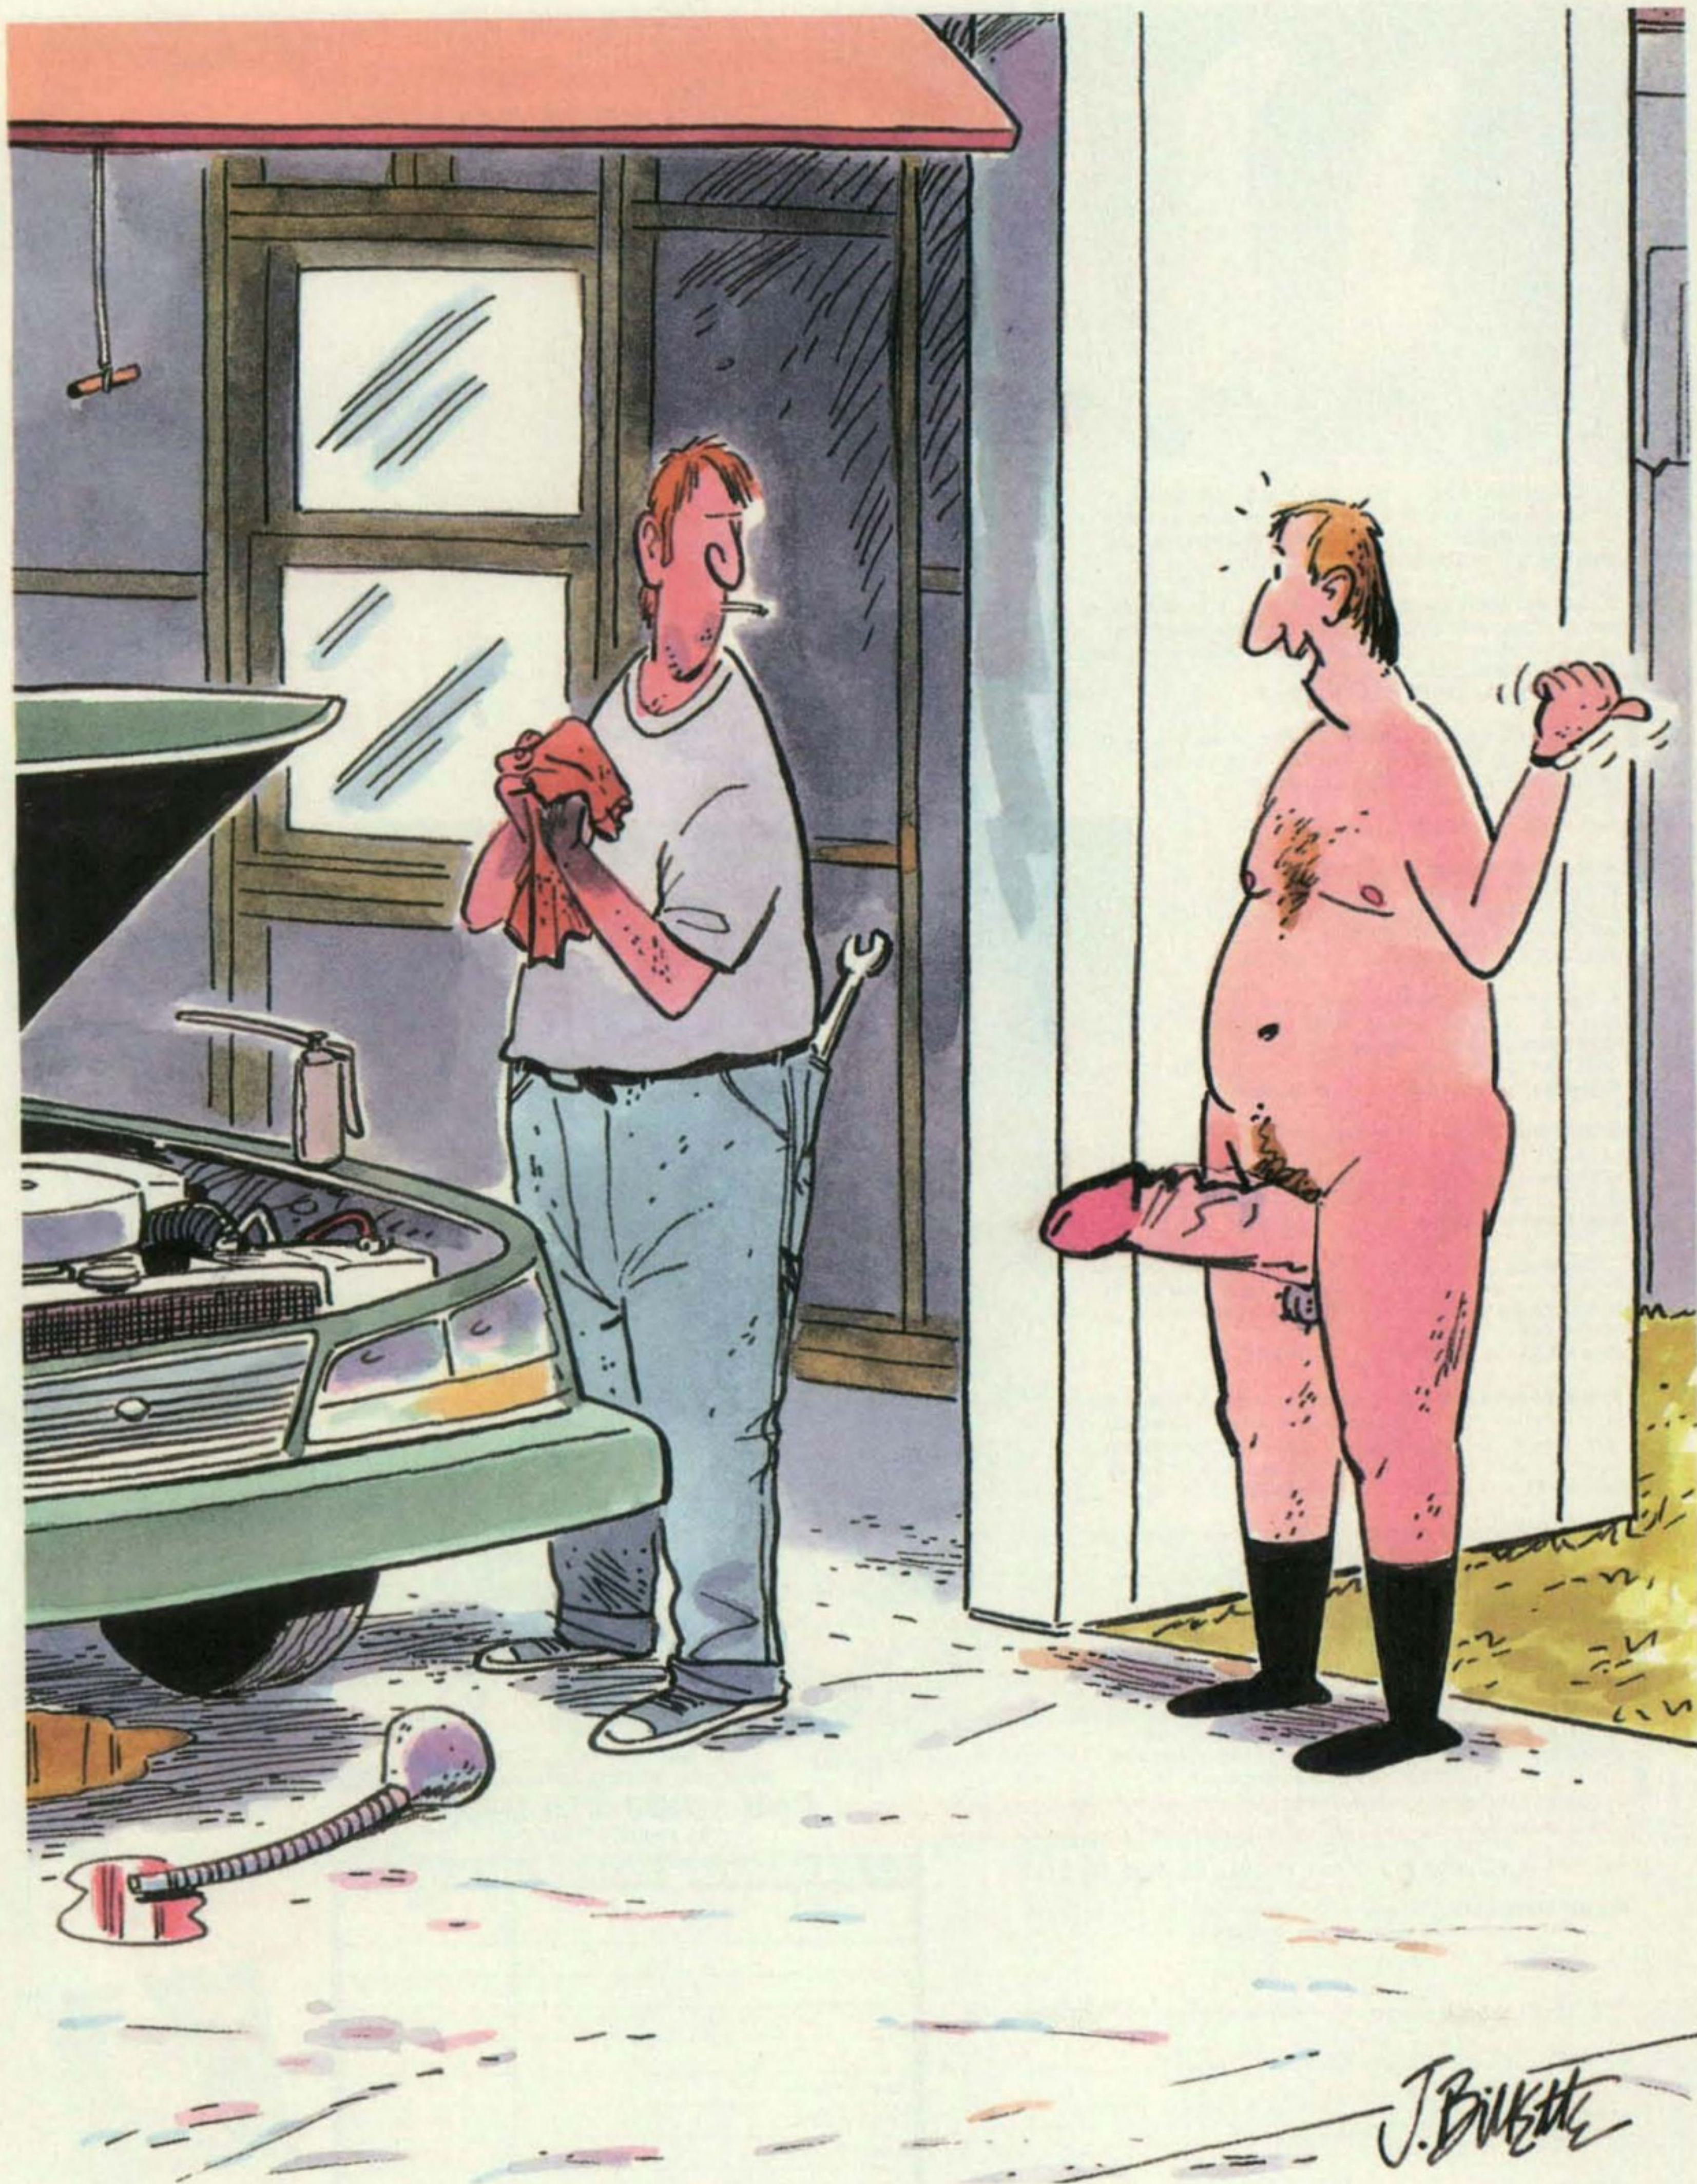

Household catalogs from the turn of the century advertised primitive battery belts that sent electricity to the genitals of the wearer. Antimasturbation activists of the era used electricity to extinguish desire; they developed a nighttime harness that fit over the penis and delivered a shock whenever an erection occurred. The

Puritanical zealots who sought to zap out onanism might be surprised to know that their cruel device bears a strong resemblance to the sex toys preferred by some BDSM (bondage & discipline, sadomasochism) enthusiasts in the 1990s.

"We are taught to be afraid of electricity, but that just makes voltage kinky," says Ernest Greene, a BDSM-film director. "Electrical play brings two powerful things together: fear and sex."

Innovative libertines, some of them with degrees in electrical engineering, have developed a myriad of electro-sex toys, some of which appeal to hard-core masochists and the BDSM community, where things that people are normally afraid of, bondage and flogging, for example, are considered particularly erotic. Sex Play

"I like it when I'm blindfolded and I don't know where the wand is going to touch next. The guy could zap my nipples, then move down to my clit or my feet. The anticipation is a real turn-on."

mos have been developed to add a tingle to lovemaking for the everyday sexual types who are not turned on by counter-phobic behavior.

"Electro-sex toys started out in the BDSM community, but they diversified, and now, some people are just using them as safe-sex toys," says Bruce Bentley, general manager of Folsom Electric, a manufacturer of electrified adult novelties based in San Francisco.

In the past ten years, electrified sex gadgets have exploded in popularity, largely because of the modification of TENS units (transcutaneous electro-neural stimulation) for the purposes of sex play. The TENS machine was developed by physicians to subdue nerve receptors in the treatment of chronic pain. The minute pulses of electric current that a TENS unit sends to the body tissues are thought to stimulate the production of endorphins, chemicals that suppress pain.

TENS units are now used by the makers of adult toys and novelties to feed juice into all manner of devices, including heavy, chrome butt plugs and vaginal dildos, alligator clamps, leather cock rings and catheters. Electrified breast cups fit over the nipples, and a testicle parachute can engulf the balls in a penumbra of current. Small, insertable electrodes can be used to turn the genitals themselves into sex toys.

"When a man and woman with electrodes plugged into their anuses have intercourse, the woman may feel contractions similar to those experienced during childbirth," says Folsom Electric's Bruce Bentley. "The man will feel stimulation in his penis and prostate gland."

Some women are capable of firing off orgasm after orgasm with the help of a vibrator. Electro-sex toys are no different. Using an electrified dildo, a woman can use the modulated frequencies to induce galvanic contractions in the muscles of her vagina.

Anna is a 27-year-old New Yorker who adores her clit shield, a device with electrified straps on either side of a cradle that fits onto her love button.

"It sends currents back and forth across my clit and gives me huge orgasms," says Anna. "The only problem is that I'm more attached to my clit shield than I am to my boyfriend, or my vibrator, for that matter."

Violet wands are flashlightlike devices that trace their lineage to the scalp stimulators and massagers used by barbers and beauticians in the days when electricity

was thought to be a cure-all. The business end of a violet wand is a glass bulb filled with argon gas, which glows purple when excited by high voltage.

Wands produce fiendish filigrees of electricity; by gripping the glass end of the device, electricity can be shot from the fingertips, an especially dramatic effect in a darkened room. Violet wands are considered among the safest electro-sex toys, but should be kept away from the face and eyes.

"The wand doesn't hurt; it tingles," says Sheila, a self-proclaimed bottom who is active in the BDSM scene in Atlanta. "I like it when I'm blindfolded and I don't know where the wand is going to touch next. The guy I'm playing with could zap my nipples, then move down to my clit or my feet. The anticipation is a real turn-on."

A common nuisance of electro-sex play stems from the tendency of electricity to arc and leap across open spaces to nearby conductive surfaces. Hot spots occur when an electrified device is plunged into an orifice and then loses contact with the surrounding tissue.

Since the tightness of the anus can guarantee a snug fit, butt plugs usually do not create hot spots; but the varying terrain of

the vagina can make for an unpleasant zap.

"Location is everything when it comes to avoiding hot spots," advises Ernest Greene.

Depending on the amount of current used, the electricity flowing through an electro-sex toy can create sensations ranging from a slight prickle to a jolt capable of causing the receiver to bite his tongue off. The risk of cardiac arrest is a very real danger.

The heart is regulated by nerve impulses that cause muscles to contract in an orderly manner. Even a small current in the wrong place at the wrong time could knock these contractions out of sequence, causing a lethal heart attack. For this reason, the most fundamental rule for electrical play has long been: "Nothing above the waist." Even low-voltage current crossing the chest could kill a person.

Everything from animal-control shock collars to cranks from old-fashioned telephones and transistors from toy trains have been adapted for genital torture—sometimes with disastrous consequences. There is no need for any real danger. Today's array of quality electro-sex toys combine pleasure, fun, safety and predictability for high-voltage lovemaking.

"This place is my sanctuary," professes Tia, splaying out on the roof of an abandoned hotel. "Before the hotel closed, I worked here as a maid. I'd always come up here when I needed a quiet place to unwind. It's a prime tanning spot, and it's secluded enough to give my coochie some sunlight while I soak up the rays."

Tia's fingers part her glistening folds, offering an unobstructed glimpse of her oozing honeypot. "Of course, the best thing about hanging out up here is the view," Tia sighs. "It's incredible. Don't you agree?" Indeed.

VIAGRA USE AND ABUSE IN THE ADULT-FILM INDUSTRY

Blue Pill?

REPORT BY DAVID BUCHBINDER
ILLUSTRATION BY JUSTIN FORBES

Pfizer's pharmaceutical rod-raiser gave hope for hard-ons to an estimated 30 million impotent men, but what has Viagra done to the stiffs who sprout wood for a living? Porn studs debate the pros and cons of the world's most uplifting designer drug.

Viagra

"You give them a 60-year-old, ugly, drunk woman or a 300- or 400-pound girl. Throw in a DP or a double anal (to me, that's gay—two dicks aren't supposed to touch). It's sick. But the guy's got to have a hard-on."

The job description of a XXX stud seems too good to be true: *Fuck porn sluts. Requires ass-reaming, throat-fucking, tit-mashing and clam-banging. Some pussy-licking. Facial cum-shots only.*

"Guys'll do anything to do porno," says Dave Hardman, who has appeared in hundreds of cock operas. "They think it's such a bitchin' job. If somebody told them they could only live for another six months, but they'd be able to do porno, they'd probably do it, just so they could go out and fuck girls."

The average working stiff trudging in the rat race may daydream about fucking for a living, but his VCR-based grasp of adult-film reality makes porn seem deceptively easy. The men of the blue screen are routinely expected to do the impossible.

"You give them a 60-year-old, ugly, drunk woman or a 300- or 400-pound girl, and they can do that," says Rob Spallone, a director with VCA Platinum. "You've got ten or 15 people watching, with a light up your ass. Throw in a DP or a double anal (to me, that's gay—two dicks aren't supposed to touch). It's sick. But the guys got to have a hard-on."

"You gotta want to fuck mud if you're down to nothing else," says Kyle Stone, a seven-year veteran of adult films. "That's

the type of freak you need to be to do this job: a fuck machine."

Boners are the woodsman's *sine qua non*, and he must fuck whatever is put in front of him, come fat, come frigid, come cutthroat competition.

"When I'm out there doing a scene and I'm feeling good and there's a bunch of people watching, if I'm rock-hard, I'm going to flaunt it," says Dave Hardman. "If there are other guys in the scene, that intimidates the hell out of them."

For all the men who aspire to porn, only a handful find regular work; the same 20 or 30 pricks monopolize the available bookings.

"There's not that many slots, and it's not that easy to get going," says living legend Herschel Savage, who appeared in 1978's *Debbie Does Dallas* and has starred in hundreds of other adult films. "If you secure a position in the industry, you don't want to lose that position, and a guy who cannot provide his own equipment—he's not going to last that long. You'd be lucky to get three chances with three different shooters."

Lexington Steele, handsome and endowed with a freakishly large penis, has catapulted to the A-list of male stars in his year and a half in the business; even with his foot-long in the door, Steele feels

enormous performance pressure.

"When I'm shooting in Costa Rica, 10,000 feet above sea level in the jungles of San Jose, and I'm fucking a girl on a boulder in the middle of a fucking river with roaring rapids around me, and the cameraman is five feet deep in the water trying to shoot this shit, and somebody spent 15 grand to put me on that fucking rock, you can't fuck up," Steele says. "You think the producers are like, 'Give him a couple minutes'? No. You are there to execute."

Given the rigors of life in the XXX saddle, it is no surprise that porn's cowboys have discovered Viagra, the erection-producing drug made by Pfizer.

"My list of guys that I use has gotten a lot longer since Viagra's been around," says Eli, producer of product lines including *Only the A Hole*, *Shut Up and Blow Me!* and *Freshman Fantasies* with All Good Video. "I don't ask, but I know a lot of guys are taking it. It's sort of like AIDS; we don't often have conversations about it on set."

In fact, many woodsmen would rather not discuss Pfizer's little blue pill.

"You're going to have a hard time getting people to totally admit that they take Viagra," says Kyle Stone. "You'll hear, 'I've tried it; I wasn't feeling real good; I didn't want to delay the shoot; but I don't do it on a regular basis.' But some do do it on a regular basis."

"No man wants to admit that he needs help," explains Herschel Savage. "So much of a man's confidence comes from his ability to feel like a man. When you have a hard-on, and then you have a real hard-on, it's almost like who's got the biggest cock."

Perhaps because his body is attached to one of the largest schlongs in porndom, Lexington Steele is unabashed about having used Viagra.

"Last week, I died a slow death on a Wicked shoot, and these are big sets with 15 to 20 people watching," says Steele. "I'm sitting there with a beautiful girl, and I have a wet noodle in my hand. If someone was like, 'Yo, Lex, do you need some help?' I would have said, 'Yeah.'"

"Most producers do have [Viagra] on hand, on their set," Steele adds. "When I was on the Wicked set, and I was struggling, I just fucking died for an hour and a half out there. Man, that's a situation where, as a performer, as a professional, I would have said, 'Today I need some help.'"

Steele can afford to be candid; a less established performer could find his

Viagra

financial security in jeopardy were his name to be associated with performance-enhancing drugs. John T. Bone, a producer at Cream Entertainment, doesn't hire Viagra users.

"I'm not going to respond to some limp-dicked guy who calls me on the phone and says, 'Hey, I worked for you before, and I couldn't get my dick up, and now I've got a bottle of Viagra.' Who fucking cares? I hire guys who are absolutely dependable, because I've got enough fucking problems with the girls. I'm not going to hire anybody who's questionable. I can't afford to take the risk."

Many observers assume that Viagra use is common among older woodsmen who are decades removed from their most virile years.

Dave Cummings will turn 60 on his next birthday, but this grandfatherly cock-master says that his erections are completely natural.

"I guess my age has folks thinking that Viagra and I must be allied, but I had already been in well over 100 films before Viagra made the news," Cummings says.

"I tried Viagra once, but noticed no appreciable enhancement," Cummings adds. "At the urging of my doctor, who remains a little concerned about the long-term effects upon men who do not med-

ically need Viagra, I don't use it. If I ever get to the point of needing Viagra to make a scene work better, I plan to retire from doing sex scenes."

Even though Herschel Savage is still in his 40s, he is considered an elder statesman in an industry dominated by twentysomethings. Savage openly admits that he has used Viagra in instances when he has been paired with an unattractive woman or during a marathon shooting day.

"Certain people that work in the industry really shoot long—like three or four hours," Savage says. "My energy wanes after a couple hours, especially if you're going up and down, with a lot of breaks involved. As a younger man, you can go up and down all day long, but as I get older, the more you go up and down, the more gravity pulls you down."

Savage left the business for nine years, but Viagra didn't bring him back; he returned in 1997, a year before the magic pill received approval from the Food and Drug Administration (FDA).

"I'm not ashamed to admit that I've used it, but there's a lot less shame for a guy to admit it when he was in the Hall of Fame before Viagra ever came around," Savage says.

Viagra use may not be generalized over the entire industry; there are certainly

woodsmen who claim never to have swallowed the drug, and say they never will. Some porn studs, without the same principled opposition to the medication, have sampled the drug to maintain a competitive edge, or simply out of curiosity.

Dave Hardman's virility is not in doubt; in an industry of sex freaks and nymphomaniacs, he is known for his raging libido.

"You take the fucking gas cap off your car, the guy will fuck your car," Rob Spallone says of the boyish porn star.

Over the past six months, Hardman estimates that he has tried Pfizer's bone-stiffener 20 times, though he no longer uses it.

"When it first came out, I wanted to keep up with the competition," Hardman explains. "I was at a shoot, and it was three in the morning, and I was totally burnt out, and I wasn't into the girl. A guy had Viagra, and he's like, 'Dude, you sure you don't want to try Viagra?' I said, 'You know, if I'm going to try it, this is the time.' So I tried it. And it fucking worked."

Woody or no woody, Hardman was not pleased with the wonder drug.

"It made me too fucking hard," says Hardman. "For like a couple of days, my dick was sore. You don't have the same sensitivity in your dick when you're on Viagra; you're just a mindless fuck, and when you come, less comes out, because it drains something out of your body. It takes a little life out of you every time you take Viagra."

Kyle Stone, who describes himself as "the last of a dying breed," represents the vanguard of the anti-Viagra movement, if there is such a movement, in the porn community.

"One of these days, they're going to give Male Performer of the Year to one of these guys that is taking Viagra," says Stone. "That would be like giving a gold medal in a marathon to someone who took a bus."

"The women are getting used to the Viagra boys," Stone complains. "They don't have to fluff or do anything to a Viagra boy, because, basically, as soon as a Viagra boy takes his pants off, he's got a hard-on that doesn't go away. The women don't have to do anything, and they are really starting to get spoiled."

If porn sluts are becoming spoiled by automatic stiffies, so are adult's directors. Guaranteed erections remove an element of uncertainty from shooting sex scenes.

"From a production standpoint, [Viagra] doesn't bother me at all," says Eli with All Good. "If a guy has a ten-

THE FOUL-MOUTHED LOVE SEMINAR

"Now, turn to the person on your left and say: 'You're beautiful, and I love you, you cocksucker!'"

Bunghole in the Jungle

"I've always suspected that acts of charity are the quickest path to self-fulfillment," notes peace corps volunteer Sara from her remote African outpost. "After three months on this assignment, I know it's true."

"My first week here, I almost went home," Sara admits. "The villagers stared and pointed, but refused to communicate with me. I finally cornered Anzhuul, one of the tribesmen, and demanded an explanation. He told me they'd never seen blond hair and blue eyes before. To them, I might as well have been a Martian."

Sara finally gained the trust of the village by proving that, external differences aside, she was indeed like them on the inside. "The men of the village drove their veiny spears into my sphincters while the women chanted and danced around the bonfire. After that, they initiated me into their tribe. They even gave me a tribal name: *Hanquaanzi*. It means 'princess with three mouths.'"

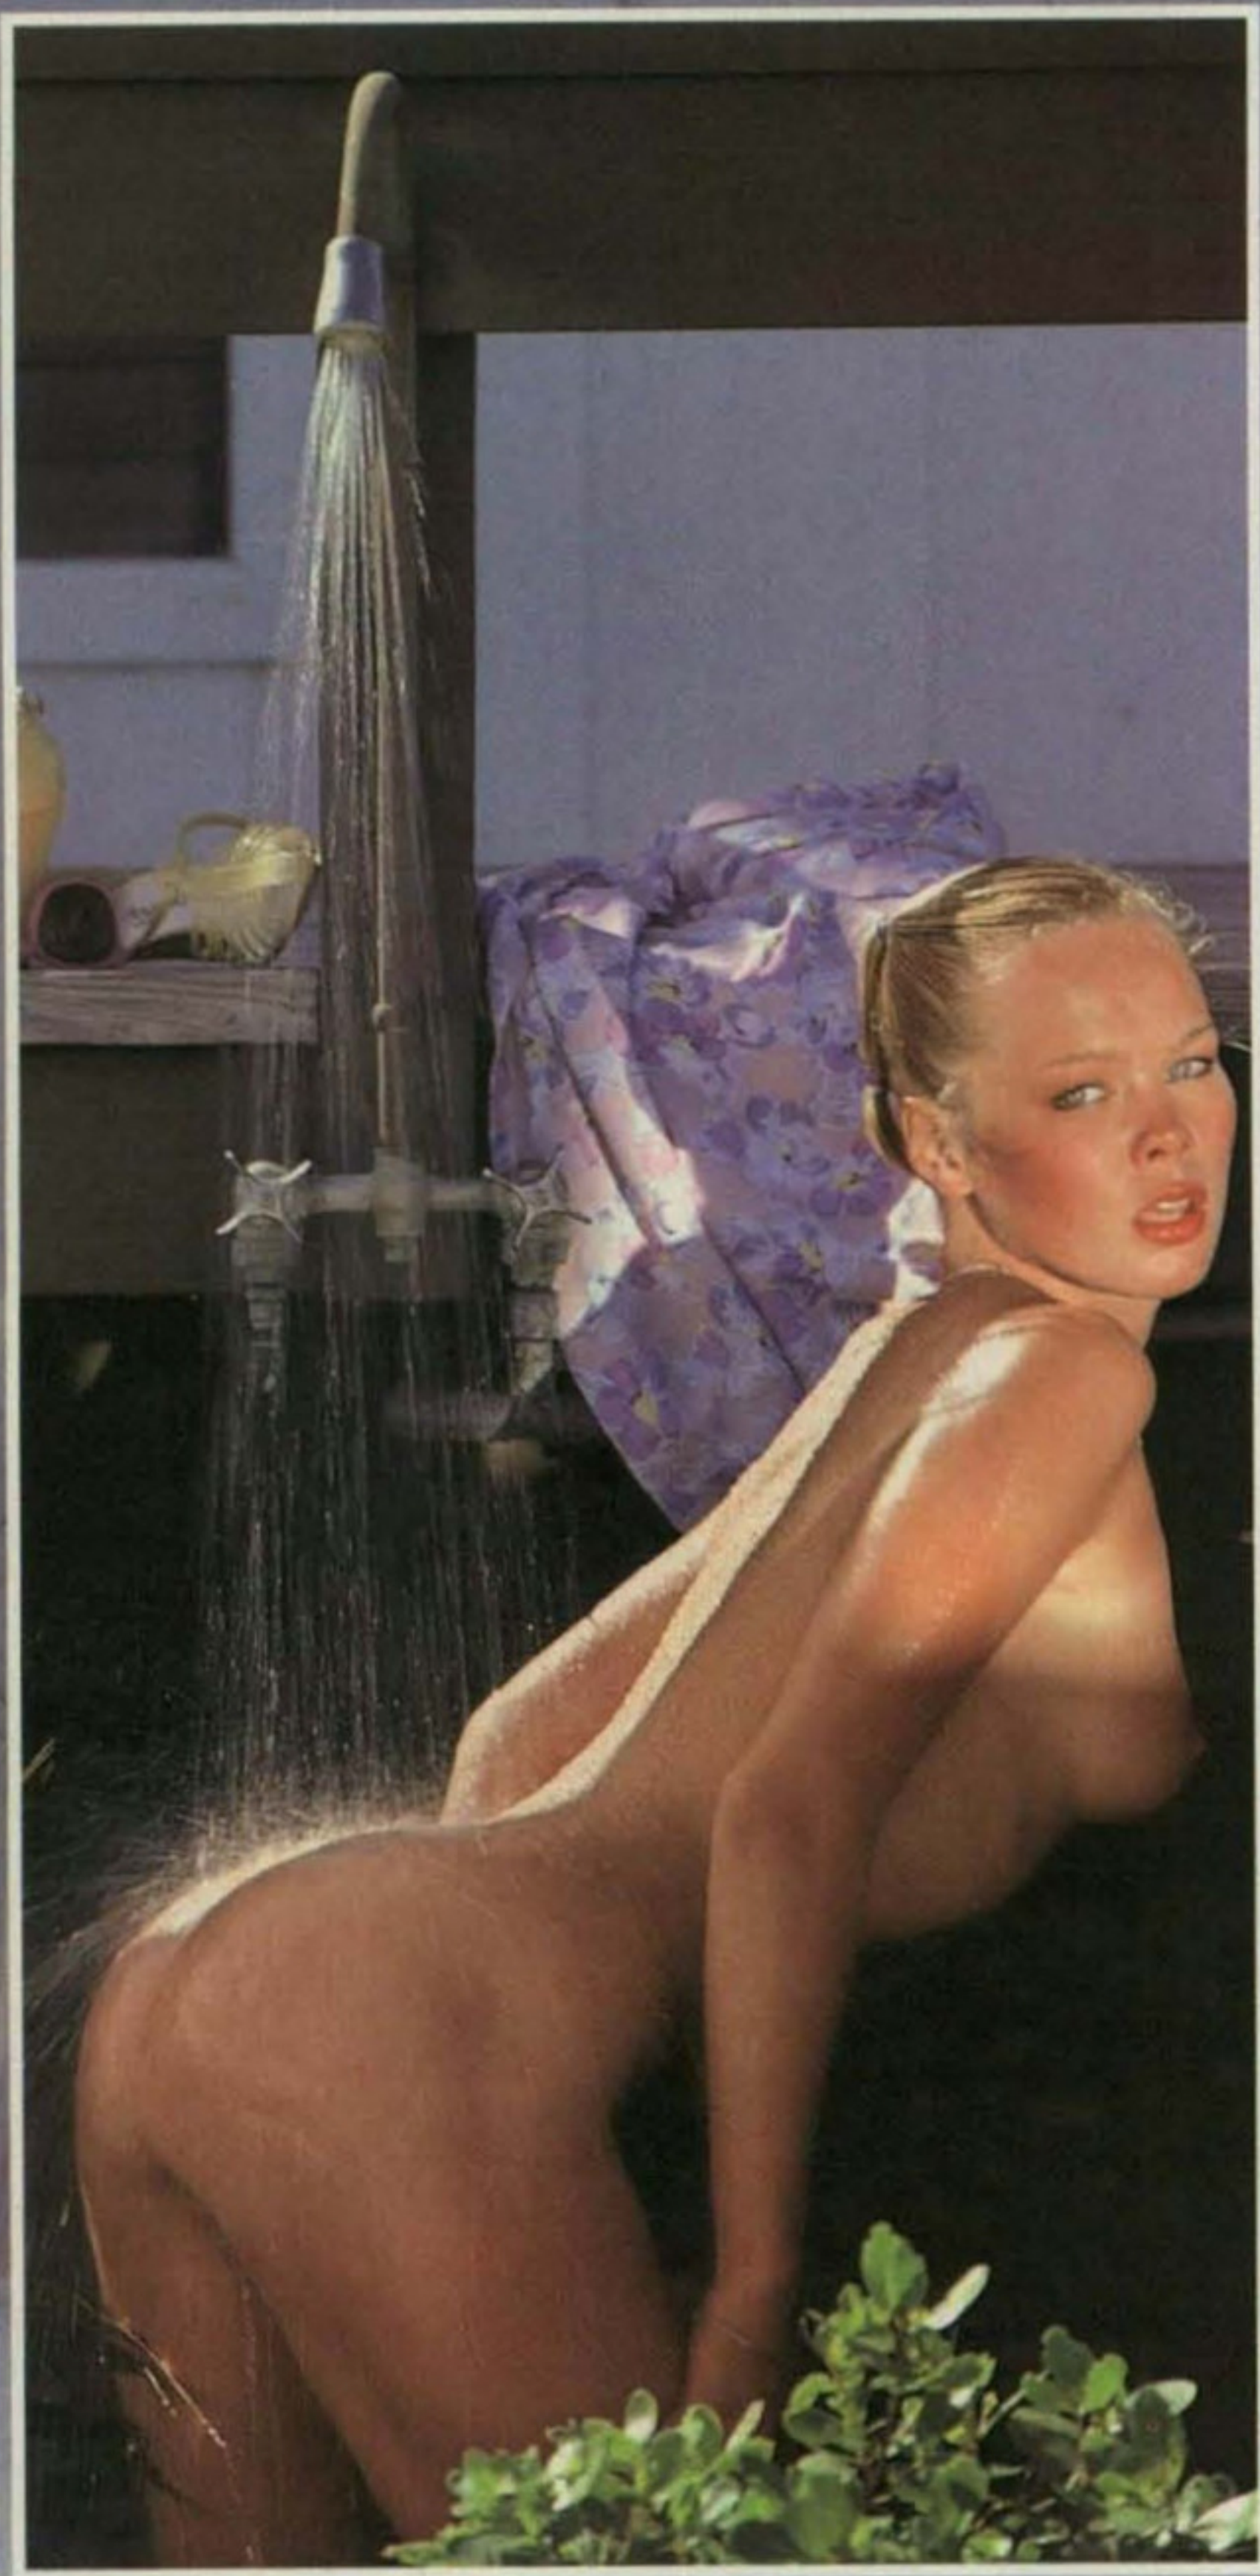

"The brochures were right—this is the toughest job I'll ever love," Sara enthuses. "I only regret that I have but one ass to give."

Viagra

dency to struggle, I prefer that he take it, because I don't gotta worry about it. I can't think of anything bad about it, unless you find out down the road that it's bad for people."

Dr. Roger Kirby, a urologist at St. George's Hospital in London, thinks he has found something bad about using Viagra to enhance performance. Kirby has reported that the misuse of Viagra by men who do not have erectile dysfunction could result in priapism, an erection that refuses to go down.

"This in turn may lead to permanent erectile dysfunction," Kirby said in a report published in *Student British Medical Journal*. "Sildenafil [Viagra] has little to offer normally potent men, and usage by them carries inherent risk."

If Kirby's assertions prove to be true, they would be acutely relevant to adult performers who use the drug.

Pfizer spokeswoman Marianne Caprino refuses to comment on such instances of misuse. "We're going to pass on this one," she says. "We only talk about our drug in a medical context."

Dr. Irwin Goldstein, the renowned Boston University urologist, does not think that men with normal erectile function are at increased risk of experiencing dangerously prolonged boners if they use Viagra.

"It would have the same ramifications to health as it would to a person with erectile dysfunction," he says. "The drug is highly protective against priapism. It is nowhere near as risky as, for example, intra-Caverject injection, which, I think, the adult industry also uses."

According to men inside the porn industry, Caverject, an injectable erectile aid, is indeed used by some woodsmen, even in the age of Viagra.

"I've seen directors actually have injections on the set," says Dave Hardman.

Although some porn performers seethe over the use of Pfizer's wonder drug among their peers, the use of Caverject provokes particularly pointed derision.

"There's a handful of guys who have been rumored for a long time to use a syringe to enhance their performance," says All Good's Eli. "I've never actually seen anyone do it, but do I believe that certain people who have worked for me have done it? Yes. Do I hire them again if I suspect that? No. Because the idea of someone using a needle, for any reason, in the sex business wigs me the fuck out. I don't condemn anyone who does it, but I don't know if it's the same works every time. It's just easier for me to steer clear of it."

"Injector-dicks go into the bathroom with this little case, and they have a rag-

ing hard-on coming out of the bathroom," says Kyle Stone. "Between scenes, the guy will get on a pay phone, and his dick is still rock-hard—you can hang a towel from it—and he'll say it's totally natural."

"When I see a 27-year-old guy who comes on the set, takes his pants down, hasn't had any contact with the woman, and is already hard, I think, *Man, where's your pride? Where's your professional ethic?*" says Herschel Savage. "But there is no professional ethic. It's whatever the guy has to do to stay in the game. That's dangerous."

Because the injectable drug leaves a needle hole in the penis, Caverject has become a dirty word among AIDS-leery porn stars. Misuse of the drug could also harm the user.

"It bypasses the physiological mechanism," says Dr. Goldstein. "With Viagra, the minute you start thinking about the Los Angeles Lakers, and your mind is off sexuality, it has no effectiveness."

If there is a fate worse than impotence for a red-blooded man, let alone a porn star, it may be death. While this is a judgment call subject to debate, Viagra has proven to be lethal when put in the wrong bloodstream. The drug is unsafe when taken by men who suffer from heart disease, and can be deadly when used in conjunction with nitrates.

On March 27, 1998, Viagra received FDA approval. By January 1999, the FDA reported that 130 men who were taking the drug had died; 16 of the deaths were linked to nitrates. Another 77 were related to coronary problems.

"It's a very safe medication," Dr. Goldstein insists, noting that hundreds of millions of tablets have been dispensed in a little over a year. "The extent to which it's safe has been vastly understated. There have been some deaths on the drug, and that may have nothing to do with the drug. You could argue that heart disease and impotence are very strongly related, and that some people who have heart disease become impotent as a way to protect them from the sexual exercise."

Like Goldstein, Pfizer publicly maintains that Viagra is not the problem—the sex is. Even if the drug is safe when prescribed under the guidance of a licensed physician, such is often not the case in the adult-film industry.

"I've had it offered to me by directors before," says Kyle Stone, who has a history of heart disease in his family. "The director, the crew—all those people want to go home. They couldn't care less. To

NATIVE TONGUE

PHOTOGRAPHY BY CLIVE McLEAN

"I'm convinced that my soul is inhabited by the ghosts of ancient Indians," posits blond spiritualist Jezebelle. "I feel so much more enriched since I began studying Native American culture."

"Spitting Turtle, the leader of my shamanic-ritual encounter group, has taught me so much. By taking part in our monthly gang-bangs, I've learned how all living creatures are connected through our relation to Mother Earth. Spitting Turtle has gone to great lengths to teach me that the missionary position is oppressive and inferior to the Native practice of taking dick on all fours. My favorite part of indigenous culture, though, is its rich oral tradition."

Is there a particular element to that tradition that she finds most appealing? "Giving or receiving—either one," Jezebelle offers. "The important thing is that you offer thanks to what you eat before you put it in your mouth."

HUMOR

Stu walked into a drugstore, complaining loudly, "Damn wife runs out of tampons...." He ducked into an aisle and returned to the checkout with some toilet paper and a bag of cotton balls.

The checkout girl said, "It's none of my business, but weren't you coming in for tampons?"

Stu grouched, "Last night I sent my wife out for cigarettes, and she came back with loose tobacco and some papers. Tonight, God damn it, she's rolling her own."

Question: Why do Mexicans make tamales for Christmas?
Answer: So they can have something to unwrap.

An old man of 70 married a girl of 18. When the codger crept into bed on the wedding night, he held up three fingers.

"Oh, honey," said the young nymph. "Does that mean we're going to do it three times?"

"No," said her husband. "Take your pick."

Five men were stranded on a tropical island. They soon discovered a female gorilla living on the other side of the island. After one whole month, the guys were all sitting around when Garry stood up and yelled, "I'm so horny, I can't take it anymore!"

Garry grabbed a bag. He led the way to the other side of the island, where the five guys caught the gorilla. Each man grabbed an arm or leg, and Garry put the bag over the creature's head. He climbed on top of the big ape and started fucking with a vengeance.

The female gorilla fought back, but once she had her hairy arm free, the ape grabbed onto Garry's hips and pulled him in harder and harder. Then the gorilla freed its legs and wrapped them around Garry.

Garry yelled to his buddies, "Get it off! Get it off!"

One shouted back, "We can't get her off you. You're on top!"

"I mean the bag," Garry grunted. "Get it off her head. I want to kiss the bitch!"

A man and a woman were driving in their car when they saw a wounded skunk on the side of the road. The woman picked it up and brought it back to the car. "It looks cold," she fretted. "What should I do?"

"Put it between your legs," the man reassured her.

She made a face. "Eww. What about the smell?"

"Hold its nose," he said.

The HUSTLER Dictionary defines *necrophilia* as: never having to say you're sorry.

A girl limped into the squad room and said, "I've just been raped by an elephant."

The desk sergeant looked her up and down. "What makes you say that?"

"Well," said the poor thing, holding her hands about a foot or so apart, "my asshole feels this big."

"Bend over, and let me have a look," said the cop. The sore chick bent over and dropped her panties. Sure enough, her asshole was about ten inches across.

"Tell me another one," scoffed the policeman. "Everybody knows an elephant's penis is long and thin."

"Yeah, I know," yelled the agitated victim. "He fingered me first."

Question: What did the fag do when he found out his boyfriend was a leper?

Answer: He shit a dick.

Dennis's wife had been in a coma for several years. On a visit to the hospital, Dennis started to rub her left tit while he talked to her. She let out a sigh.

Dennis called the doctor in. "This is a good sign," the hopeful medic said. "See what happens if you rub the other breast."

Dennis rubbed his wife's right tit and brought out a low, throaty moan.

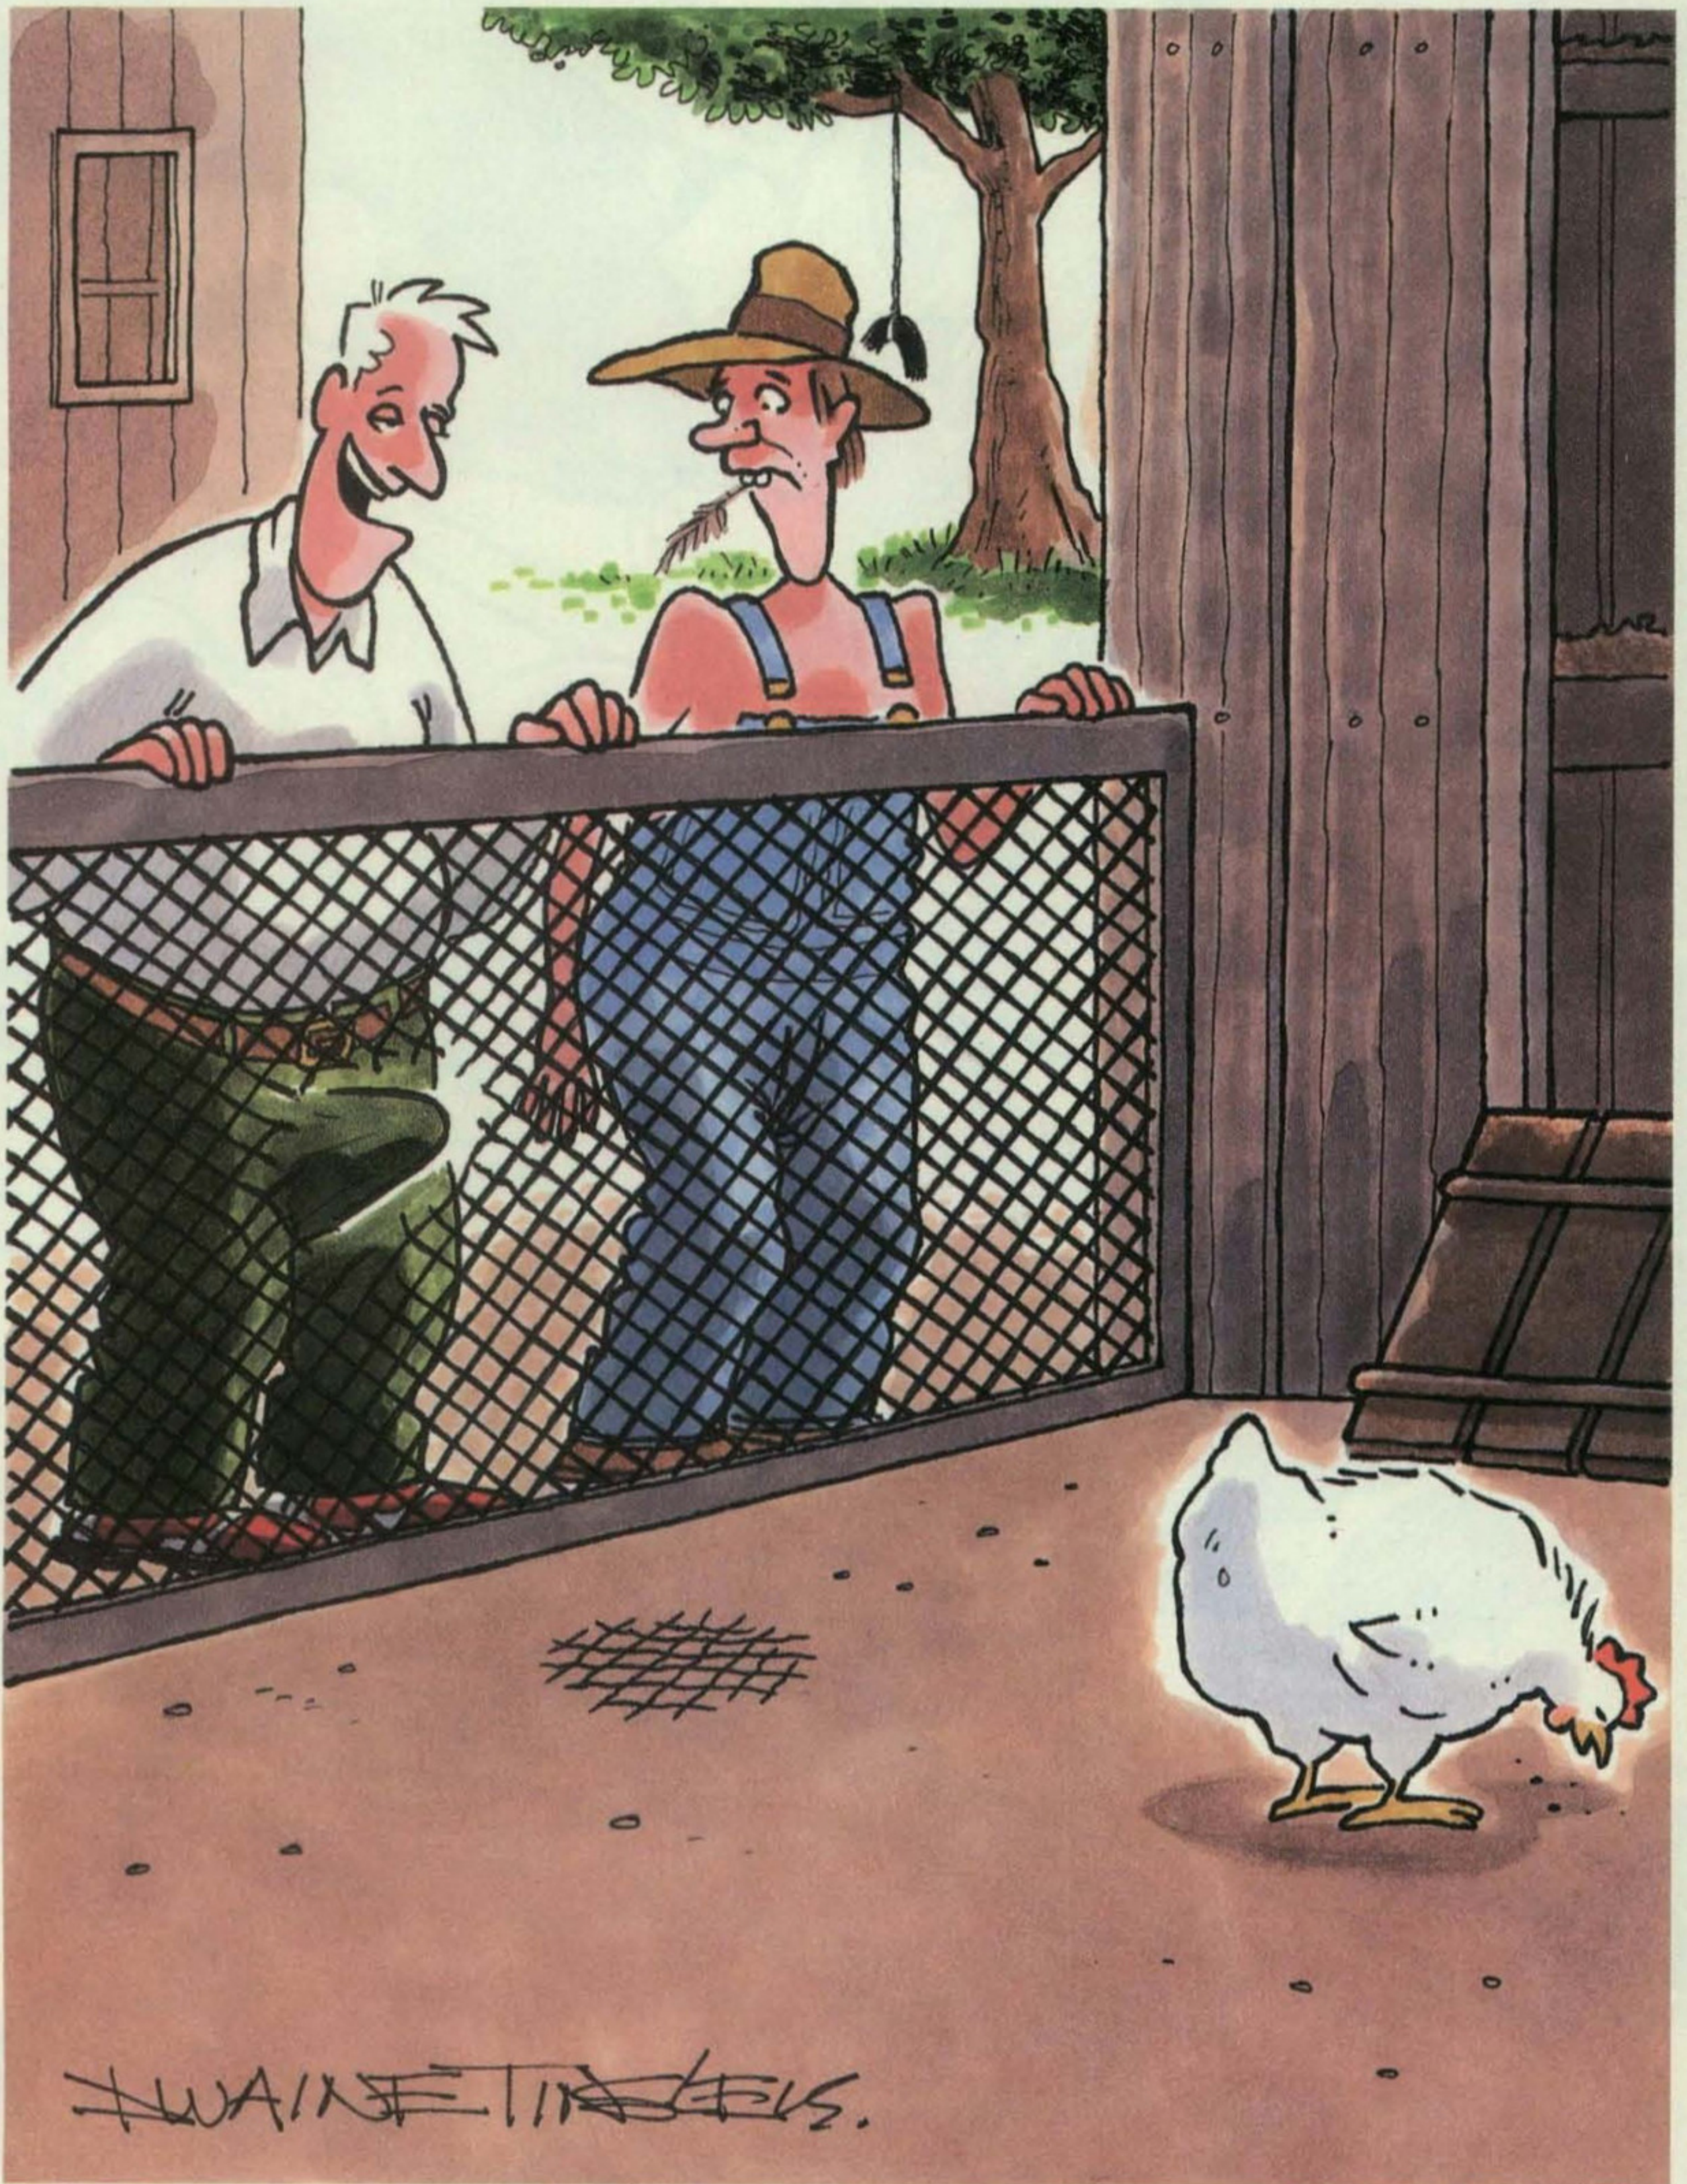

"Hmm, this is new," mulled the doctor. "Try stimulating her with oral sex. I'll wait outside."

Dennis came out about five minutes later, white as a sheet. "Doctor, my wife is dead."

"My God! What happened?" asked the physician.

Dennis hung his head. "She choked."

IS IN THE MAIL

RUMMAGE FOR MAIL-ORDER BRIDES IN THE EX-USSR

TAKE THE PLUNGE WITH PETER GAUGUIN
ILLUSTRATION BY SOPHIE COSSET

In the ruins of the former Soviet Union, having a pussy is a ticket out of a place where opportunity is as rare as a friendly goat. Lustful American pricks looking to carve another notch on the cock, along with marriage-minded men with a love of foreign travel, can reap the fruits of a bumper crop of mail-order sexpots.

Mail-Order Brides

Some of the women pictured in the black-and-white Gold Club catalog are breathtaking; some are only 16 or 17 years old; others make me grit my teeth in horror.

Marriage is the kind of thing I usually promise to pushy girlfriends who carp about commitment. While my would-be wife plans guest lists and floral arrangements, I search for fresh stink and an easy way out. I have been told that this practice makes me an asshole, but I have played the let's-get-married charade seven times, and so far, I have no complaints. Now that I'm getting older, though, I actually need a woman to help me get by; decades of heavy drinking have done some sour shit to my memory.

I want a wife, but I have neither the youth, the good looks nor the income to attract a quality female—one that I would be happy to wake up next to every morning for the rest of my natural life. For the man who has nothing to offer a foxy bachelorette other than citizenship in the most powerful nation on Earth, a mail-order bride is the perfect match.

Taking a wife through the mail has traditionally been laughed off as the last desperate stunt of the outcast, the balding misogynist, or those who have failed at life or suicide. But a deeply grateful affianced, one who is young, attractive and utterly dependent, can be brought back to the United States for the price of a plane ticket and a visa. That said, if the union is a flop and the marriage never happens,

Uncle Sam will happily deport the cast-away girl back to her native country.

Sleepy-eyed peasant sluts from the Philippines have traditionally been at the forefront of the international genital exchange, but economies are collapsing all over the developing world. The mail-order-bride industry is in an era of record growth.

Ukraine and the Baltic states of Latvia, Lithuania and Estonia have become among the largest exporters of marriage-minded women in recent years. My interest is piqued by Latvia, which has one of the highest female-to-male ratios in the world. There are approximately 17% more women than men in this nation of 2.5 million, which makes Latvia a particularly good hunting ground for a ready-made wife.

A catalog from the Gold Club, a "romance tour" outfit based in Riga, Latvia, arrives three months after I request it. Romance tours allow a bachelor to conduct a search for a wife that bypasses the inconvenience of the mail. Flip through a picture book, then meet the hotties of your choice in their native lands. Some of the women pictured in the black-and-white Gold Club catalog are breathtaking; some are only 16 or 17 years old; others make me grit my teeth in horror. Behind every beautiful face is a

sweet plea for intervention. Behind the not-so-beautiful faces is the worried look of a gene set facing extinction.

I gleefully scan the Gold Club catalog. Under each picture are the girl's vital statistics: height, weight, religion and shoe size, along with a short biographical sketch. I am beating the entire system of courtship. Here are beautiful, young women who are willing to go to humiliating lengths for a chance at the American dream. Does anybody else know about this sexual loophole? One girl, #216, catches my eye. Lovely #216 is a youngish blonde with an upturned nose whose hobbies are "caring and water sports." Her face is round and Russian enough that there's no clear expression, no way to tell what kind of mood she's in. Her name is Svetlana, a name I've always imagined to mean "Little Slut."

* * *

It is 5 a.m. at Riga International Airport in Latvia. A bearded man named Tudor meets me at customs. His eyes are blood-shot-red explosions. Tudor, who runs Gold Club from his downtown Riga apartment, seems to be one hangover short of death. We spend the next hour drinking Aldara Pilzenes, Latvian beer, at the airport bar while we wait for the rest of the Gold Club romance tour to show up. One by one, my companions shuffle into the bar—five of them, all in their 40s or 50s.

"Well, fellas, this is it!" says Bill, a man I instantly dislike for his early-morning rah-rah energy. "This is going to be great!"

With the crew assembled, Tudor drives us in a Gold Club van to our hotel in old-town Riga.

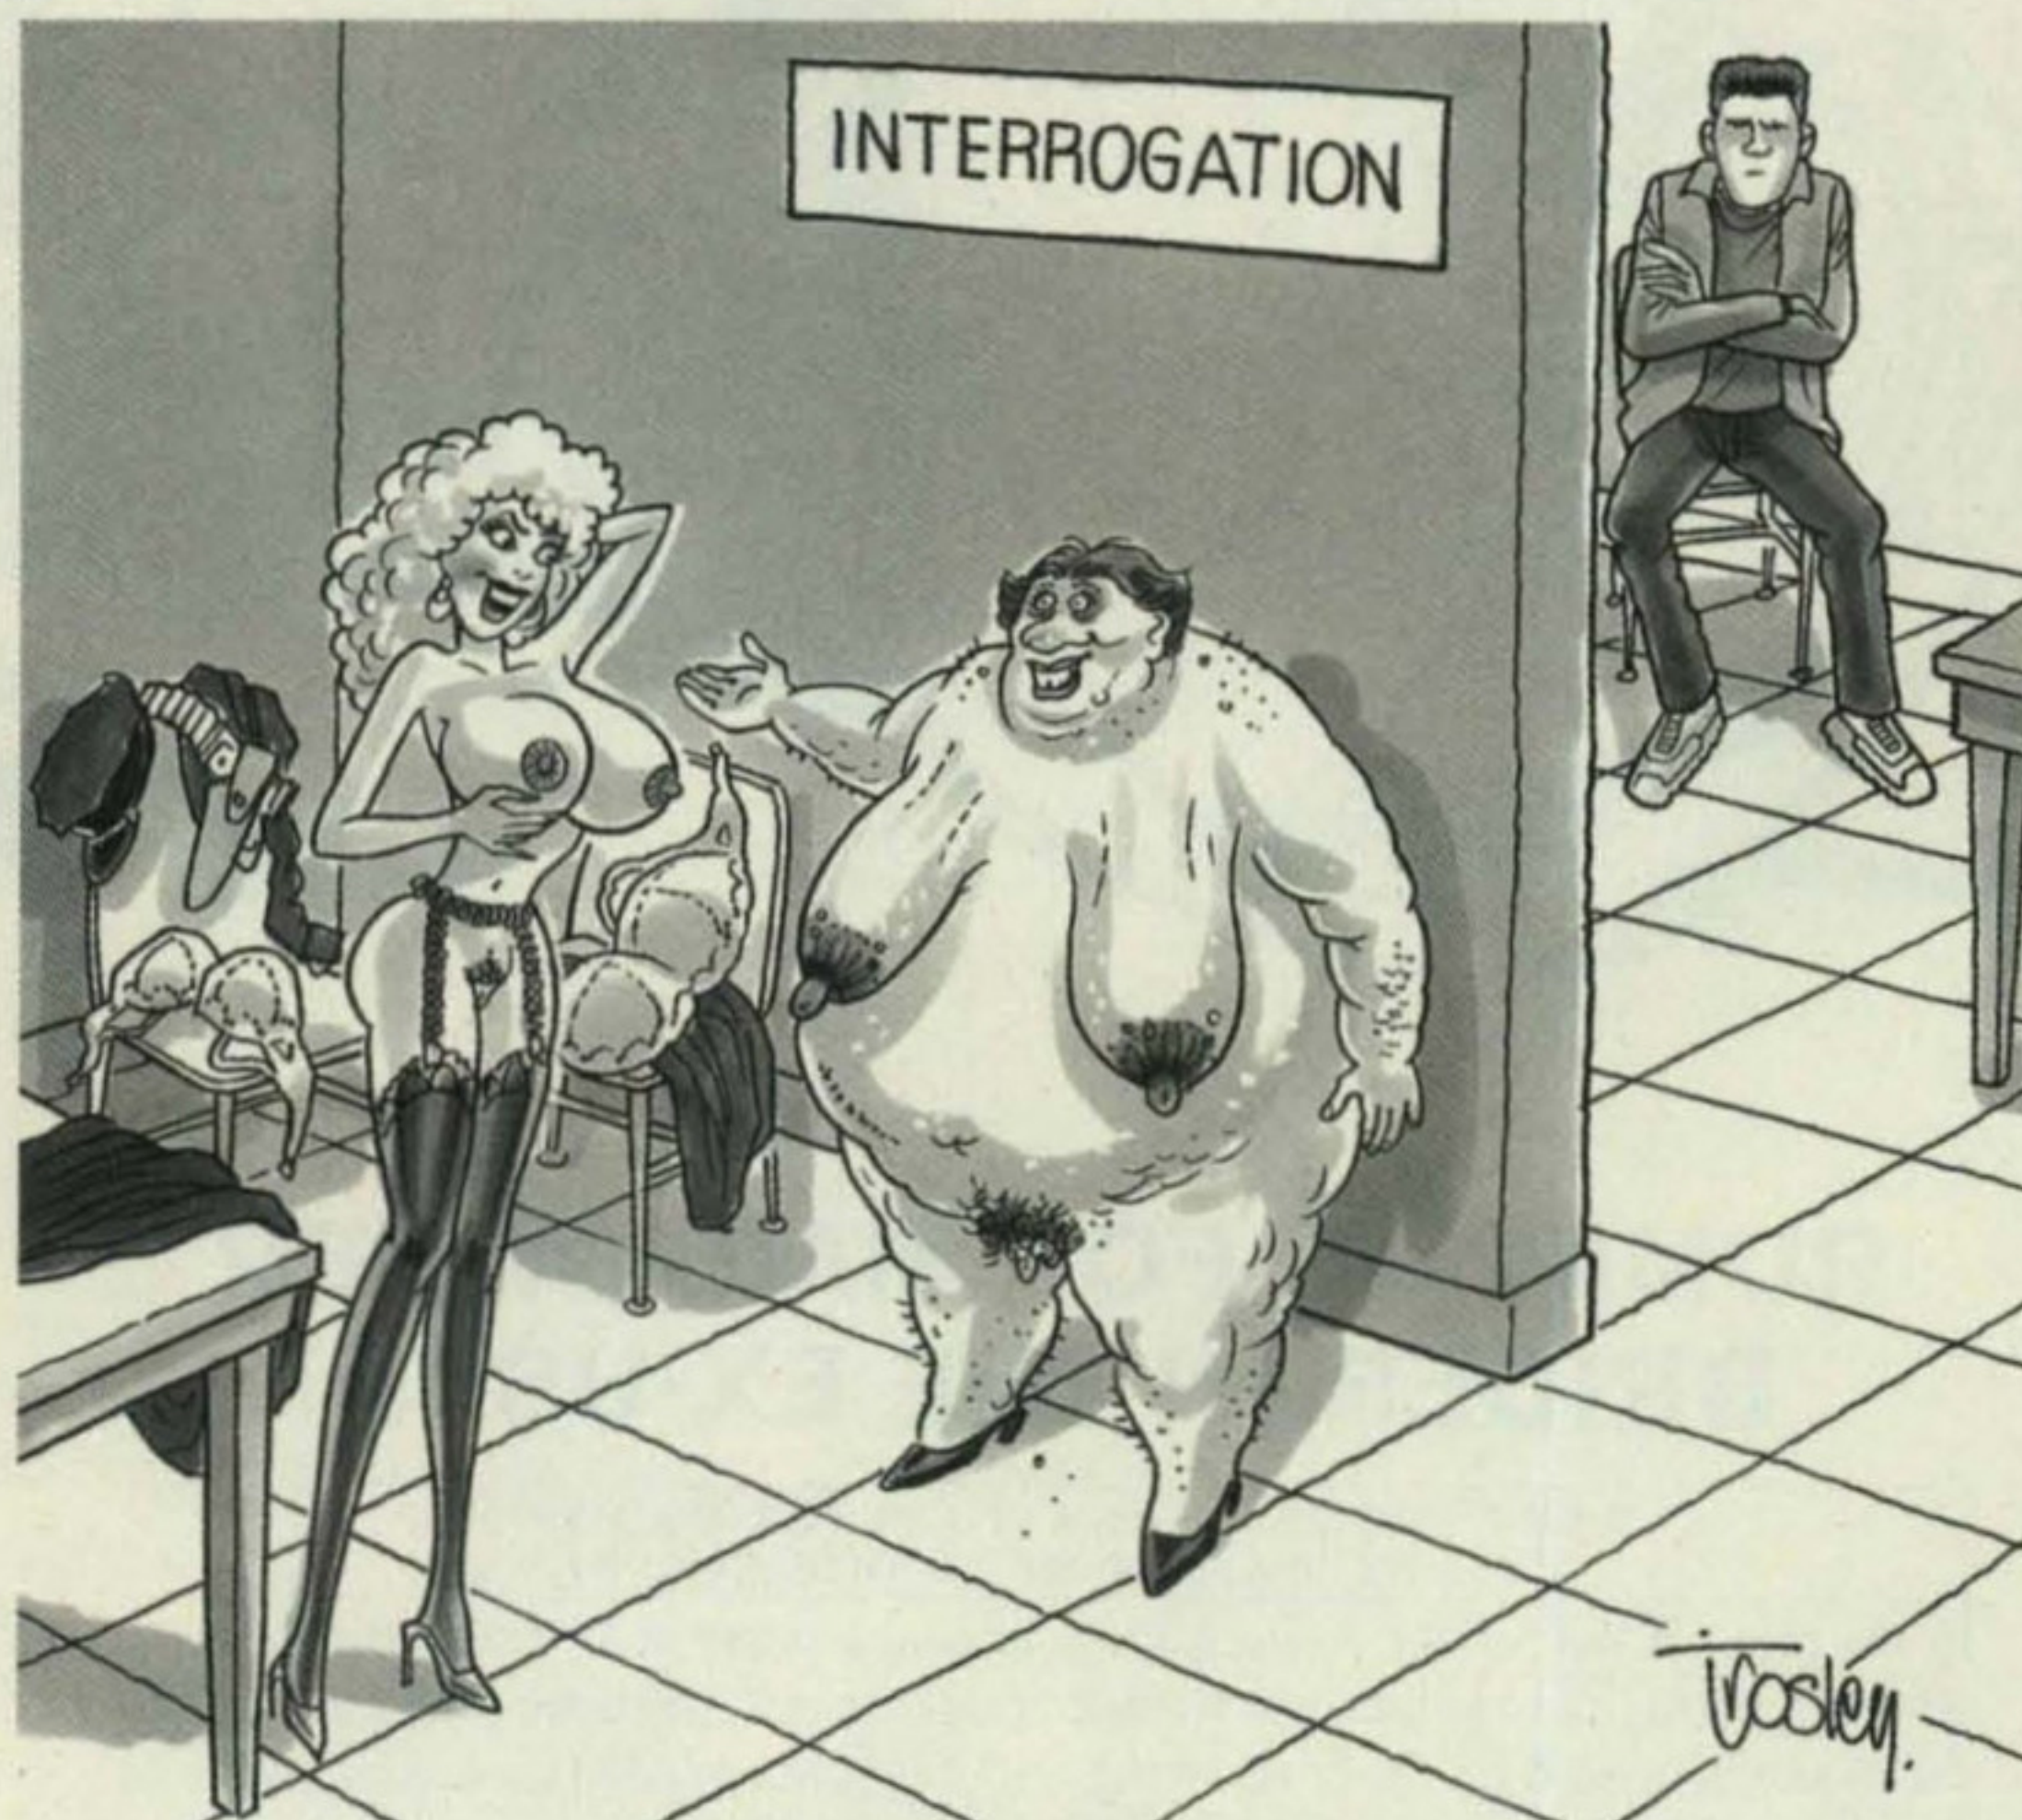

I'm seated next to Carl, a slight man from Yonkers, New York, who wears a demonic goatee.

"American women just don't cut it with me—too self-absorbed," Carl notes. I can't bring myself to respond to any of the moronic blather of my companions. I lean against the rattling window of the van and try to tune out the chitchat.

Tudor drops us off at the ornate, blue-and-yellow Hotel Lev. While we check in at the front desk, our host, translator and guide distributes pencils and questionnaires—obviously part of some ill-conceived matchmaking exercise.

My room at the Lev is small, but the sheets are a reasonable shade of off-white. A black-and-white TV sits on a table opposite the bed. There is a sink near the corner window, but no bathroom. While I'm pissing in the sink, I take my first look at Riga. The city looks like a Bavarian village painted in Easter colors. In the distance stand several modern high-rises and

Plagued by the agitative air that's settled into her home, Gayle hires *feng shui* consultant Harley to perform a reading.

"I'm sensing an imbalance," Harley asserts, waving a translucent wand in search of the disturbance's source.

Gayle rolls her eyes skeptically. *Is this dyke for real?*

"I've found it," Harley snaps. "Your yin is trying to rise, but it's being blocked, creating disharmony."

Harley sets to work, driving the disruptive energy from Gayle's moist pit with muffled incantations to her client's sodden cleft. Gayle issues her own barrage of indecipherable grunts, indicating a flow of positive *chi* to her nether regions.

"I still think you're a quack," Gayle gurgles, "but if you stop now, I'll sue you for malpractice."

Mail-Order Brides

"Do you want to know about my dirty cock?"
I ask Olesia. The blond manhunter, eager to please, nods sort of yes, sort of no, obviously clueless.

a space-age television tower.

For the price of airfare and \$2,250, I have two weeks and a hotel room with a black-and-white TV in a nation steeped in the hinterland of 1980s Western culture, where I will be treated like a minor celebrity. Included are meals and a half dozen social events where I'll have a chance to mingle with the female inventory.

With scores of different mail-order bride agencies out there, particularly those surfacing from the strange depths of the former Communist world, it is just as possible that I have walked into a slave ring or moon cult as a legitimate introduction service. Fortunately, I am flexible, and I have brought enough cash for whichever scenario presents itself.

After a catnap, I grab my room key and walk downstairs to the lobby. Tables have been cleared in an adjoining ballroom. Techno music thumps lightly from a grill in the ceiling.

I recognize Carl standing at a folding table cluttered with bottles of liquor. The other tour-group guys are there too, dressed in sports jackets, talking to women. I am wearing shorts, flip-flops and a Menudo T-shirt I bought at the Salvation Army. I wave to the guys, who pretend not to notice me. *Bastards.*

Despite the abundance of liquor, the

mood at the mixer is as awkward as a middle-school dance. For the first half hour, the room is flooded with cunning sluts—gum-chewing young Russians in evening gowns with flawless faces—who move quickly between the men, asking, "What is your job?" "What is your salary?" "What is your car?"

There are enough of these types back in America. A second wave of girls sifts into the ballroom. Perhaps they are on a circuit, visiting men staying at other Riga hotels on other romance tours. Who knows? Some girls are bold; some are shy. They wear bright dresses, pantsuits and the strange, checkered sweater-vests only found in Eastern Europe.

We, the dashing, young bachelors of the Gold Club tour group, look like goofs. Nonetheless, we are being treated like sheiks. As women parade before us, seductive and submissive as the members of a harem, Bill, our cheerleader, who looks particularly smart in a corduroy suit, trips over his feet and lands hard on the parquet floor of the ballroom. We are a cross between a conquering army and a group of retards on a field trip. We are a conquering army of retards.

At the liquor table, a porky, raven-haired bruiser in a green-sequined dress bumps me as she pours herself a paper

cup of vodka. Her name tag reads: LUDMILA, #014. She takes a healthy gulp of firewater and smiles.

I whip my head away to avoid eye contact and find an odd-looking but still-attractive blonde with dark-blue eyes standing in front of me, smiling. She wears a tight, tan turtleneck with an enormously swollen neck roll—seemingly some type of flotation device. A name tag on her left breast reads: OLESIA, #349. She points at my shirt.

"Menudo," she says admiringly. She has slanted, almost-Asian eyes. Her turtleneck is tucked in, and her ass is overstuffed.

I offer her a drink, which she refuses. Not surprisingly, she speaks little English. I don't speak Latvian. We smile at each other stiffly.

Carl sees that I have made contact with one of the locals and joins us, apparently in an attempt to steal Olesia away from me. Carl pats her on the ass—a low-class move on his part that makes me a little angry. I seize a fierce handful of Olesia's bottom, then slide my hand in against her ass crack. The whole jiggly works of her rear end gives way in my hand.

"Jesus!" I say.

Olesia looks at me, her beautiful face in full, red blush. "Do you love me?" she asks.

"Well," I say, "Love is a very tricky proposition...."

"She knows, like, 20 words of English," says Carl. "She won't understand you."

"Oh," I say. "Do you want to know about my dirty cock?" I ask Olesia.

The blond manhunter, eager to please, nods sort of yes, sort of no, obviously clueless.

"It needs to be washed twice a day," I say. "Do you understand? Can you do it?" I nod at her.

Olesia returns my nod and smiles sweetly.

"Do you like the sound of that, Olesia?" Carl asks.

"Olesia," I interrupt, "we can have anal sex, but only if you do all the work."

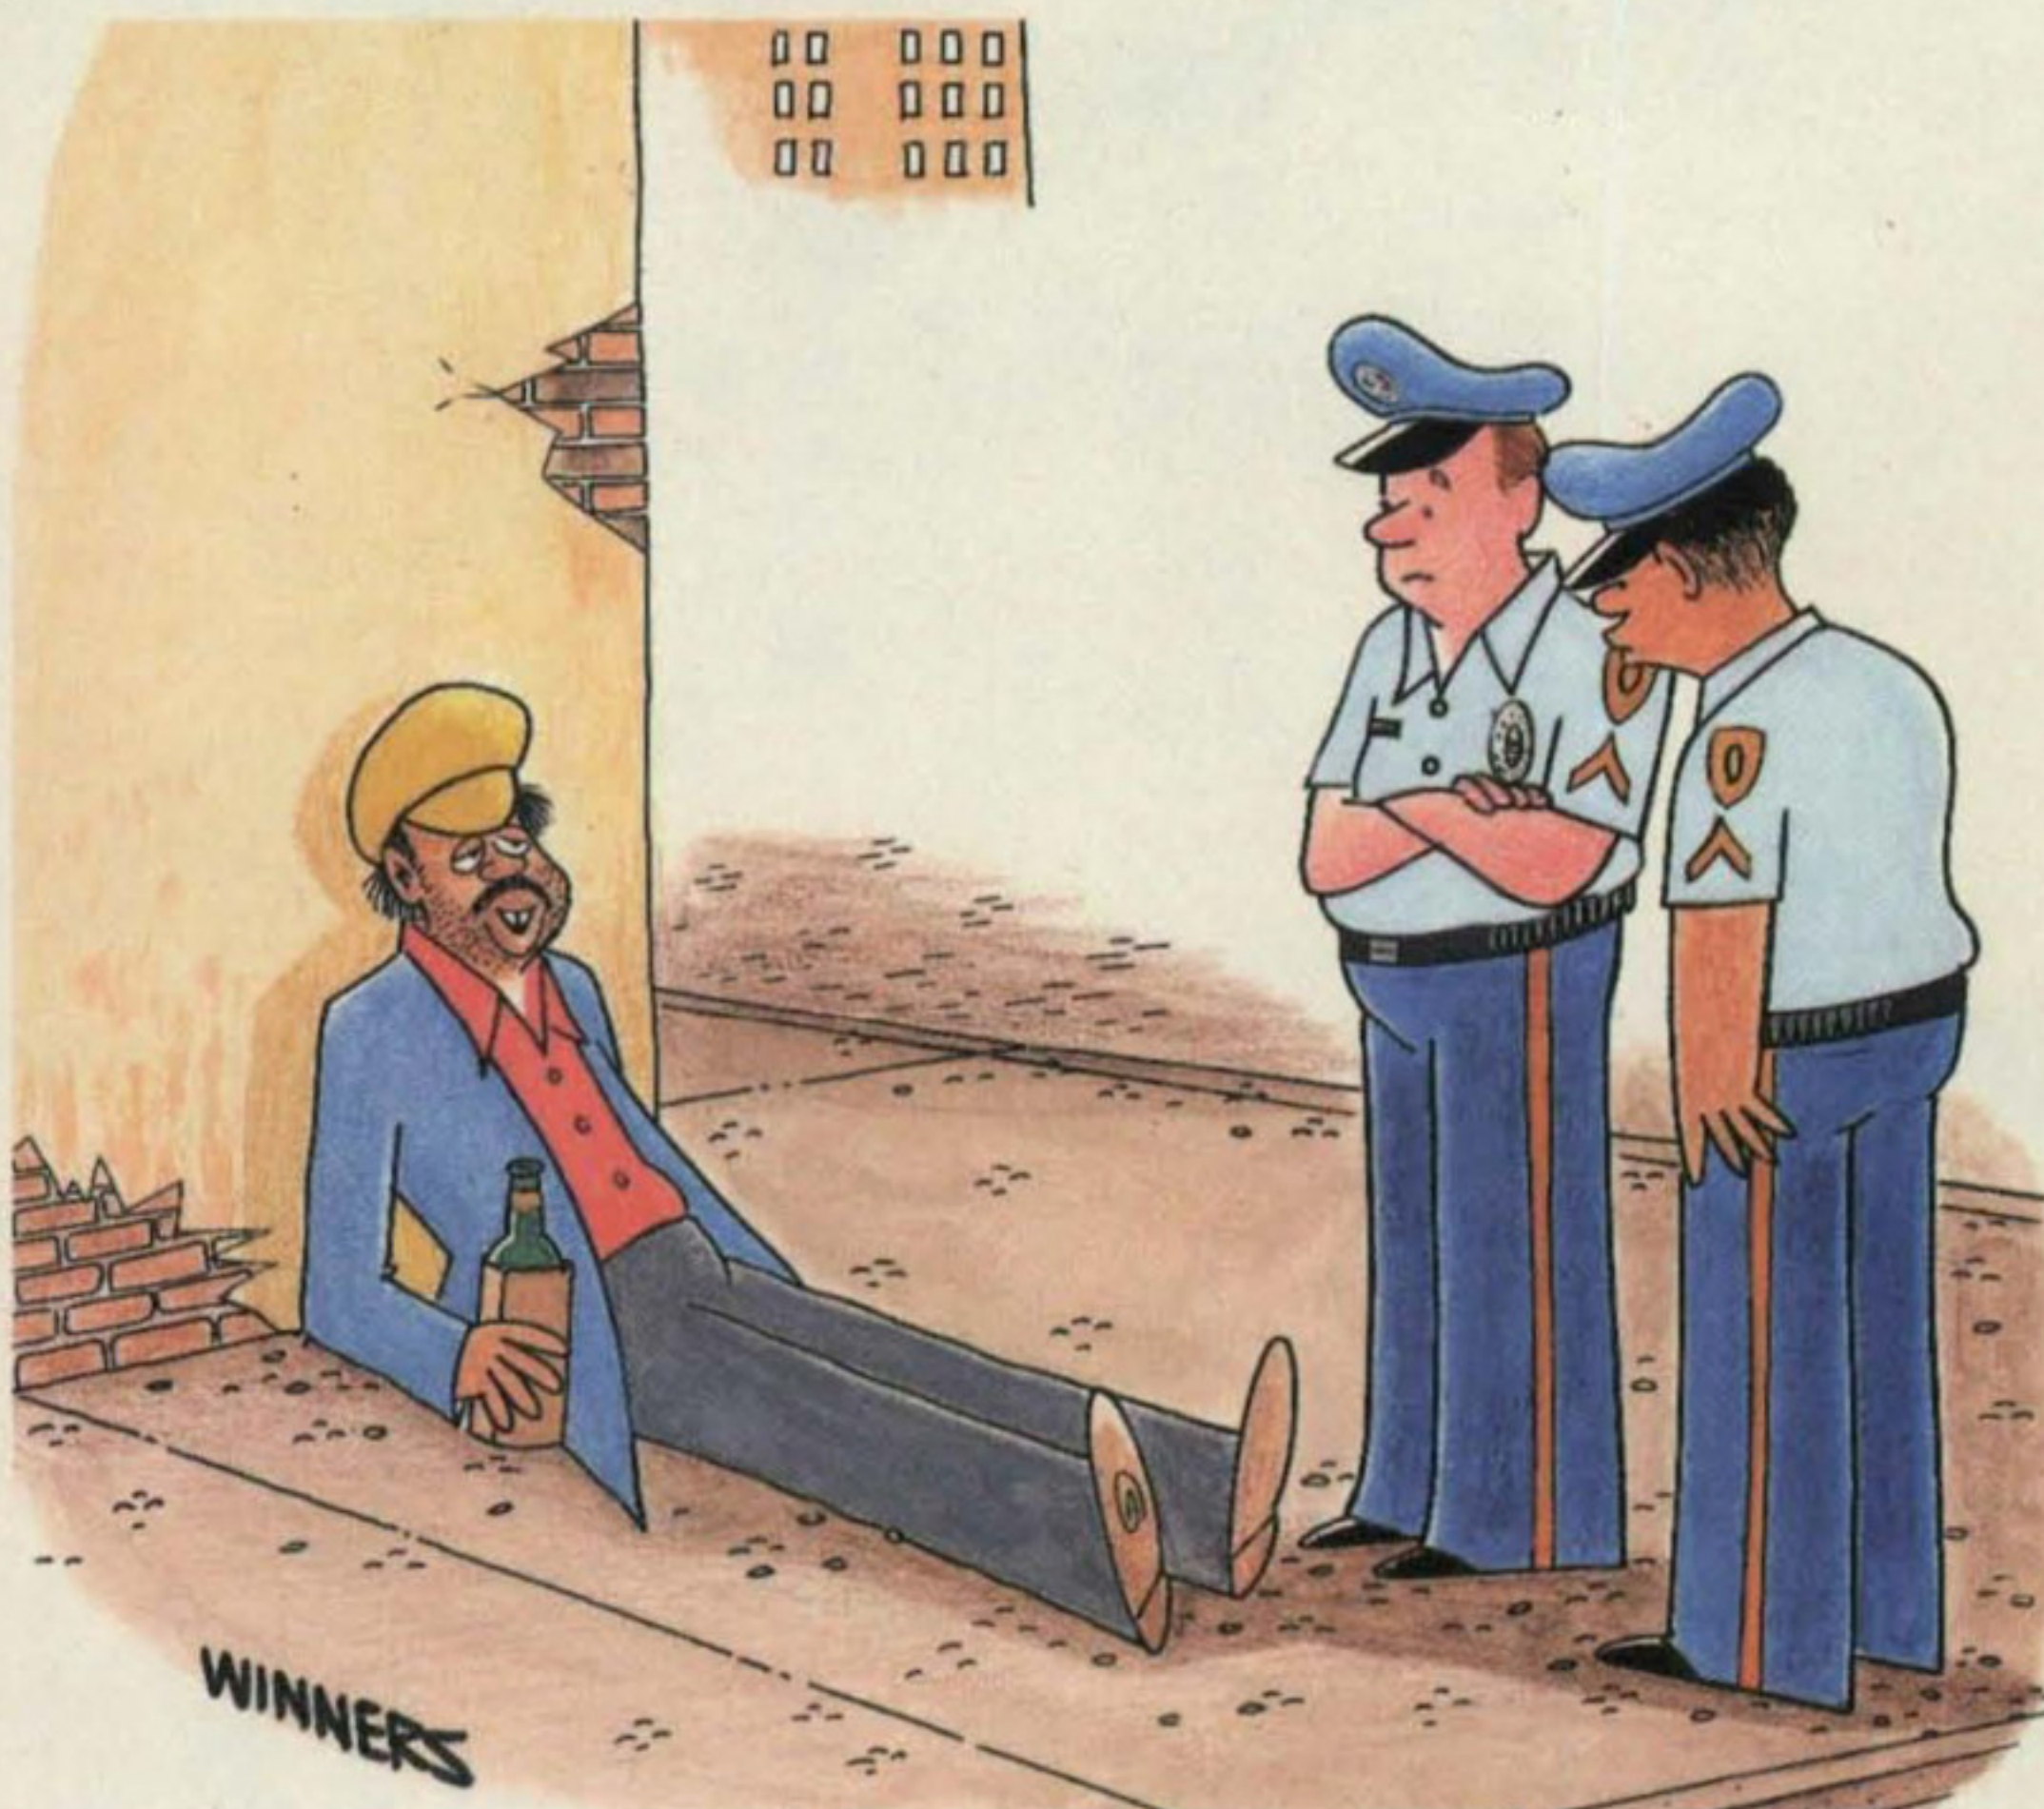

Olesia watches as Carl and I laugh. She seems confused, but maintains an enchanting smile while we competing males enact a moronic contest for her affections.

"Olesia," says Carl. "I want to catch a turd. Can we set something up?"

"Olesia," I say, "this man is obviously a pervert. He doesn't love you like I do."

Olesia holds my hand for the rest of the evening, even as I speak with other women. Late at night, as the liquor runs

"My dad used to say, 'Boy, you ain't never gonna amount to shit!' Well, I sure wouldn't want to make a liar out of my ol' man."

Mail-Order Brides

Olesia makes foreign moaning sounds. I turn her over and lick her beaver, then strap on a suspiciously thin post-Communist condom and mount the bitch.

(continued from page 94)

out, and I haven't been able to trade up for a better mate, I grab Olesia's other hand.

"I can get you a green card," I say, "but you've got to come back to my room tonight."

Olesia smiles.

I hurry back to my hotel with my catch, but the desk clerk refuses to allow Olesia up to my room because she is not on the Lev's official staff of whores.

Olesia motions for me to follow her, and we trek for 50 blocks through a working-class neighborhood to her apartment, a cramped, green-carpeted pad on the top story of a five-floor walk-up. I can smell eggs being cooked somewhere in a neighboring apartment. An old lady built like a sack of flour barks at Olesia in Latvian as we walk in. While the two take their tiff into another room, I rummage for grub. The kitchen appliances are all massive state brands from the Soviet era. I open the refrigerator door to look for a drink. The icebox is warm inside. And empty.

Olesia returns, and the old woman heads for the door in a huff. Olesia is near tears, but there is no time for stupid Eastern-bloc quibbles. I grab the blonde by the hips and lead her to the bed. I kiss her stomach and pull her shirt up. Olesia makes foreign moaning sounds. I turn her over and lick her beaver, then strap on a

suspiciously thin post-Communist condom and mount the bitch. After only a few dozen thrusts, I spew. Why wait?

Olesia slips into a robe and wipes the sweat off my forehead with the thin bed-sheets. I actually feel ready to pay for this woman's green card.

Out of the corner of my eye, I detect movement in the other room. There appears to be a small mammal, possibly a very large rat.

"Jesus!" I say. "There's a fucking kid in there!"

A sleepy child walks out of the shadows of the next room, yawns and clutches Olesia's leg. Right away, I can tell this kid is a little shit. He has a ruddy face and a dumb haircut. The kid is maybe eight, but still wears diapers. Could be a retard.

"This is my Little Bear," she says.

"Hello, Little Bear," I say.

Little Bear stares at me. On his left cheek is a birthmark. He buries his face in his mother's ass cheeks.

"Hello, Little Bear," I repeat.

He clings to his mom and doesn't answer. Little shit.

On the nightstand are dozens of picture frames. Some of them are of Little Bear. I'm not fit to be a father. I'm not fit to be a husband. I'm not going to share that good, squishy ass with some weird fuck-

ing kid. As Olesia sings a lullaby to her son in the next room, I quietly put my clothes on and leave.

* * *

Latvia has one of the highest rates of alcoholism in the world, but an average salary of only \$150 a month; so it's a pretty easy place to make friends. Per capita, Latvians drink six liters more liquor than any other nation. With that in mind, it is best to stick with local custom here: Get sauced early in the day and stay that way.

Latvians may be boozeheads, but centuries of drunken genetic exchange have produced some of the most beautiful creatures in the world. Pretty Eastern girls tend to have one feature exaggerated, be it the lips, eyebrows, cheekbones or eyes.

Alcohol is the only available social lubricant in a series of get-togethers organized by Tudor and his incompetent staff of half-wits. Over the course of the two-week Gold Club romance tour, my five American companions and I knock back ungodly amounts of vodka, but even so, Tudor's lineups of chicks don't look like they'll be worth the cost of shipping and handling. Like shitting in the shower, which could be a clever shortcut, taking a foreign bride starts to seem like a logistical nightmare—to me anyway—a miscalculation involving more trouble than imaginable.

Toward the end of my stay in Riga, I have met three Svetlanas, though never #216, the hottie I spotted in the Gold Club catalog. At an event held on the birthday of Guntis Ulman, a former Latvian president, I meet a Svetlana, a fine-featured Russian who might fit the job description of bedmate and housekeeper.

"Do you like Dingus?" she asks me.

"Sure," I say, and take her hand. "What the fuck's Dingus?"

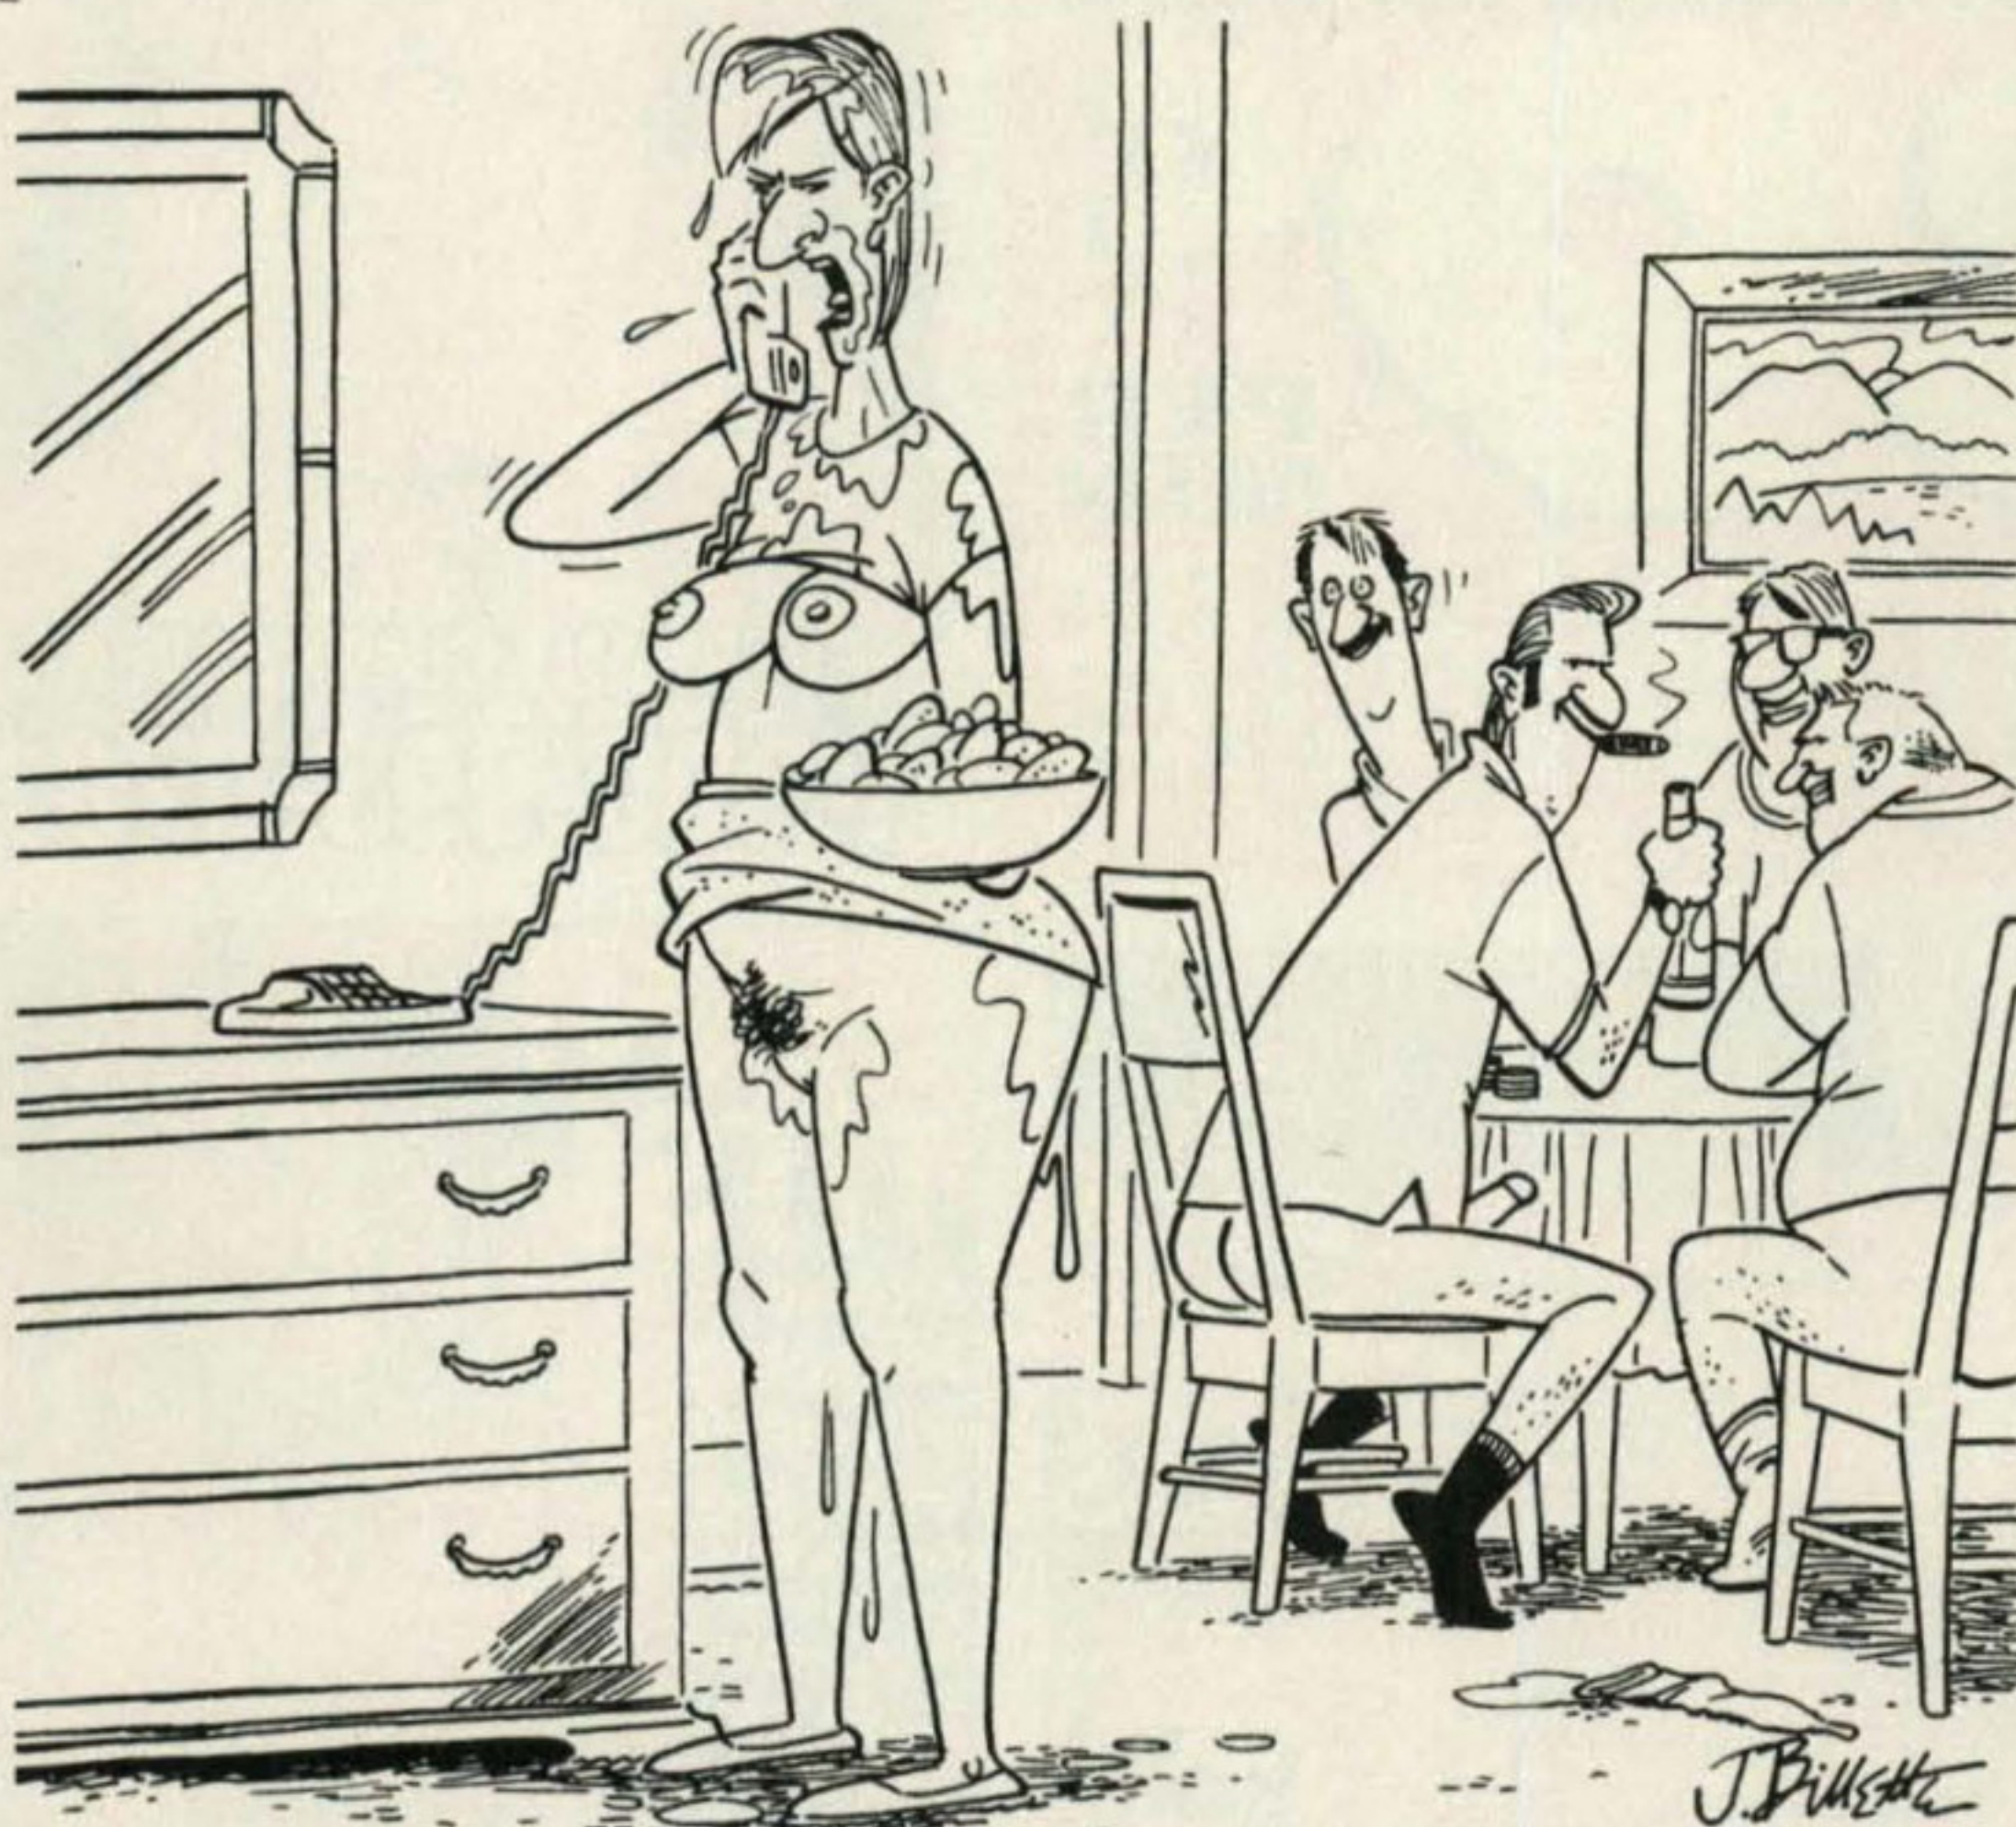

The next day, I find out.

The sun is shining, and Svetlana carries a picnic basket. She has transferred her name tag from the night before onto a striped vest. Svetlana's name tag tries to peel itself free; she keeps pressing the sticker down. We walk through the city holding hands, past long blocks of Soviet-style high-rises, all identical yellow buildings with white balconies. At Vermanes garden, a stately urban park that teems with children, Svetlana and I sit on the grass facing a band shell. A screeching sound comes from the stage.

"Dingus," she says, and points to the band setting up its equipment.

Dingus turns out to be the cultural equivalent of a wet fart: a Latvian rock band wearing matching vests and mullet haircuts.

(continued from page 102)

Svetlana has a hip here, a breast there, but nothing overt; nothing to make me want to share my citizenship. I stroke her back, then send my hand down the back of her jeans; I can feel all kinds of loose pussy parts through her underwear. The prude squirms away from my hand.

"I want a man to be a nonsmoker," Svetlana says by way of a kiss-off. I, apparently, fail to meet her criteria for a sugar daddy. What did she expect me to do on a date? Talk?

* * *

I don't see Olesia again until the night of the Gold Club-sponsored goodbye party. Nobody has seen Tudor for days. There are rumors that he has died. Olesia shows up in a bright-yellow dress; her lips are as red as lips can be. My fuckmate of a week before seems different; she seems desperate. Probably because she knows I'm leaving.

"You eat my dinner?" Olesia asks, by which I understand that she is inviting me back to her apartment. Just to make sure I'm hip, she lifts her skirt and shows me a garter belt on her tanned thigh.

It is dark and quiet at Olesia's pad. I'm eager to show her Little Prick who's boss. Olesia kneels and pulls my zipper down with a strong tug. She takes my cock out and licks it lengthwise like an envelope. I

run my hands through her hair. She pulls me inside her warm mouth with a sweeping tongue motion, every once in a while giving a hard suck and flaring her nose. I turn her around and pull her bright-yellow dress up around her hips and move her white, little-girl panties from the grip of her garter belt. I palm her cheeks and give them a smack. Her ass wiggles like a flag in the breeze.

A few minutes later, I'm pounding Olesia for the second time—it's pure, bruising pleasure. With one great thrust, my cock shoots a giant flying saucer of cum into her pretty, blond hair.

Olesia walks into the kitchen area and tries to pour a glass of water, but the faucet doesn't work. I flick on the table light to see what that bastard Little Bear has to say about me fucking his mother.

The bedside table has been cleared of all the pictures of the boy.

"Where's Little Bear?" I ask her.

She gives me a nonsense look. "Who?"

"Your kid," I say. "Little Bear. The little ruddy-faced asshole. Where is he?"

She smiles. "No Little Bear," she says. Her apartment has been cleared of every trace of the little monster she gave birth to. My eyes go to a suitcase by the door. Olesia chops an onion. "No more here," she says. "We go to America tomorrow?"

Viagra

(continued from page 68)

offer me a drug that could totally kill me, just so you can get your scene done—if directors keep handing out Viagra to these performers, sooner or later, somebody is going to die."

Viagra is a prescription-only drug that requires a consultation with a doctor, yet the medication is readily available to anyone who wants it, especially over the Internet. Dozens of Web sites peddle Pfizer's little blue pill. Remarkably, porn Web site IEG (Internet Entertainment Group) has set up IEG Medical, a site that dispenses the wildly popular impotence drug.

"Need Viagra? No Prescription? No Problem," proclaims www.orionstar.com, a cyberpharmacy. An online buyer completes a consultation form, provides payment information, agrees to conditions of liability and fills out a brief health questionnaire. Appropriate answers and credit-card approval are rewarded with as many as 120 100-mg tablets of Viagra, sent through the mail.

"There is a problem with the Internet," concedes Dr. Goldstein. "There's an awful lot of Viagra being sold on the Internet, which is not physician-mediated, and, for the life of me, I can't understand how the FDA allows this to happen. I've never understood how in the United States of America this could happen, but it certainly does."

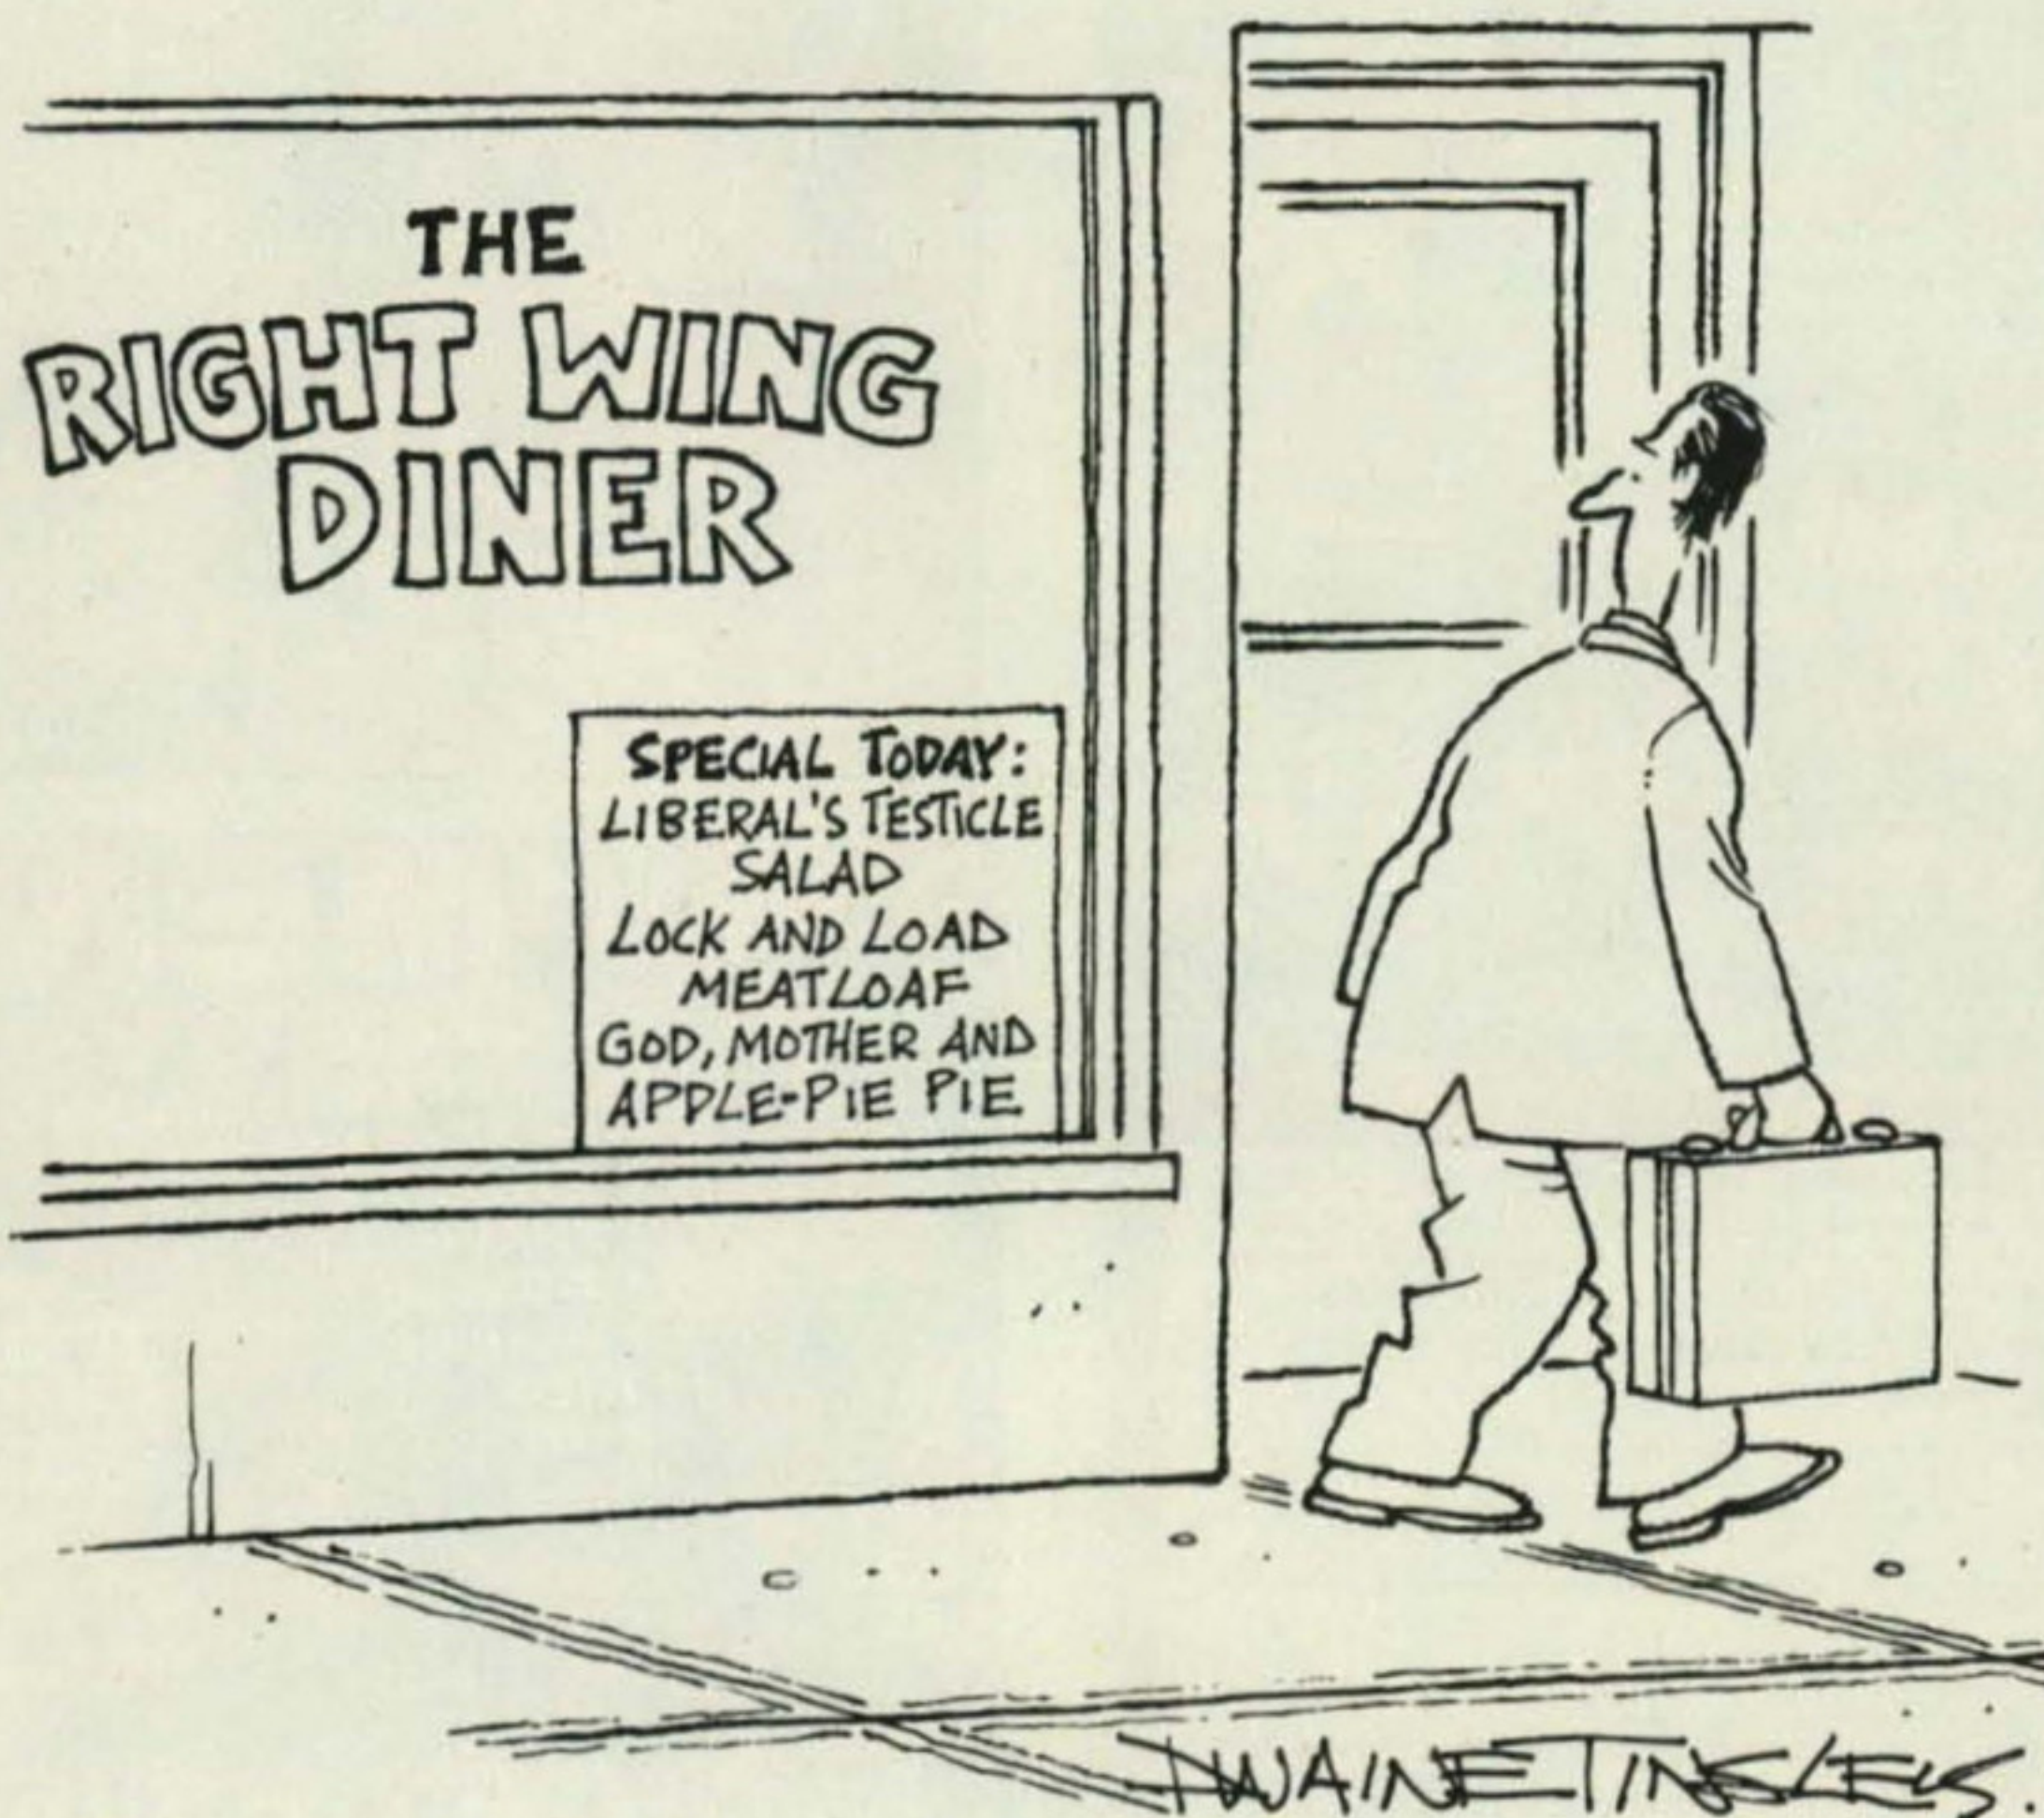

As long as Pfizer's bone-stiffener is used safely, what does it matter if adult performers use the drug? Are artificial hard-ons akin to artificial breasts—a matter of taste?

"There are many people within the adult industry who are completely against the use of Viagra," says Deja Blue, the lithe, blond star of gonzo videos. "I don't care, as long as they can get it up to do a hot, nasty scene, and they can come when it's time."

A silent majority of porn stars may have already accepted Viagra as an everyday tool of the trade, but critics insist that the drug has degraded the XXX profession.

"Viagra created an even bigger bridge between men and women, because now the man feels like he doesn't even need the woman," says Herschel Savage. "Most men in the business could just as well be masturbating when they're with a woman."

"I'm a sensualist; the act of pleasing a woman really turns me on," Savage adds. "Now, with Viagra, you don't have to be anything. Women are natural lovers, but there are not a lot of men like that, and Viagra could never help that."

"Price check: rimjob, alley two!"

Now That's Entertainment!

Bad Wives

When They're bad, They're (oh so) Good!

Melissa and Dyanna star in this steamy and erotic masterpiece about women who get back on their cheatin' husbands. Includes the sexy three-way in the walk-in freezer scene that clinched Missy's victory as Hot New Starlet in 1997. (AVN Video of the Year, 1998)

Sweet Revenge

Don't Piss These Babes Off!!

Melissa Hill enlists some help from her girlfriends Kaitlyn, Mia, Madelyn, and Sahara to get some sweet and sexy revenge on her no-good boyfriend before she fucks him one last time and then kicks his ass to the curb!!

Blow Dry

There's a lot to be said for a little trim!

Jenteal is a hairdresser that gets more tips from her blowjobs. Kobe Tai flips (literally) for Mr. Marcus when he tongues her steamy pink box.

Hot Letters

(continued from page 43)

I thought maybe she had lied to me, and that a steaming doody was about to land on my nose. Thank God, her acrid stream of yellow heat let loose upon my chin with an audible hiss.

"I can taste your sperm in the back of my throat," Tiny gurgled. She shook from head to toe, came quietly and asked me to pull out very slowly.

Although I enjoyed our drunken rendezvous, I denied Tiny's further requests for monster cock. It's true what they say about the uncomfortable nature of banging some broad at work. Besides, I've got to save something for the moms. —J. H. Bensenville, Illinois

NAD NOG

The office Christmas party is always a goddamn bore. I tried to liven things up this year by making a crack about jerking off in the eggnog. Everybody looked at me like I was some kind of sick fuck. Christ, can't they take a joke? I stormed over to the bar, cursing under my breath.

"Hey," said a soft voice behind me. I turned to see the staggering form of Mollee, a shy new chick who just started working on the executive level. She's been with the company for two weeks and is practically my boss. It's not hard to see why: Mollee's hotter than fuck, with big, ripe teats and a luscious backside. I tried not to make eye contact with the fox, as certain facial expressions were decreed as sexual harassment last month.

She explained, "I thought your plan to spice up the eggnog was pretty funny. People are just uptight because somebody's been sneaking into the vice-president's office and pooping in his trash can. He's very upset about it." I laughed out loud.

"A turd for a turd," I sneered. "He deserves every nugget." Mollee moved in close enough for me to smell her perfume—along with another muskier scent.

She panted, "I know. That's why I've been pinching loaves in his wastebasket. I can trust you, because you're a kindred spirit. Follow me." I couldn't believe my eyes; gorgeous, sugar-dripping, good-girl Mollee was a secret poop freak! Now she was leading me toward the stairwell, away from prying eyes. My heart raced. Did she plan to fuck me as a Christmas bonus?

"Only one more floor," she whispered. I was beneath her large, tempting rump, following each jiggle as she climbed the stairs. Hard to believe cheeks so sweet could provide such a nasty surprise. The temptation to reach out and lift her tight skirt was overwhelming. I resisted for the sake of my measly paycheck.

Our march brought us to the vice-president's office. Mollee deftly picked the locked door. She exclaimed, "Here's where it all goes down," in an excited tone that was definitely aroused. "Put your face

over the trash can." I froze colder than the subzero temperatures outside.

"What?" Mollee pulled up her skirt and removed a pair of black panties as if this were the most utterly normal scenario imaginable.

"Let me squat over your face and shit on you. You're into scat, aren't you?" I was not into taking a stinky log in the mouth, even if the source was Mollee's perfect, pale keister, so temptingly displayed before me. Perhaps I could redirect her plumbing toward a more pleasant secretion.

Sliding my hand between Mollee's baby-soft thighs, I playfully suggested, "Why don't you piss in my mouth instead? That way, you can splatter all over dumbfuck's carpet too." Like the servant of a master hypnotist, Mollee swooned and squatted. I crawled beneath her. A delectable hair pie hovered mere centimeters above my face.

She paused and grunted. For a second, I thought maybe she had lied to me, and that a steaming doody was about to land on my nose. Thank God, her acrid stream of yellow heat let loose upon my chin with an audible hiss. I've had a golden shower or two in my day, but nothing has ever compared to the sight of her pink, polite pussy spraying above me. Her intimate lips quivered, and Mollee exhaled. I realized she

had just experienced a tiny orgasm. The time had come for me to provide her with a bigger release. Before Mollee had a chance to open her clenched eyes, I leapt to my feet and grabbed the back of her head.

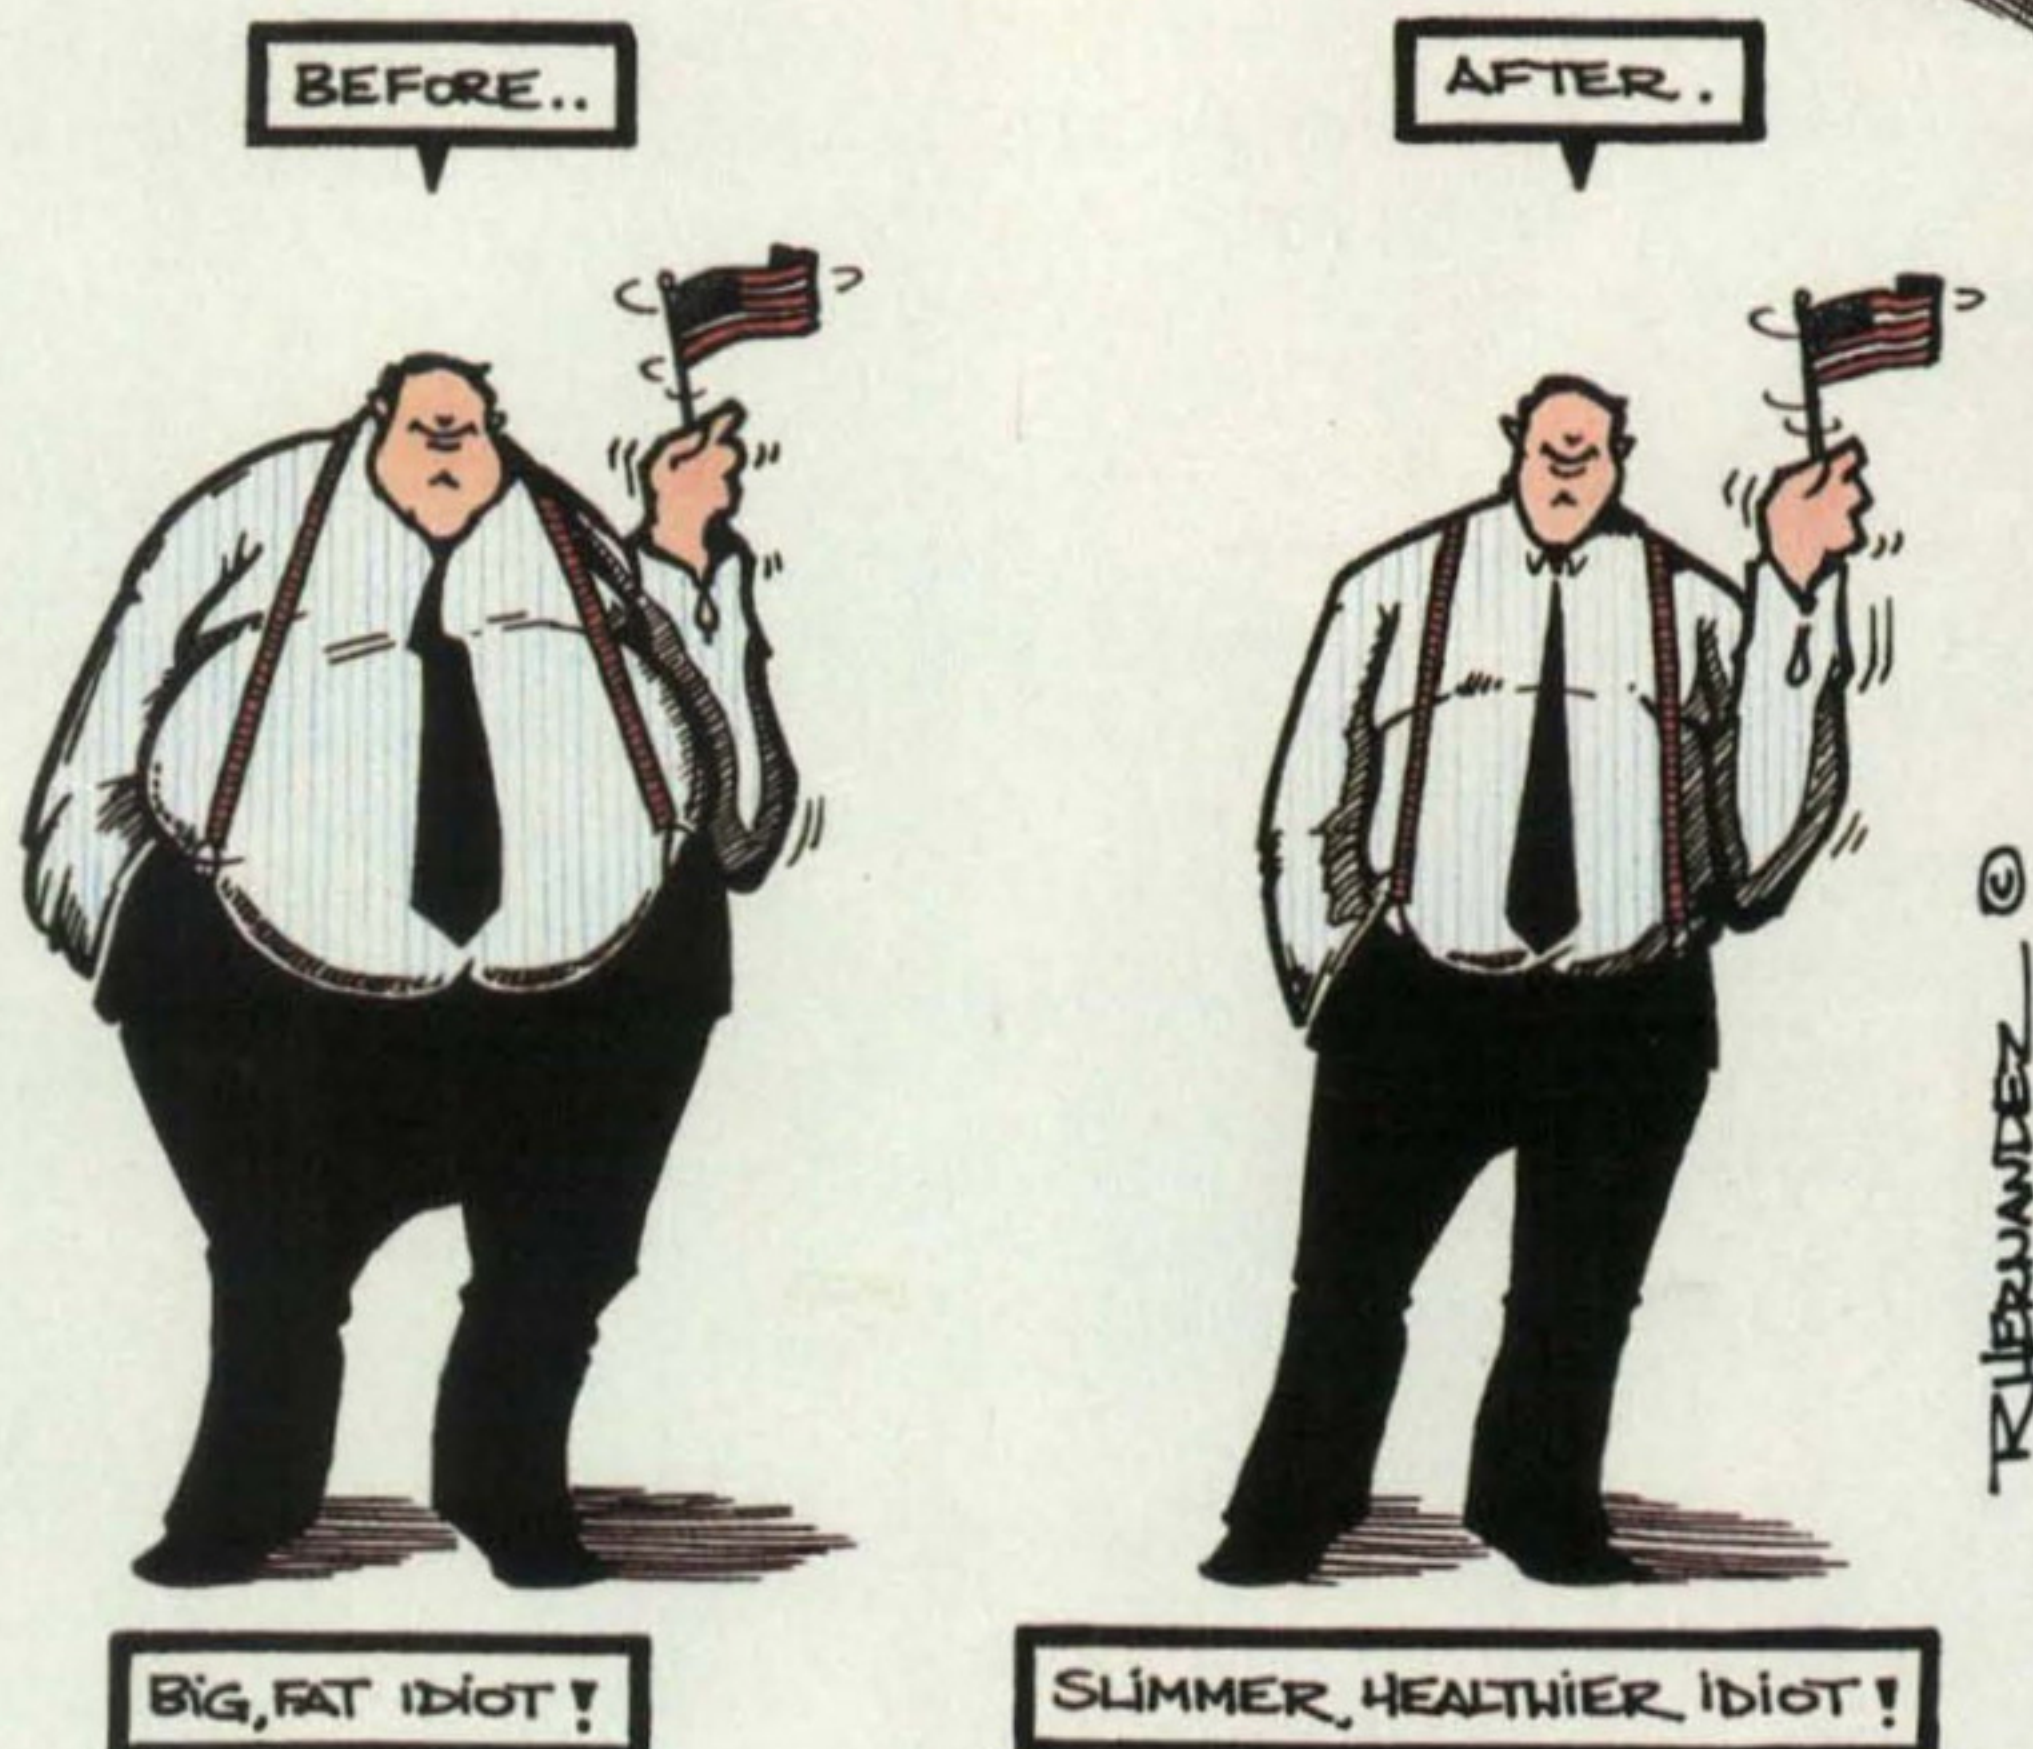

"That must have made you thirsty," I growled, yanking her long, dark hair to pivot her dirty mouth to a toilet position. "Care for a drink?" I unzipped and immediately produced a pungent, stinging lash of urine. The initial squirt caught her in the eye and was followed by a veritable flood. As the steamy stuff trickled down her neck, over her bosom and between her legs, Mollee fingered herself like a maniac. She came loudly, then licked my dangling pecker clean.

I thought about ordering Mollee to strip, then dropping a load on her mouth-watering chest and taking pictures of the event for blackmail purposes. However, I decided I'd place the importance of my dingdong above making a better salary. There's a heartwarming Christmas sentiment for all my fellow perverts. I'm going to get a plate and ask Mollee to leave Santa a yuletide log.

A POLITICAL ANALYSIS OF RUSH LIMBAUGH'S WEIGHT LOSS...

The 12-Schtup Program rhonda

PHOTOGRAPHY BY JOANIE ALLUM

"I hit rock bottom last year when I wrapped my car around a utility pole during a two-day bender," reformed lush Rhonda sheepishly recalls. "The court ordered me to undergo alcohol-abuse counseling. It ended up being the best thing that ever happened to me. I learned to redirect my addiction to the bottle into less destructive activities."

Brandishing a long-empty champagne magnum, Rhonda demonstrates how she tamed her former demon. With one swift thrust, she fills the inner void that liquor refused to quench. A satisfied sigh attests to her recovery.

"I know now that I'm not going to find the answers to my problems at the bottom of a bottle," Rhonda testifies. "A bottle up my bottom though—well, that's a whole different story."

Our Austin Powers send-up provides '60s sperm for modern female booty. *Yeah, baby!* Begin the new sexual century with a bang with the January 2000 HUSTLER.

HUMAN EXTINCTION BY Y3K?

Will the human race survive until the year 3000, or are we headed toward imminent disaster? Our species has been an enormous success, but all good things must come to an end. Scientists, religious fanatics and other experts differ on the details, but most agree that the end is near. As top dog on the planet, humankind has consumed more than it can replace. Global warming continues; our glaciers are melting; the soil is exhausted. An apocalyptic depression is upon us and will force our extinction, but when? Is there anything that can be done to stop it? Is colonizing Mars our only hope? Discover the truth in the January 2000 HUSTLER.

INVOLUNTARY VIRGINS

Enjoying good sex is the birthright of every human male, but many men remain virgins well into adulthood. These men would kill to taste the pleasures of a woman, but they won't allow themselves, for a variety of reasons and excuses. Some are simply unlucky. Others have poor social skills and set themselves up for failure. Anxiety becomes a barrier for men who fear outright rejection as a result of bad past experiences. Desperation and embarrassment provoke some to come on too strong and appear needy or threatening, scaring away potential pussy. Is there hope for the hopeless? What does a therapist tell a 40-year-old virgin to do when a girl finally says yes? Find out in HUSTLER's January *Sex Play*, "The Fine Art of Losing It."
